Weekday Placement Tests at UW Oshkosh

As a new freshman for spring 2019, you are required to take the English and math placement tests. You are *exempt* from taking the respective placement test(s) **IF** you have completed or are currently taking a transferable *college level* English composition, math or foreign language course *for credit*. To take the foreign language placement test in French, German or Spanish, you must have two or more years of the language in which you wish to test. There is a possibility for you to earn retroactive credits by taking the UW Oshkosh course you test into and earning a grade of A or B (ask your academic advisor for more details).

You may test anytime the Testing Services Office is open; no appointment is necessary. You will, however, need to **allow enough time to complete the tests by closing time.** If possible, it is best to complete the placement tests as soon as possible. If you are coming a distance, you can test the day prior.

An additional assessment fee of $5.00 per placement test will be charged to students at the time of testing for this option. Cash or check is accepted.

UW Oshkosh Testing Services Office hours are as follows:

DATE	DAYS/TIMES	NOTE
June 4 – August 3	Monday – Thursday 8 am – 3 pm	July 4 – Closed (Holiday)
August 6 – August 31	Monday – Thursday 8 am – 2 pm	
September 3		**Closed** for Labor Day
September 4	Call Testing Services for hours (920) 424-1432	
September 5 – December 7	Monday – Friday 8 am – 4:30 pm	**Closed** November 21-23 for Thanksgiving break
December 10 - December 14		**FINALS WEEK – NO Placement Tests Offered**
December 26- December 28	Call Testing Services for hours (920) 424-1432	
January 2 – January 25	Call Testing Services for hours (920) 424-1432	

The time limit for each test is as follows: Math - 90 minutes
English - 90 minutes
Foreign Language - 60 minutes

On the day you test, please bring a picture ID and a couple of number 2 pencils with a good eraser. You may bring a battery powered scientific calculator to use on the mathematics portion of the test. Graphing calculators will not be permitted, and calculators will not be provided at the test site. You will need a minimum of three hours to complete the math and English tests; an additional 60 minutes if you take the optional foreign language placement test. You may wish to add time for breaks between tests. All tests must be completed prior to closing time.

Maps, location, parking information and directions can be found at www.uwosh.edu/testing/hours-location-parking. If you have further questions or need more specific information, please call Testing Services at (920) 424-1432.

The Testing Services Office is located in the lower level of Polk Library, Room 4. You may park on any of the adjacent city streets without a permit or park in one of the five (5) Testing Services spots in Lot #34 (corner of Elmwood Avenue and Lincoln Street). You must obtain a parking permit at no cost from Testing Services for one of these spots. Visitors may also use/plug a parking meter (25 cents per 20 minutes) at various locations around the campus.

If you have additional questions about the placement tests, please contact the Testing Services Office at (920) 424-1432 or (920) 424-1148. Testing Services website: www.uwosh.edu/testing/.
