

LETTER OF PROGRAM MEMORANDUM FOR PE 441  
UNIVERSITY OF WISCONSIN OSHKOSH  
DEPARTMENT OF Human Kinetics and Health Education

This memorandum details the agreement between the University of Wisconsin Oshkosh Department of Human Kinetics and Health Education and sites where candidates are enrolled in the class PE 441.

The Department of Human Kinetics and Health Education will expect the following of the teacher candidate while at the site:

- Observe, analyze, and assess students in a physical education setting.
- Practice physical education methodologies when teaching all students.
- Demonstrate effective teaching behaviors within the classroom.
- Reflect on field experiences.

The site will provide the following:

- An opportunity to observe, plan, and teach students in the physical education setting.
