Interim Credit Policy

During the 3-week interim, students are able to enroll in a maximum of 3 credits. In extraordinary circumstances, students may file a written request to exceed this limit. Students should contact an advisor in the Undergraduate Advising Resource Center to request permission to schedule an overload. Final decisions on overload requests are made by an Academic Advisor or the Assistant Director of Advising in the UARC for each college. The Credit Overload Form can be found here on the Registrar's Office website: <https://www.uwosh.edu/registrar/forstudents/forms1>

Titan Takeoff Updates

Titan Takeoff will be fully online this summer. Incoming students will have online modules to complete designed to acclimate them to campus and will have a one-hour virtual appointment with an advisor when they will enroll in fall classes. Details are still being finalized but we are eager to welcome new Titans to the UWO community in this new format.

Retention & Re-Enrollment

You made it! Summer is nearly here. With the end of the semester quickly approaching, any words of encouragement you can share with students during this uncertain time makes a huge impact on student retention and persistence. Creating and sending re-enrollment campaigns and communication through Navigate is a great way to encourage your students to enroll in fall classes. We appreciate you and all of the work you do for our students!
