Congratulations on your admission for Spring 2022! Hang on to this document. This has key information and deadlines necessary for keeping you on track to being a registered student at the UW Oshkosh Fond du Lac campus.

**STEP ONE: ACTIVATE YOUR NET ID**
begin by activating your NetID login. You received an email after you applied containing these instructions. If you have misplaced this, please call the IT Help Desk at (920) 424-3020.

**STEP TWO: ACCESS YOUR UWO EMAIL**
you will receive a UW Oshkosh student email account. We will be sending further instructions to the personal email address that you provided on your application.

Once you have access, be sure to check your UW Oshkosh email account at least two to three times per week as all further information will be communicated there. Be sure to also check your spam folder often as some emails are incorrectly filtered.

Part of accessing your UWO email will be setting up Multi-Factor Authentication, an additional safety measure we use at UWO. Set-up information can be found on the IT website at uwo.sh/student-mfa.

**APPLY FOR FINANCIAL AID & SCHOLARSHIPS**
complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. You must list the UW Oshkosh school code (003920) on your FAFSA. Scholarships are available for students at the UWO Fond du Lac campus online uwosh.edu/fdl/apply-pay-register/paying-for-college/scholarships

**ATTEND ADVISING & REGISTRATION**
sign up and attend Advising & Registration (A&R). This event provides important campus information, academic advising, and class registration.

There is a non-refundable fee for new students. This fee will be added to your student account following your A&R session. Additional information about these events will be shared with you in early November.

**UNDERSTAND HOW BILLING WORKS**
your statement of account (bill) for Spring 2022 is only available online in late January through your TitanWeb account. You will be notified via your UW Oshkosh email when your billing statement is available. Your statement will include tuition and other fees. You will learn more about this at Advising and Registration!
EXPLORE STUDENT HOUSING

Vue Campus is an inclusive housing community specifically designed to create a safe, supportive, and engaging environment. The 2-bedroom & 4-bedroom apartments are rented on a first-come, first served basis. Living on campus is not required, but Vue Campus is a popular and convenient option. View room layouts, pricing options, and amenities available at uwosh.edu/fdl/campus/housing.

REQUEST ACCOMMODATIONS

If you are in need of accommodations, our Accessibility Coordinator will work with you to ensure access to programs and services on campus. It is important to submit accommodation requests as early as possible. You can pick up accommodations forms by visiting the Solution Center on campus or online at: uwosh.edu/deanofstudents/Accessibility-Center/students/apply.
