After two successful Alaska tours in 2018, it was clear that Continuing Education needed to return to Anchorage for the 2020 Iditarod. The Iditarod is arguably the most famous and challenging sled-dog race in the world. Join your friends at UWM at Waukesha C.E. for an 8-day, 7-night escorted tour to Anchorage, Talkeetna and Fairbanks for the celebrations leading up to and the start of this Bucket List race. We will travel on a deluxe coach and Alaska Rail through scenic beauty, including Aurora Borealis, Chgach Mountains, Matanuska-Susitna Valley, and Denali National Park. Let Continuing Education help you check off one more item on your Bucket List. Register today.
