* **Clinical experience:** Students must plan for a two-hour block of time each morning. The clinical experience is a school-based field experience that meets the same class period each day. The two-hour block of time allows for travel/parking time and flexibility in matching district and university schedules. Complete the registration form for methods and clinicals online. Art, Music and Physical Education majors see department offices.

Licensable minors: If content area for minor is different than the major, must complete appropriate methods course(s) and content assessment, if applicable. See COEHS Associate Dean for information and assistance.
