

**Accessed Documents, and
Related Policies & Procedures
(School Counseling)**

Locate, access, read, and familiarize yourself with the site-related documents in order to learn the related policies and procedures for your site(s). You may choose to collect these documents (or relevant sections) and create a reference binder for use at your internship site. For documents, policies and procedures not accessible please indicate "n/a." If there is no formal document, but there is a policy or procedure, have the appropriate individual(s) on-site review the policy or procedure with you and note it as "accessed."
