Econ 336 Comparative Economic Systems	(3) ___
Econ 340 Economics of Sports	(3) ___
Econ 360 Environmental Economics & Policy	(3) ___
Econ 368 Health Care Economics	(3) ___
Econ 386 Economics of Latin America	(3) ___
Econ 387 Economic and Social Development of Great Britain	(3) ___
Econ 388 Economics of European Integration & Growth	(3) ___
Econ 403 Public Sector Economics	(3) ___
Econ 405 Money & Banking	(3) ___
Econ 410 International Capital Markets	(3) ___
Econ 420 International Trade	(3) ___
Econ 431 Labor Economics	(3) ___
Econ 433 Managerial Economics	(3) ___
Econ 459 Behavioral Economics	(3) ___
Econ 460 Natural Resource Economics	(3) ___
Econ 466 Industrial Organization	(3) ___
Econ 471 Introduction to Mathematical Economics	(3) ___
Econ 472 Time Series Analysis & Forecasting	(3) ___
Econ 473 Econometric Methods	(3) ___
Econ 475 Predictive Analytics	(3) ___

Marquette University's Master of Science in Applied Economics (MSAE) fast-track:

Two of three Econ courses (403, 405 and 431) may be taken for credit towards completion of Marquette University's MSAE degree, allowing students to complete the program in as few as 12 months. Please see your faculty advisor for details and restrictions.

***REMINDER*:** All students MUST earn at least 35 upper level (300/400) credits in order to meet General Baccalaureate Degree Requirements.
