

LETTER OF PROGRAM MEMORANDUM FOR PE 192  
UNIVERSITY OF WISCONSIN OSHKOSH  
DEPARTMENT OF Human Kinetics and Health Education

This memorandum details the agreement between the University of Wisconsin Oshkosh Department of Human Kinetics and Health Education and sites where candidates are enrolled in the class PE 192.

The Department of Human Kinetics and Health Education will expect the following of the teacher candidate while at the site:

- Students will be able to understand how outdoor adventure education (OAE) and recreational activities fit into the preK-12 physical education curriculum.
- Students will understand and demonstrate pedagogical concepts in OAE.
- Students will demonstrate competence in multiple adventure, outdoor, and leisure activities.

The site will provide the following:

- An opportunity to teach students outdoor adventure education activities in the physical education or OAE setting.
- An opportunity to create a risk management plan and assist in an overnight trip.
