

ADVANCED UNIVERSITY STUDIES CERTIFICATE TRANSFER AGREEMENT

WESTERN TECHNICAL COLLEGE
and
UNIVERSITY OF WISCONSIN – OSHKOSH

EFFECTIVE FALL 2015

The purpose of this transfer agreement is to provide a seamless transfer experience for Western Technical College students who desire to continue their education by attending the University of Wisconsin – Oshkosh.

Each institution will contribute its expertise and services toward the joint goal of serving students interested in earning credits through Western Technical College that are transferable toward University of Wisconsin – Oshkosh's online Bachelor of Liberal Studies program.

Admission

Students who successfully complete the Western Technical College courses indicated on the attached transfer guide with at least a 2.0 grade point average will be admitted to UW-Oshkosh's online Bachelor of Liberal Studies program with junior status and with 61 credits towards the B.L.S. degree.

Credit Transfer

Students who complete Western Technical College's Advanced University Studies Certificate are guaranteed transferability of academic coursework as a block of credits according to the classes listed on the attached transfer guide. This articulation agreement is therefore a program to program transfer agreement rather than a course by course transfer agreement.

Periodic Review

This agreement will be reviewed at least every two years. Each institution agrees to notify the other of significant curricular or policy changes in a timely manner.

Advising

The University of Wisconsin – Oshkosh will provide academic advising to Western Technical College students who inquire about the Bachelor of Liberal Studies program. Western Technical College will assist UW-Oshkosh in arranging recruitment events on its campuses. UW-Oshkosh will provide materials, catalogs, and other information to Western Technical College staff members to facilitate their understanding of requirements and programs.

Proficiency and Transfer Courses

Courses marked as proficiency or transfer from another institution on a Western Technical College transcript will be accepted at the discretion of the University of Wisconsin – Oshkosh. Students may be required to supply an original transcript from the originating institution for courses transferred to Western Technical College.

Conditions

Western Technical College will:

- Grant an Advanced University Studies Certificate for students who complete 61 credits as outlined.
- Submit additional courses for possible approval and inclusion in the previously approved Western Technical College curriculum as fulfilling parts of the Bachelor of Liberal Studies.

The University of Wisconsin – Oshkosh will:

- Accept the 61 Western Technical College credits from the courses specified in this document.
- Review any additional courses from Western Technical College for transfer toward fulfilling degree requirements.
