In compliance with the Campus Security Act, information regarding substance abuse prevention, graduation rate data, sexual assault, sexual harassment and the Annual Campus Security Report is available at: uwosh.edu/deanofstudents/documents/dos-campus-safety-report.pdf. Paper copies of this publication are available upon request from the Dean of Students Office, (920) 424-3100.

The University of Wisconsin Oshkosh is committed to nondiscrimination on the basis of race, color, ethnic or national origin, sex, sexual orientation, gender identity, religion, age, ancestry, disability, genetic information, marital status, veteran status, arrest or conviction record, or political affiliation in admissions, educational programs or activities and employment, including employment of disabled veterans and veterans of the Vietnam Era, as required by applicable laws and regulations. Inquiries concerning Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and the Americans With Disabilities Act Amendments Act of 2008, may be directed to the Director of Equity and Affirmative Action, University of Wisconsin Oshkosh, 800 Algoma Boulevard, Oshkosh, Wisconsin, 54901 (Phone) (920)-424-0330.

UW Oshkosh is accredited by the Higher Learning Commission (HLC). For a complete listing of UW Oshkosh’s accreditations and memberships, visit uwosh.edu/provost/accreditation-memberships

Rev. 08/19
At UW Oshkosh, your college experience will be anything but textbook.

Your time here will shape and transform you—and it doesn’t just happen in the classroom! Students at UW Oshkosh are dedicated to making an impact during their time on campus. We are one University with three campuses, and you have even more options for the path that works for you.

We can’t wait to have you join us as a UW Oshkosh Titan.

Titans are leaders, researchers and champions. What kind of Titan will you be?
UW Oshkosh doesn’t just offer academic options—we provide opportunities. Chart your own path, guided by advisers and professors who help you think through your options and identify possibilities. Combine majors and minors to prepare for the career of your dreams.

*2+2 DEGREE: Students must earn an applied associate degree from a technical college first and transfer to UW Oshkosh for the final two years.*
At UW Oshkosh there’s something for everyone.

UW Oshkosh is a three-campus university, with campuses in Oshkosh, Fond du Lac and the Fox Cities. This joining of three individual schools into one University means that students have more opportunities than ever before.

No matter which campus you choose, you’ll quickly find your place in this warm and supportive community, making lifelong friends and doing the things you love—whether it’s cheering on our champion athletics teams, exploring the arts or serving the community for a cause.

More than 180 student clubs and organizations across all three campuses of UW Oshkosh allow you to explore your interests, make lasting friendships and grow as a leader.
Reeve Union Board is a source for campus entertainment, where students collaborate to put on large-scale events like concerts and comedians, as well as weekly activities like movies, karaoke, bingo nights and more!

Academic-focused student groups allow students to connect with faculty outside of the classroom, explore career options and talk about what fuels their passions.

Boasting 47 national championships and counting, UW Oshkosh is an impressive competitor in 19 NCAA Division III and 14 nationally recognized club sports, providing excitement for athletes and fans alike.

Through career counseling, graduate school planning, internship programs and professional networking events, we’ll help you get a head start on what comes next.

STEM advancement is a focus for many of our student groups. Hands-on technology practice for UW Oshkosh students isn’t limited to the classroom.

With student activities and programs happening nearly every day and night, there’s always an opportunity to meet new people, relax and explore.
Titans have a unique campus advantage.

National rankings place Oshkosh as one of America’s best college towns. We just call it home. Titans benefit from small class sizes, incredible student life experiences and a faculty that is dedicated to teaching.

Even though we’re more than just numbers, our numbers still make us stand tall.

FROM CLASSROOM TO CAREER, WE’RE HERE FOR YOU

Student success is at the heart of all that we do, and with our dedication to helping you grow personally, academically and professionally, it’s easy to see why Titans succeed.

INDIVIDUALIZED ACADEMIC SUPPORT

Free tutoring for most classes is available through the Center for Academic Resources. Students also have access to faculty—not teaching assistants—for questions about course material, career direction and academic opportunities.

If you thrive in a group study environment, free supplemental instruction sessions provide group review opportunities for select 100- and 200-level courses.

THE HONORS COLLEGE

The Honors College is a program for high-achieving students at UW Oshkosh. Qualifying students enjoy smaller class sizes, increased interaction with faculty, early registration, Honors study abroad opportunities, independent research and more. uwosh.edu/honors

STUDENT-CENTERED RESEARCH FOCUS

UW Oshkosh is a research-comprehensive regional university, which means our faculty and students collaborate every day on important research projects. UW Oshkosh receives $12-14 million annually for research and creative activities. Whether your interests land you in the science lab or art studio, you’ll work directly with world-class faculty on impactful research.

DIVERSITY AND INCLUSION PROGRAMS

At UW Oshkosh, differences are expected and celebrated. Through the Division of Academic Support of Inclusive Excellence, students make connections outside of the classroom. There are a wide range of student groups and campus events where people of all backgrounds connect, grow and belong.

Take advantage of campus resources like our LGBTQ+ Center, Women’s Center, Student Achievement Services for students of color and specialized research support through the McNair Scholars Program.

CAREER AND PROFESSIONAL DEVELOPMENT

Employers today expect students to supplement classroom learning with career planning and professional experiences. What sets Oshkosh apart is the abundant internships throughout the Fox Valley, as well as the support you receive in finding, interviewing and landing these opportunities.

