

## September 2019 Edition

### Spring Registration Dates

<https://uwosh.edu/registrar/students/registration-information/add-drop-calendar/>

September 30 – October 4: Seniors (90+), Honors, and some Student Athletes

October 7 – October 11: Juniors (60-89)

October 14 – November 1: Sophomores (30-59)

November 4 – November 22: Freshmen (0-29)

### WACADA

The annual Wisconsin Academic Advising Association (WACADA) Conference was held at Gateway Technical College September 12-13. The conference provides an opportunity for professional and faculty advisors to network, foster community, share institutional and theoretical knowledge, explore best practices and techniques, and learn how to apply new and innovative approaches in their work with students in meaningful and impactful ways.

Each year, WACADA recognizes individuals who work with, for, and in favor of students in an academic advising capacity, and those who have demonstrated outstanding dedication to the profession of academic advising through awards. This year, **Tim Gleason** from Interactive Web Management was presented with the Faculty Advisor Excellence award.

Previous winners from UW Oshkosh include:

- Jakob Iversen – Information Systems
- Quin Chrobak – Psychology
- Christie Launius – Women's and Gender Studies
- Joann Cross – Accounting
- David Jones – Criminal Justice
- Dana Merriman – Biology

### Early Alert

Early Alert will take place **October 3 - 7** and can be completed in Navigate for

Oshkosh campus courses. While Early Alert is not mandatory, we encourage everyone to complete it, especially for 100/200 level courses. Early Alert provides valuable information to the student, academic/faculty advisor, coach, and others about a student's progress in the course.

**All students must earn a minimum of 120 credits to graduate.** Developmental coursework does *not* count toward the 120 total credits needed to graduate. This is reflected in the General Baccalaureate Degree section on the Advisement Report which is at the end of the degree requirements section, *before* major information. This is the first item listed in the General Baccalaureate Degree Requirements.

**UW Oshkosh General Baccalaureate Degree Requirements (RQ893) 2017-99**

Not Satisfied: UW Oshkosh General Baccalaureate Degree Requirements

**▼ Earn a Minimum 120 Degree Credits (RQ893-10)**

Not Satisfied: Earn a Minimum 120 Degree Credits

- Units: 120.00 required, 107.00 taken, 13.00 needed

## Titan Web Information

A lot of valuable information can be found in Titan Web. Here are some of the most common items we share with students.

**Advisement Report** (formerly known as STAR or STAR 2.0): Students access this degree audit in their Student Center on Titan Web and will find it referred to as Advisement Report or My Academic Requirements.

- Students will no longer have access to the old STAR and should be directed to use their Advisement Report
- Faculty access the Advisement Report at the following path:

Main Menu > Academic Advisement > **Student Advisement** > Request Advisement Report

- If you find any issues on the Advisement Report, email [staron-line@uwosh.edu](mailto:staron-line@uwosh.edu)

The following items can be found in the **Student Services Center** at this path:

Favorites > Main Menu > Campus Community > Student Services Center

**Assigned Advisor(s)** – UARC, SSS and faculty advisors appear in the same place.

## Titan Web v. Navigate

Navigate is also a great place to see a lot of student information in one place, but it is important to remember that Titan Web is where that student information originates. It is possible that you will notice a discrepancy between Navigate and Titan Web, and that is likely because Navigate updates daily, which happens every night at midnight. If you see a discrepancy, always trust what you see in Titan Web.
