YOUR GUIDE TO REGULATED CHILD CARE Your summary of the child care rules

A WORD ON WISCONSIN CHILD CARE REGULATIONS

Anyone providing care and supervision for 4 or more children under age 7 years for less than 24 hours a day must be licensed by the Department of Children and Families. Exceptions to this rule are:

- A parent, grandparent, great-grandparent, stepparent, brother, sister, first cousin, nephew, niece, uncle, or aunt of a child, whether by blood, marriage, or legal adoption, who provides care and supervision for the child.
- Public and parochial schools.
- Care provided in the home of the child's parent for less than 24 hours per day.
- Counties, cities, towns, school districts, and libraries that provide programs for children primarily intended for social or recreational purposes.
- A program that operates not more than 4 hours per week.
- Group lessons to develop a talent or skill such as dance or music, social group meetings and activities, group athletics.
- A program where the parents are on the premises and are engaged in shopping, recreation, or other non-work activities.
- Seasonal programs of ten days or less duration in any 3-month period, including day camps, vacation bible school, and holiday child care programs.
- Emergency situations.
- Care and supervision for no more than 3 hours a day while the parent is employed on the premises.
- A program provided where the child of a recipient of temporary assistance to needy families, or Wisconsin works, is involved in orientation, enrollment or initial assessment or where parents are provided training or counseling.

Regulations set standards for adequate child care, but they cannot guarantee quality care. That is why parent involvement is so crucial.

IF YOU HAVE QUESTIONS, CONCERNS, OR COMPLAINTS

First, talk to your child's caregiver and try to work out your differences. If those attempts fail, and you feel the caregiver is violating a state licensing regulation, contact the appropriate regional office. See https://dcf.wisconsin.gov/cclicensing/contacts or call 1-800-362-7353 for licensing contact information. If you feel the caregiver is violating certification rules, contact the appropriate certifying agency. WHAT IS QUALITY CHILD CARE?

That question has no easy, quick answer. Evaluating child care may seem an overwhelming task, especially if you are new to child care services. This checklist can help. For a thorough evaluation, go through the entire checklist section by section, or, if you prefer, focus on the parts that seem most important to you. YoungStar is a program of the Department of Children and Families created to improve the quality of child care for Wisconsin children.
