**Memorandum of Understanding
For Radiologic Technology Program Tuition Collection**

Effective date:

Upon signatures of all required parties listed below. This agreement affects UW Oshkosh students who matriculate at the UWHC Schools of Medical Imaging Sciences ("SMIS") for the **2017-2019** Program.

End date:

This agreement ends when the **2017-2018** UW Oshkosh academic year ends, or sooner should affected requirements change at either program.

Review date:

This agreement will be reviewed beginning **1 June 2018**, or sooner should affected requirements change at either program; with the goal of renewal on 1 July 2018 for UW Oshkosh students matriculating at the UWHC Schools of Medical Imaging Sciences for the **2018-2019** academic year. At the time of renewal, the SMIS will inform UW Oshkosh of the annual tuition amount to be charged co-enrolled students on behalf of the SMIS for the following academic year.

Collaborating Parties:

The University of Wisconsin Oshkosh ("the University") and the UWHC Schools of Medical Imaging Sciences, hereby referred to as the School of Radiologic Technology ("SRT").

Brief Program Description:

The two listed parties have entered into an academic affiliation, by which undergraduate students enrolled at the University in the Bachelor of Science in Radiologic Science degree program will complete part of their BSRS degree in residence at the above-named accredited SRT.

During their residence at the SRT, UW Oshkosh students will be simultaneously enrolled at the University and the SRT. Such students will remain eligible for financial aid through the University. This MOU details the financial relationship necessitated for this continued eligibility.

Budgetary Consideration of Terms:

Each fall and spring semester of each co-enrolled student's approximately two (2) years at the SRT, the University will bill each student one-half the SRT's annual tuition, plus \$500.00 (five hundred dollars), plus one-eighth (1/8) of UW Oshkosh segregated fees.

Each student will be billed through an online University account in their name. Any financial aid is automatically disbursed to that online University account, approximately two (2) weeks after the bill is first entered into the account.

One-half (1/2) the above amount will be billed, by the University on behalf of the SRT:

- in August 2017
- in January 2018

In the case that a given co-enrolled student has been awarded an SRT tuition discount (e.g. has won an SRT-based scholarship), the amount of tuition reduction shall be communicated to the University no later than 1 August (for fall billing) or 1 January (for spring billing).

Within 30 days following the billing date, the SRT Program Director shall invoice the University an amount per student equal to one-half (1/2) the SRT's total annual tuition dollar amount. The invoice shall include each co-enrolled student's name and the amount to be paid for each student's tuition. The SRT shall ensure that the invoice properly represents how the check from the University is to be made out, and to whom it shall be sent.

The invoice will be emailed to sa@uwosh.edu or sent to:

Bursar's Office
University of Wisconsin Oshkosh
800 Algoma Boulevard
Oshkosh, Wisconsin 54901

In the event that a student fails to pay their account, University collection procedures shall be followed.

In the case where a student withdraws from the SRT after the start of the term, the University and the SRT have respective refund responsibilities to any federal funding agency providing financial aid and to the student. All tuition refunds will be administered by UW Oshkosh according to Title IV regulations. At no time shall tuition refunds go directly from the SRT or to the student.

Roles & Responsibilities of Parties:

The University and SRT have agreed to their respective roles and responsibilities with respect to student support services, admission, advising, financial aid, facilities, faculty, etc. in a separate document, the articulation/affiliation agreement.
