Get an inside look at life on the UW Oshkosh campus

The University of Wisconsin Oshkosh is the third-largest university in the state of Wisconsin, and, with a total enrollment of more than 14,500 students, there are opportunities for everyone. The University offers its students degrees in more than 60 academic majors and is proud to offer modest class sizes, which foster one-on-one and collaborative learning with professors, rather than teaching assistants. UW Oshkosh promotes hands-on, active service learning and career-building opportunities.

Ranked No. 1 in Wisconsin on the Sierra Magazine “Cool Schools” list and 21st in the nation, UW Oshkosh has been recognized nationally for its role in embracing sustainable practices, such as “green” building, reducing its carbon footprint and promoting social justice, as well as including sustainability as one of three learning outcomes in its general education program.

The University is centrally located in a community of more than 66,778 residents along the Fox River and near downtown, which provides students with entertainment, cultural experiences, professional development and a variety of social events.

University Studies Program (USP)

UW Oshkosh’s USP is what general education is supposed to be. With more than 250 new and refreshed courses to choose from, access to alumni and peer mentors, community outreach, small classes and integrated skills and resources to give students a competitive edge upon graduation, UW Oshkosh prepares its students for a successful future.

USP classes aren’t just a list of requirements to cross off graduation to-do lists. At UW Oshkosh, the revamped general education courses are aimed at enhancing the entire college experience. This nationally recognized program demonstrates how civic engagement, culture and sustainability are critical for being successful both in local communities and the global economy.

Additional academic resources

Math Lab
Students can drop in at the Math Lab to receive assistance on any math assignment Monday–Friday from 8 a.m. to 4 p.m., with some evening hours as well.

Writing Center
Available to students seeking assistance with writing or speaking projects at any stage in the writing process, the center partners with various offices around campus to cater to all types of writing or speaking requirements. Evening and weekend hours are available to accommodate students’ schedules.

Reading Study Center
In addition to offering several 1- and 2-credit courses, the Reading Study Center assists with test prep, academic reading, note-taking and preparation for Praxis I and Praxis II (for the College of Education and Human Services), as well as the GRE (for graduate school).

Individual tutors
One-on-one or group tutors are available through the Center for Academic Resources (CAR) for any course on campus. Students can receive up to five hours of tutoring per week.

Supplemental Instruction (SI)
SI is for students in select 100- and 200-level courses. Students can attend regular review sessions of material, as well as engage in group review for exams.

Full-time faculty and office hours
Professors teach all courses. UW Oshkosh does not employ teaching assistants (TAs). Professors have scheduled office hours for questions, exam review or other inquiries regarding material.

Academic advising
Full-time academic advisers are available to assist in navigating degree requirements, course scheduling and exploration of goals and academic interests.

Counseling Center
In addition to free personal counseling services, students can set up a time to receive career and academic counseling or visit Annie, one of the nation’s only collegiate therapy dogs.

Campus computer labs
Every academic building is equipped with both PC and Mac computers, which feature all the latest software programs. One lab is always open 24/7 for student access and every computer lab offers free black-and-white printing for students. Residence halls are also equipped with computer labs and free printing.

To learn more about USP, visit uwosh.edu/usp

Free snacks in the Math Lab! Grab a bite to eat and bring those assignments that are giving you trouble. #themoreyouknow

Check out Humans of Oshkosh on Facebook, one of the USP Quest III projects! facebook.com/humansofoshkosh

Jessica Tyler
Major: Dual Education (Elem. & Spec.)
Hometown: Granton, Wisconsin
When she’s not busy leading campus tours, Jess is actively involved with USP, helping students be successful in their first few years at UWO.

Jaylen Gatzke
Majors: Secondary Education, Math
Hometown: Ripon, Wisconsin
Jay works with local elementary school students through his USP Quest III course, “Effective Leadership in Adventure, Outdoor and Recreation Education.”

VISIT UWO

Personal appointments and campus tours
Tailor a visit to fit your needs by scheduling a personal appointment and campus tour. These visits are offered on most days Monday through Friday at 10 a.m. and 2 p.m. The tour lasts approximately 90 minutes and your counselor appointment can be scheduled 30 minutes prior to or immediately following your tour. Wear comfortable walking shoes and join us!

Saturday visits
If a Saturday visit is more convenient for you, we’re open most Saturdays, September through May, from 9 a.m. until noon. These visits, which are held in our new Alumni Welcome and Conference Center, include a 30-minute presentation and question-and-answer session starting at 10 a.m. A student-led campus tour begins at 10:30 a.m.