MATH TUTORING AND WRITING CENTER

Students looking for assistance with math and writing receive free help, working with staff and trained students on assignments, projects and papers.

STUDENT LIFE

Finding where you fit at UWO won’t be a problem. Whether you prefer to be on the stage or in the stands, UW Oshkosh offers opportunities for all students. Events, activities and student groups give you opportunities to grow. Involvement on campus not only broadens your resume—it enhances your Titan experience. And it’s a ton of fun!

STUDY ABROAD

At UW Oshkosh we are committed to helping students develop the skills and global perspective necessary to succeed in an increasingly interconnected and diverse world. Choose from more than 80 study abroad opportunities and truly broaden your horizons.
GET STARTED
Apply early! The online application opens and can be submitted starting Aug. 1, 2019.

APPLY.WISCONSIN.EDU

ADMISSIONS GUIDELINES AND HOW TO APPLY

First-Year Applicants
- UW System application at apply.wisconsin.edu
- $50 nonrefundable application fee
- Unofficial or official high school transcript
- ACT or SAT test scores (not required for applicants who are 21 or older)
  UWO ACT code: 4674
  UWO SAT code: 1916

Transfer Students
- UW System application at apply.wisconsin.edu
- $50 nonrefundable application fee
- Official college/university transcripts from all post-secondary institutions attended
- Official high school transcript (if fewer than 30 transferable college credits have been earned OR if college credits have solely been earned from a Wisconsin Technical College)

Mail all transcripts or other print materials to:
University of Wisconsin Oshkosh
Admissions Office
P.O. Box 2423
Oshkosh, WI 54903-2423

MINIMUM COURSE REQUIREMENTS TO BE CONSIDERED FOR FIRST-YEAR STUDENT ADMISSION

Students most likely to be successful in college and more likely to be admitted will have completed more than the minimum high school core course units noted below, particularly in math and science. Many of our first-year students have earned college credit while still in high school. For admissions consideration, students must complete:

- English—4 years
- Math—3 years
  (Algebra I, Geometry and Algebra II)
- Science—3 years
- Social Science—3 years
- Additional academic electives—4 years
  (e.g. foreign language, fine arts or computer science)

THE ADMISSIONS DECISION

UW Oshkosh reviews each application using a comprehensive review process. In addition to academic criteria, we look for leadership, community involvement, meaningful participation in extracurricular activities such as: clubs, organizations or employment.

First-Year Student Academic Factors*
- Rigor of college preparatory high school curriculum
- ACT or SAT test scores
- Cumulative unweighted grade point average (GPA)
- High school class rank (when available)

Transfer Academic Factors
- Rigor of completed college courses
- Number of college transfer credits earned
- Individual course grades
- Collegiate cumulative GPA
  (2.5 preferred; minimum 2.0)
- High school academic record (if fewer than 30 transferable college credits have been earned at the time of application OR if college credits have solely been earned from a Wisconsin Technical College)

Key Nonacademic Factors
- Extracurricular involvement: leadership experience, volunteerism and community service
- Diversity of personal background, work experience and life circumstances
- Student’s personal statement and responses to questions on the application
- Letters of recommendation (optional), may be helpful for students needing further support

* We will review your final high school transcript to ensure your academic performance senior year is consistent with or better than earlier semesters. All incoming freshman students are required to submit their final high school transcript to ensure all academic units are achieved and the student has successfully graduated high school.
FINANCIAL AID

The majority of students at UW Oshkosh receive financial aid. In 2018-2019 we offered more than $165 million to eligible students in the form of scholarships, grants, loans and work-study programs. Visit the Financial Aid Office website to learn more about the types of financial aid you may be eligible for at uwosh.edu/financialaid

FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA) AND COLLEGE GOAL WISCONSIN

Students who plan to enroll in college for fall 2020 can file a FAFSA starting on Oct. 1, 2019. The priority filing date for UW Oshkosh is Jan. 1, 2020. UW Oshkosh’s FAFSA school code is 003920. Visit fafsa.ed.gov to learn more.

If you would like assistance with your FAFSA, you can contact our Financial Aid Office or attend a free College Goal Wisconsin event. College Goal Wisconsin provides hands-on FAFSA completion sessions throughout the state.

Visit collegegoalwi.org for available dates and locations.

FIRST-YEAR STUDENT SCHOLARSHIPS

UW Oshkosh offers a variety of scholarships based on merit, academics, leadership achievements and other points of eligibility. To be considered for scholarships, students must be admitted to the University and must submit their application by the specified deadline. For more information on scholarships, visit uwosh.edu/go/scholarships

RESOURCES FOR NONRESIDENT STUDENTS

Midwest Student Exchange Program

Earn your degree at UWO and save more than $4,400 annually! Students from Illinois, Indiana, Kansas, Michigan, Missouri, Nebraska, North Dakota and Ohio automatically receive a reduced nonresident tuition rate through the Midwest Student Exchange Program.

Learn more about MSEP at uwosh.edu/go/msep

Titan National Scholar

The Titan National Scholar program is a scholarship for high-achieving nonresident students. The scholarship brings the cost of tuition for nonresident students in line with Wisconsin’s low-cost in-state tuition.

The program is available to all students except those eligible to apply for Minnesota reciprocity, international students and students participating in online or specialty programs.

To see the eligibility requirements, visit uwosh.edu/go/tns
