

ADVISING SNAPSHOT

March 2021 Edition

Fall Enrollment Dates Delayed

Departments and instructors were given more time to make decisions about the Mode of Instruction for fall classes. Therefore, registration dates were delayed and there will be more students registering each day in April. Fall registration dates and classes were opened for students to view in TitanWeb on March 8.

| | |
|-------------|---|
| April 5-9 | Seniors; 90+ credits earned and priority registration |
| April 12-16 | Juniors; 60-89 credits earned |
| April 19-23 | Sophomores; 30-59 credits earned |
| April 26-30 | Freshmen; 0-29 credits earned |

What can students see in Navigate?

- [Appointment Summaries](#) from prior advising appointments on the Reports/Notes tab
- [Progress Reports](#) (from Early Alerts) on the same Reports/Notes tab
- A link to [Schedule an Appointment](#) with their assigned advisor if the advisor has Availability set up in Navigate
- Their current [Class Schedule](#)
- Their [Success Team](#) which includes assigned advisor(s), coaches, and Team Fellows (academic support volunteers for athletes, also shown as “Coach” role)
- Many first-year students also have the Navigate Student App which has many of these same features and more. It was introduced last summer. Reports (listed in the first two bullets above) created Jan. 26, 2021 or later are visible in the app for 6 months.

Application for Graduation; Timeline and Process

In general, Graduation Applications are due by the end of the semester prior to their graduation term (when they will be completing all requirements). Students get an automated confirmation email usually within 24 hours of applying for graduation telling them to check their Advisement Report for deficiencies and work with their advisor to resolve them. This gives students the opportunity to adjust their classes if they have unmet requirements.

When students have 79.99 credits earned, they receive a link to apply in TitanWeb. They access it as follows:

1. Go to [Titan Web Student Service Center](#)
2. Select [My Academics](#)
3. In the Graduation section of the My Academics page, select "Apply to Graduate"

Students who are completing an Associate Degree will have the link to apply for graduation added after they earn 30 credits.

Other details are on the [Registrar's Website](#)

New Transfer Website — Take a peek!

The Registrar's Office launched a new page specifically for transfer credit policies and procedures. Some of the great features of this new site include:

- Outlining the Pre-Approval Process for students who take courses outside of UWO
- Formalized appeal process for students who would like their transfer credit re-evaluated
- Change of Evaluation form for Faculty who would like to change a course equivalency
- Links to Transferology, our online equivalency database, to see how courses transfer
- Collaborative links to admissions, orientation, advising, and articulation agreements
- Published transfer credit policies to ensure compliance with UW System

As a reminder, faculty and staff need to use Transferology from the following link (the icon on the transfer page is for student access only):

<https://www.transferologylab.com/login.htm>

They would love to answer your questions, provide trainings, and hear your feedback! Please visit the page at: <https://uwosh.edu/registrar/transfer/> and send any further correspondence to: TCHelp@uwosh.edu

Brought to you by the UARC Faculty Advisor Development (FAD) workgroup.
