

SUMMER ADVISING INFO – Week 7

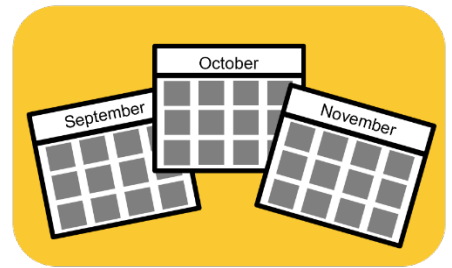

The countdown to the first day of fall semester is now 14 days! We are getting excited to welcome you all to campus for your first semester. We want to provide some advice to help with your transition. As you start your first semester, remember these 3 IMPORTANT THINGS – 3 people, 3 places & 3 months!

Find 3 people to connect with!

Find 3 places where you feel comfortable!

Give it 3 months to acclimate and transition to life at UWO!
