

## SUMMER ADVISING INFO - WEEK 1

Happy Wednesday!

Congratulations on enrolling in your first semester of college! The Undergraduate Advising Resource Center (UARC) is excited to welcome you to campus this fall. As we countdown to the first day of classes, we want to stay in touch through our weekly *Summer Advising Info* emails.

**WHAT IS ADVISING?** Advising focuses on helping students identify life goals, acquire skills and attitudes that promote intellectual growth, and become academically successful. We teach you how your educational experience equips you with broad knowledge, transferable skills and a strong sense of values, ethics, and civic engagement.

### **AN ADVISOR CAN HELP YOU WITH:**

- Major & minor exploration
- Selecting course options
- Connecting your interests and values to majors
- Understanding academic policies and requirements
- Staying on track to graduation
- Identifying strategies for success