Preview Days
Premier Days vary depending on what day you visit, but typically run from about 9 a.m. until 2 p.m., and include a number of information sessions, special presentations and a campus tour. Visit our website for more details on each visit day.

Multicultural resources
Stop by the Multicultural Education Center to hang out and study, utilize the Center for Academic Support and Diversity and Student Support Services or join any of the many clubs dedicated to helping celebrate the variety of cultures and diverse backgrounds on campus. uwosh.edu/acad-supp/mec

Study abroad programs
Choose from more than 80 study abroad programs that last anywhere from a week to a full year. Trips include everything from learning about leadership in New Zealand, to teaching English in Japan or learning about society and culture in Greece and England, plus many more opportunities. Financial aid is available to help with costs and many of the programs are conducted in English. uwosh.edu/go/studyabroad

Music and theatre
UW Oshkosh offers many music and theatre opportunities to non-arts-related majors. Audition to participate in a number of musical ensembles and theatre productions without being a music or theatre major or minor.

Intramurals and club sports
Each semester, students decide what to compete in for intramurals, which are sports for students of all skill and experience levels. Options include everything from basketball to volleyball and soccer to ping pong, racquetball, yard games or fantasy football. And with construction starting soon on an outdoor, domed, heated, turfed playing field (or “RecPlex”), students will be able to play outdoor intramural sports year-round.

Club sports are also offered for hockey, dance, lacrosse, rugby, men’s volleyball and more. Visit recreation.uwosh.edu/sport-clubs for more information.

Student organizations
With more than 160 student clubs and organizations on campus, it’s easy for UW Oshkosh students to find a niche. There are clubs devoted to entertainment, academics, diversity, volunteerism, religion, politics, recreation, Greek life and more. Many student organizations sponsor events on campus or special trips, so there is always a good chance to meet people.

YOUR FUTURE SUCCESS

Meet UWO’s outstanding alumni

Nearly 85,000 people worldwide call UW Oshkosh their alma mater.
Alumni chapters across the country offer great benefits to UW Oshkosh alumni, including social opportunities and networking events.

Beyond undergraduate education—for those who might want to stick around the University a little longer for further opportunities—UW Oshkosh offers a wide variety of graduate studies options. More than 30 master’s degree and certificate programs and one doctoral degree are offered at UW Oshkosh.

Evan Thammahong
Major: Marketing
Hometown: Waukesha, Wisconsin

As a junior in the College of Business, Evan strongly believes in the power of networking with alumni to achieve success. Combining his love for marketing and athletics, Evan aspires to work with professional athletes to develop their image. On campus, he is a member of the UW Oshkosh football team and a student ambassador.

Shannon Stone ’99
Current City: Washington, D.C.
Major: Special Education
Hometown: Milwaukee, Wisconsin

Stone has worked internationally on education development programs in Egypt and the Philippines and currently serves as the Burma desk officer for the U.S. Agency for International Development (USAID). As a student at UWO, Stone was involved in the Model United Nations team, which has consistently ranked among the top 10 schools in the national Model UN competition for the last 30 years.

Brad Carr ’01
Current City: Los Angeles, CA
Major: Radio-TV-Film
Hometown: Oshkosh, Wisconsin

Currently the senior vice president of production for Ellen Rakieten Entertainment, Carr oversees television series, pilots and presentations that are produced for a number of networks, including A&E, History, Lifetime, Food Network, MTV and Oxygen. During his time at UW Oshkosh, Carr served as the president of the National Broadcasting Society, director of Titan TV news and producer of This Week.

Anne Enright ’97
Current City: Seattle, WA
Major: Journalism
Hometown: Francis Creek, Wisconsin

Enright serves as the director of media and measurement for Starbucks. She is responsible for setting the strategic media vision of Starbucks, identifying and developing partnerships and managing a media investment of more than $100 million. Enright has worked with multiple Fortune 500 companies and met with a number of industry leaders. When on campus, Enright was active in the American Advertising Federation (AAF) Competition and the Ad Club.

Catch up on UW Oshkosh conversation, connect with new and current students and share photos and thoughts. Visit UW Oshkosh Admissions on Twitter.

How to apply and admissions guidelines

Apply online: apply.wisconsin.edu

First-year/freshman applicants submit:
- UW System application apply.wisconsin.edu
- $44 nonrefundable application fee
- Official high school transcripts
- ACT or SAT test scores
In order for us to make an admissions decision, we must have all of these items.

