Supply Chain Management (SCM) incorporates the approaches utilized to efficiently integrate suppliers, producers and distributors so that products and/or services are delivered at the right time, to the right place, in the right quantity, in the right quality, at the right cost, in a sustainable manner.

UW Oshkosh Supply Chain Facts
Our supply chain management degree caters to the diverse needs of manufacturing and service companies in Northeast Wisconsin by giving students end-to-end exposure to all aspects of the supply chain.

- **Return on Investment**: SCM graduates are among the highest paid graduates in the College of Business with many students receiving starting salaries exceeding $60,000.
- **Placement Rate**: Graduates have 100% job placement rate over the past 5 years.
- **Class Mode Flexibility**: We offer courses on-campus and online, enabling students to select the mode of instruction that fits their lifestyles.
- **Innovation**: The SCM department will be the first in the College of Business to experiment with a hybrid immersive virtual reality course.
- **Industry-Trained Faculty**: All SCM faculty have past industry experience working directly in supply chain management or operations roles and consulting.
- **Guest Speakers**: Each semester guest speakers educate students on the current supply chain applications and issues while connecting them to area employers.
- **Employment Flexibility**: Our students will never feel locked into a position. Graduates will have the flexibility in skills to thrive in many different employment capacities.

Supply Chain Management Club
Experiential learning is an important part of our Supply Chain Management program. Each month, the Supply Chain Management Club hosts a guest speaker or visits a local industry partner for a plant tour. Students can learn from our large network of global manufacturing companies and alumni that continue to recruit UWO’s students. Active club members are the most marketable as candidates for internships/co-ops and full-time positions.
