

LETTER OF PROGRAM MEMORANDUM FOR PE 421
UNIVERSITY OF WISCONSIN OSHKOSH
DEPARTMENT OF Human Kinetics and Health Education

This memorandum details the agreement between the University of Wisconsin Oshkosh Department of Human Kinetics and Health Education and sites where candidates are enrolled in the class PE 421.

The Department of Human Kinetics and Health Education will expect the following of the teacher candidate while at the site:

- An understanding of teaching and coaching principles for individuals with special needs.
- Creation of instructional programs that help educate students, athletes, parents, and the public about the role of health in athletics.
- Apply information concerning indicator, limitations, and needs of individuals with chronic and permanent physical disabilities.
- A demonstration of effective teaching behaviors.
- An opportunity to reflect on field experiences.

The site will provide the following:

- Access to students with chronic or permanent disabilities who need special physical education services.
- A trained specialist to offer feedback.
