

INFORMATION SYSTEMS

COLLEGE OF BUSINESS MAJOR FACT SHEET

Information Systems help businesses compete in a global environment by helping management utilize the power of technology to make decisions and run business operations efficiently. With the exponential growth in Information Technology, increased demand for information and communications, and global impact of the Internet; Information Systems have become the cornerstones of business.

INFORMATION SYSTEMS FACTS

- The Cybersecurity Center of Excellence where students can experience live-fire cyber lab simulations in a controlled, educational environment.
- There are more IS internships available than there are students available to fill them.
- Two state-of-the-art media labs available for student use.
- Extremely high job placement upon graduation.
- One-on-one engagement between students and faculty.

AVERAGE ANNUAL STARTING SALARY

UWO Graduate*

\$60,343

National**

\$70,336

STUDENT ORGANIZATIONS

The Information Systems Club (IS) is a gathering of individuals with an interest in learning about Information Technology. This club is a way for Information Systems majors at the University of Wisconsin Oshkosh to learn about new opportunities within the college, and within the community. The club provides tutoring and advising services to students that have an interest in technology or are interested in the major.