Transfer students submit:
- UW System application apply.wisconsin.edu
- $44 nonrefundable application fee
  (Students applying directly from the two-year UW Colleges are exempt from this fee.)
- Official college/university transcripts from all post-secondary institutions attended
- Official high school transcripts if fewer than 30 transferable college credits have been earned

Mail all transcripts or other print materials to:
University of Wisconsin Oshkosh
Admissions Office
P.O. Box 2423
Oshkosh, WI 54903-2423

The admissions decision

UW Oshkosh uses a comprehensive review process in considering each applicant for admission. We look at the whole student, weighing both academic (the priority) and nonacademic factors in the decision.

Academic factors
- Rigor of college preparatory high school curriculum
- High school class rank when available
- ACT or SAT test scores
- Cumulative grade-point average (GPA)

Key nonacademic factors
- Extracurricular involvement: leadership experience, volunteerism and community service
- Diversity of personal background and work experience
- Student’s personal statement and responses to questions on the application
- Letters of recommendation are optional, but may be helpful for those students who may need further support

Nonacademic factors are given strong consideration for nontraditional students who may have graduated from high school long before applying to college.

College preparatory course requirements

Students most likely to be successful in college and more likely to be admitted will have completed more than the minimum high school core course units noted below, particularly in math and science. Many of our freshmen have completed Advanced Placement (AP), Cooperative Academic Partnership Program (CAPP) or Youth Options college courses while still in high school.

English—4 units
- Algebra I, Geometry and Algebra II

Math—3 units
- (Algebra I, Geometry and Algebra II)

Natural Science—3 units

Social Science—3 units

Additional academic electives—4 units
- (e.g. foreign language, fine arts or computer science)

Fall 2014 stats

16,542 Total enrollment
15,309 Undergraduate students
1,234 First-year students
1,634 multicultural students
456 First-generation students
22-34 ACT score
3.4 Cumulative GPA
22:1 Student-faculty ratio

Financial aid

The majority of students at UW Oshkosh are receiving some form of financial aid, including grants, loans, work-study and scholarships. Visit the financial aid office website to learn about the types of financial aid you may be eligible for:
uwosh.edu/fin_aid

FAFSA and College Goal Wisconsin

For information about federal financial aid, visit the FAFSA home page at fafsa.ed.gov and use the FAFSA4caster to estimate your potential federal financial aid. To be considered for all types of financial aid, we recommend submitting the FAFSA—the Free Application for Federal Student Aid—by UW Oshkosh’s March 15 priority filing date.

A special pool of nonresident grant funds may be awarded to eligible students who file by March 15.

Optional: Attend one of the regional College Goal Wisconsin sessions held across the state in mid-February for hands-on help in filing your FAFSA (collegegoalwi.org).

Freshman scholarships

UW Oshkosh highly values students who have achieved outstanding academic and leadership success. Every year, the chancellor of UW Oshkosh awards 100 scholarships valued at $1,000 each to incoming freshmen who have excelled academically and been leaders in their communities. The University also offers Academic Excellence and National Merit Awards as well as additional scholarships linked to majors and other points of eligibility. uwosh.edu/go/scholarships

Midwest Student Exchange Program (MSEP)

Earn your college degree at UW Oshkosh and pay reduced tuition rates as a MSEP student. Participating states include: Illinois, Indiana, Kansas, Michigan, Missouri, Nebraska and North Dakota.
uwosh.edu/go/msep
1. The famous buffalo chicken wrap, mashed potato bowl and a variety of other food and drink items can be found at 2GO@BHC, located inside Blackhawk Commons. College students are busy, so the to-go room is a quick alternative to the full all-you-care-to-eat lineup. Looking for something green? Garden Toss in Reeve Union is a popular choice too!

2. As each semester comes to an end, the Chancellor’s Late Night Breakfast is held at Blackhawk Commons. Eggs, potatoes, omelettes and more are a sure way to get you prepped for your finals. There is always free entertainment as well!

3. Travel for free around Oshkosh using Titan Transit. There are routes to popular spots like the outlet mall, restaurants, movie theaters and more.

4. The Student Recreation and Wellness Center is quite possibly the best gym you’ll ever use. It’s open late, has just about any kind of equipment you could possibly want and a great staff to help you meet your fitness goals. And it’s free. The pool in Albee Hall is also open to students.

5. Professors. Talk to them. They are people, too. They want you to be successful, but they can only help as much as you let them.

6. FREE. There are so many free activities. Don’t be too cool for events. Go to things and win free stuff. Why wouldn’t you? With free concerts, comedians, Titan Nights and more, you will never be bored.

