

If you are currently taking an AP (Advanced Placement) course in English composition or math, you **should** complete the placement tests. The late arrival of AP scores (end of June or later) prevents the posting of AP involvement on student records prior to your Titan Takeoff day (orientation and registration).

If you have completed an AP exam in English Composition or math **prior to your senior year**, please use the chart below to determine if you need to take the placement test(s).
