#### Welcome Back!

We are excited to have faculty/IAS back on campus and look forward to another year working together with you for student success.

#### Fall 2018 Important Dates

#### What's New?

- Nicole Loizzo; joined the UARC team on July 9 as the new advisor for the Human Services Leadership online program. Nicole has prior experience advising online students at UW Whitewater.
- Reduced Staff: Budget cuts resulted in the loss of three full-time advisor positions. This means higher caseloads for all UARC advisors and reduced access for students. NOTE: Your Advising Liaison may have changed. Check [here](#) for updates.
- QUEST I Advising Visits: Starting this fall the UARC will be visiting QUEST I courses to provide first year students with important advising information. If you are a QUEST I instructor and have not yet scheduled your visit please do so this week.
- STAR 2.0: The Registrar's Office launched the new degree audit over the summer. Students have started comparing it to their old STAR reporting any discrepancies. This task will be ongoing in fall and will contribute to the overall accuracy and consistency of the tool.
- Early Alert is moving to SSG: Using SSG provides valuable benefits including ease of use for faculty and the ability to provide more specific, helpful information about student concerns. Watch your e-mail for more details.
- UW Oshkosh has Award Winning Advisors! The Wisconsin Academic Advising Association will present these awards to UW Oshkosh Advisors at the annual conference in September at UW Platteville:
  - Frank Holmes, UARC, Advising Excellence Award

- Jakob Iversen, COB, Faculty Advisor Excellence Award
- Lisa Szromba, UARC, Outstanding Achievement Award

## UWO Enrollment Picture (as of August 20)
