CAPP Instructions for Completing Add/Drop Card

An Add/Drop Card is needed to drop a course prior to the drop deadline, while remaining in other CAPP courses that term. If you are only taking one CAPP course, and you wish to drop that course, you must submit a Term Withdrawal Form. You may drop courses prior to the designated drop deadline for any reason, and will not be required to pay tuition.

Please carefully follow the instructions below when completing the Add/Drop Card. If you submit a form with incorrect or incomplete information, you may be asked to resubmit the form.

Instructions for completing Add/Drop Card

The form should be completed by hand, using blue or black ink. Pencil or other colored ink will not be accepted.

1. Clearly print your last and first name, as you provided on your admission application.
2. Optional: write your UW Oshkosh campus email address, if known
3. Write your UWO ID number. This number is not the same as your high school ID number. A UWO ID number is 7 digits long, beginning with 0.
4. Select the term and year that the course began.
5. Select “Drop”
6. Fill in the information for the course you are dropping.
   a. The image below shows how courses are listed on your TitanWeb page. This information is also labeled on your MyUWO Portal. Use this image to help you accurately complete the course information portion of the form.

7. Sign the form and give it to your instructor to sign as well, before sending it to the CAPP Office.
8. The completed form must be received by the CAPP Office by the designated drop deadline.
