

## INTERNATIONAL BACCALAUREATE COURSE LIST

This table lists IB courses which have been reviewed by academic departments at UW Oshkosh.

- UW Oshkosh accepts IB coursework taken at the higher level (HL) and some coursework taken at the standard level (SL).
- Students must have IB send an official score report directly to UW Oshkosh to be awarded IB credit. Student copies or high school copies are not official documents.
- When students schedule the IB exam(s), please list UW Oshkosh as a school to receive the IB score report. Students who do not list UW Oshkosh as a score recipient will need to request a supplement score report to be sent to UW Oshkosh. Information on sending a score report is found [here](#).
- Credit will be awarded only once for IB, Advanced Placement (AP), or College Level Examination Program (CLEP) exams which are the same subject.
