**STEP ONE: ACTIVATE YOUR NET ID**
Begin by activating your NetID login. You received an email after you applied containing these instructions. If you have misplaced this, please call the IT Help Desk at (920) 424-3020.

**STEP TWO: ACCESS YOUR UW OSHKOSH EMAIL**
You will receive a UW Oshkosh student email account. We will be sending further instructions to the personal email address that you provided on your application.

Part of accessing your UWO email will be setting up Multifactor Authentication, an additional safety measure we use at UWO. Setup information can be found on the IT website at uwo.sh/student-mfa.

Once you have access, be sure to check your UW Oshkosh email account and the email you provided on your application at least once a week as very important information will be communicated there. Be sure to also check your spam, or junk folder often as some emails are incorrectly filtered.

**APPLY FOR FINANCIAL AID**
Complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. The 2022-23 school year FAFSA opens on October 1, 2021. You must list the UW Oshkosh school code (003920) on your FAFSA. The priority filing date is January 1, 2022; however, FAFSA submissions after this date will be considered as funding allows. Scholarships are available for students at the UWO Fox Cities campus online at: uwosh.edu/fox/apply-pay-register/paying-for-college/scholarships

**TAKE PLACEMENT TESTS**
All new students must take the placement tests for English and math, unless you have taken a transferable college-level course in that area (to check, visit wisconsin.edu/transfer). Placement scores must be received before attending Advising and Registration. Sign-up information will be emailed to you in February/March.

**COURSE REGISTRATION**
**Freshmen:** Advising & Registration (A&R) is an event for New Freshmen that focuses on academic advising and course registration. Sign-up for A&R events will begin mid-March, the events take place May to August.

**Transfer:** Email the Student Affairs Solution Center at foxinfo@uwosh.edu to schedule a one-hour meeting with your academic advisor to discuss your upcoming transfer credits, degree plan, future goals and enroll in classes. These meetings can be scheduled as early as April.

**UNDERSTAND HOW BILLING WORKS**
Your statement of account (bill) for Fall 2022, available only online, will become accessible in late summer through your TitanWeb account. You will be notified via your UW Oshkosh email when your billing statement is available. Your statement will include tuition and other fees. You will learn more about this at Advising and Registration!
**EXPLORE CAMPUS HOUSING**

Fox Village is an inclusive, housing community specifically designed to create a safe, supportive, and engaging environment. The 2-bedroom & 4-bedroom apartments are rented on a first-come, first served basis. Living on campus is not required, but Fox Village is a popular and convenient option. View room layouts, pricing options, and amenities available at [uwosh.edu/fox/campus/resources/students/housing](http://uwosh.edu/fox/campus/resources/students/housing).

**REQUEST ACCOMMODATIONS**

If you are in need of accommodations, our Accessibility Coordinator will work with you to ensure access to programs and services on campus. It is important to submit accommodation requests as early as possible. You can pick up accommodations forms by visiting the Solution Center on campus or online at: [uwosh.edu/deanofstudents/Accessibility-Center](http://uwosh.edu/deanofstudents/Accessibility-Center).

**SCHEDULE A CAMPUS VISIT**

We encourage you to visit campus! Explore campus either virtually, or in person and get to know your new home at the UW Oshkosh Fox Cities Campus! For more information go to: [uwo.sh/visit-fox](http://uwo.sh/visit-fox).

When scheduling a campus visit, please keep in mind that tours will be available during New Student Orientation, before the start of your semester.