7. Get involved! College extends beyond the classroom and your residence hall room. Get out and meet people; go to clubs and attend events. You won’t regret it.

8. If you need help, ask. No one will think any less of you if you use a tutor or one of the many academic resources on campus. They’ll probably be more jealous of your good grades than anything else. You’re here to learn; learn how you need to.

9. Go to athletics events! Kolf Fieldhouse is located right on campus. Want to head over to the Oshkosh Sports Complex? Hop on the free shuttle that transports students to games. All regular season athletics events are free for UWO students.

10. Utilize the safety resources on campus. There is a Safewalk program to go anywhere within a mile of campus, free shuttles to remote lots and a fully staffed University Police station right on campus.

11. Go to athletics events! Want to head over to the Oshkosh Sports Complex? Hop on the free shuttle that transports students to games. All regular season athletics events are free for UWO students.

12. Utilize the safety resources on campus. There is a Safewalk program to go anywhere within a mile of campus, free shuttles to remote lots and a fully staffed University Police station right on campus.

13. Submit scholarship applications! A list of available scholarship opportunities can be found at uwosh.edu/go/scholarships

14. Around January/February, complete your FAFSA. Some funds are limited, so it is to your benefit to submit prior to March 15 which is UWO’s priority date for determining financial aid. fafsa.ed.gov

15. Placement testing dates roll around in March/April. You’ll be taking math and English, but if you’ve taken a foreign language (Spanish/French/German), you can take that test, too. If you score high enough, you’ll have the opportunity to earn “retro” credits in that foreign language.

16. All the big stuff is done! Head over to your class Facebook page, meet your future classmates and maybe even your new roommate. (You can do this right away. Don’t wait!)

Erin Seidler
Major: Psychology
Hometown: Birnamwood, Wisconsin

If Erin isn’t traveling with the UWO Wrestling Team as their manager, she’s swimming laps in Albee Pool or helping Titans schedule courses as a Peer Advising Liaison (PAL).

Become a Titan
Things to do after you are accepted to UWO

1. Write down your student ID number. Remember it. Keep it safe. You’ll use it a lot—even before you get to campus!

2. Submit your $100 enrollment deposit. This online process will get you your class registration date and let you access your housing application.

3. Once you submit your $100 enrollment deposit, you have a uwosh.edu email address! Activate it right away. UW Oshkosh-related emails will now be sent to your new address.

4. Sign up for shipping! Or at least get started after sending in your enrollment deposit. Changes can be made at any time through early June. You have two big choices: residence hall and roommate.

5. Submit scholarship applications! A list of available scholarship opportunities can be found at uwosh.edu/go/scholarships

6. Around January/February, complete your FAFSA. Some funds are limited, so it is to your benefit to submit prior to March 15 which is UWO’s priority date for determining financial aid. fafsa.ed.gov

7. Placement testing dates roll around in March/April. You’ll be taking math and English, but if you’ve taken a foreign language (Spanish/French/German), you can take that test, too. If you score high enough, you’ll have the opportunity to earn “retro” credits in that foreign language.

8. All the big stuff is done! Head over to your class Facebook page, meet your future classmates and maybe even your new roommate. (You can do this right away. Don’t wait!)

9. Go to athletics events! Kolf Fieldhouse is located right on campus. Want to head over to the Oshkosh Sports Complex? Hop on the free shuttle that transports students to games. All regular season athletics events are free for UWO students.

10. Utilize the safety resources on campus. There is a Safewalk program to go anywhere within a mile of campus, free shuttles to remote lots and a fully staffed University Police station right on campus.

11. Go to athletics events! Want to head over to the Oshkosh Sports Complex? Hop on the free shuttle that transports students to games. All regular season athletics events are free for UWO students.

12. Utilize the safety resources on campus. There is a Safewalk program to go anywhere within a mile of campus, free shuttles to remote lots and a fully staffed University Police station right on campus.

13. Submit scholarship applications! A list of available scholarship opportunities can be found at uwosh.edu/go/scholarships

14. Around January/February, complete your FAFSA. Some funds are limited, so it is to your benefit to submit prior to March 15 which is UWO’s priority date for determining financial aid. fafsa.ed.gov

15. Placement testing dates roll around in March/April. You’ll be taking math and English, but if you’ve taken a foreign language (Spanish/French/German), you can take that test, too. If you score high enough, you’ll have the opportunity to earn “retro” credits in that foreign language.

16. All the big stuff is done! Head over to your class Facebook page, meet your future classmates and maybe even your new roommate. (You can do this right away. Don’t wait!)
