**Essential Outcome:**

Explore ways in which we all serve as co-contributors to our communities  
Experience multiple modalities of connection with others

**Icebreaker options:**

[Identity Dance](#)

[Boomwhacker and Stick Groove](#)

Pattern

Partner groove

Group groove

*How does listening around ourselves deepen our understanding of our community?*

[Imaginary Room](#)

3 minutes to play

Audience role

Perform, notice, affirm, reflect

**Reflection**

*How do you and your colleagues support one another as individuals working together to create a whole?*

*What are our responsibilities to one another?*

What is happening? (onstage, offstage, audience)

How did your perception change between before, during, after performing?
