A STUDENT'S GUIDE TO THE UNIVERSITY STUDIES PROGRAM (USP)

THE UNIVERSITY REQUIRES A **MINIMUM OF 38 CREDITS** IN USP APPROVED COURSEWORK

The Foundation of Your Education at UW Oshkosh

Students in all majors complete general education courses through the University Studies Program. These general education courses will help to prepare you for advanced study at the university as well as life after graduation. We encourage you to choose courses to satisfy and enhance major and/or degree requirements.

Your general education courses will explore BIG questions; Signature Questions. You will choose "EXPLORE" courses in Nature, Culture, and Society. Three of these courses, the "QUEST" series, will provide valuable experiences in addition to Signature Question content. The USP is completed through an advanced writing course that will "CONNECT" the Signature Questions.

SIGNATURE QUESTIONS:

1. **Sustainability:** How do people understand and create a more sustainable world?
2. **Civic Learning:** How do people understand and engage in community life?
3. **Intercultural Knowledge*:** How do people understand and bridge cultural differences?

**Courses with this signature question also satisfy one of the following requirements: Ethnic Studies (ES) or Global Citizenship (GC)*
