UWO

UNIVERSITY OF WISCONSIN

OSHKOSH

Congratulations

The University of Wisconsin Oshkosh is proud of the accomplishments celebrated in today's commencement ceremonies. We recognize and applaud the determination of our graduates to complete their studies. We also recognize and appreciate the help families and friends have given to make this graduation possible. Your perseverance through a historic pandemic is remarkable.

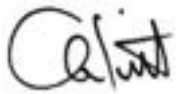

The completion of a program of study is significant. It commemorates a major milestone reached while signaling unlimited opportunities for the future. It is in this spirit of hope and optimism that today we congratulate those who have now completed their studies at UW Oshkosh.

Our newest graduates are an embodiment of a rich tradition of hands-on collaborative learning, academic excellence and personal growth that extends to the date the University was founded 150 years ago in 1871. It is this tradition that links our newest alumni with prior graduates, who are actively enriching the civic, business, charitable and political sectors of our global community.

As a regional center for the celebration and promotion of knowledge, culture and innovation, our University is an integral part of the broader community. With the fresh effort and focus of today's graduates who join us in this broader role, we envision even more opportunities that will connect our University with the region we so proudly serve.

It is my honor as the 11th chancellor of UW Oshkosh to extend this special recognition on behalf of the faculty, staff, students and alumni of the University.

Sincerely,

Andrew J. Leavitt, Ph.D.
he, him, his
Chancellor, University of Wisconsin Oshkosh

UNIVERSITY OF WISCONSIN OSHKOSH

The University of Wisconsin Oshkosh's rich 150-year story of excellence and opportunity has taken center stage in 2021 as the institution marks its sesquicentennial year.

Founded in 1871, the Oshkosh State Normal School became Wisconsin's foremost teacher-training institution. In later years, as the focus and curriculum expanded, the institution underwent several name changes. A graduate school was added in 1963. In its centennial year of 1971, President Roger Earl Guiles guided UW Oshkosh's merger into the University of Wisconsin system.

Today, with three Fox Valley campuses nestled in the cities of Fond du Lac, Menasha and Oshkosh,

UW Oshkosh prepares students for fulfilling lives and challenging careers with 70 undergraduate majors and 48 master's degree, certificate and doctoral programs spanning a wide array of disciplines.

Chancellor Andrew J. Leavitt leads this vibrant educational institution under a strategic plan with a focus on student success. The picturesque and environmentally conscious campuses are home to five colleges—Business, Education and Human Services, Honors, Letters and Science, and Nursing. UW Oshkosh's focus on teaching continues to shine in its distinction of having won 11 UW System Regents Teaching Awards of Excellence.

UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is governed by the Board of Regents, an 18-member board of which 16 are appointed by the governor. The board, in turn, appoints the system president and the chancellors of the 13 universities. The current interim system president is Tommy G. Thompson.

The board is currently comprised of Regent President Edmund Manydeeds III, Regent Vice President Karen Walsh, Robert Atwell, Scott Beightol, Amy Blumenfeld Bogost, Héctor Colón, Michael Grebe, Mike Jones, Tracey Klein, John Miller, Rodney Pasch (Ex-Officio Member), Andrew Petersen, Cris Peterson, Ashok Rai, Corey Saffold, Brianna Tucker, Jill Underly (Ex-Officio Member) and Kyle Weatherly.

YEARS

CEREMONIAL TRADITIONS

Academic Procession

This commencement ceremony marks a special occasion for students completing degree programs offered by UW Oshkosh. The Chancellor grants degrees by virtue of the powers vested by the UW System's Board of Regents. In addition, academic degrees may only be granted upon the recommendation of the University's faculty.

The academic procession is a featured part of the commencement program—a symbolic declaration that all members of the academic community are bound by common purpose and shared commitment to the ideals of higher education, including the search for meaning, truth and understanding.

Academic Attire

The colors and apparel worn in the processional are symbolic of the Middle Ages. Because universities developed from church schools, both faculty and students were regarded as part of the clergy and wore clerical clothing based on monastic dress.

The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap or tam with tassel.

The bachelor's gown, with its long, pointed sleeves, is worn closed. The master's gown has an oblong sleeve open at the wrist; the rear section is square cut. The doctoral gown often was furred, a decoration that survives today as the velvet on the front and sleeves. Graduate degree gowns may be worn open or closed.

The tassel colors seen in the processional correspond to the field of study: crimson, Bachelor of Liberal Studies and Bachelor of Applied Studies; drab (tan), Bachelor of Business Administration; light blue, Bachelor of Music Education, Bachelor of Science in Education and Bachelor of Science—Human Services; gold, Bachelor of Science; white, Bachelor of Arts; brown, Bachelor of Fine Arts; pink, Bachelor of Music; citron, Bachelor of Social Work; and apricot,

Bachelor of Science in Nursing. Master's and Associate of Arts and Science degree candidates wear black tassels.

The Hoods

The academic hood originally was worn over the head in bad weather. Now, it is added to the apparel of those with master's and doctoral degrees. The hood also denotes academic achievement beyond the associate and bachelor's degrees.

The master's and doctoral hoods display a gold and white chevron, denoting the University colors.

College of Business | Drab (tan):

Master of Business—Administration
Master of Science—Applied Biotechnology
Master of Science—Information Technology Management
Master of Science—Sustainable Management

College of Education and Human Services | Light blue:

Doctor of Education—Educational Leadership and Policy
Master of Science—Educational Leadership and Policy
Master of Science in Education—Literacy
Master of Science in Education—Professional Counseling
Master of Science in Education—Special Education
Master of Science in Education—Teaching and Learning
Master of Science—Human Services Leadership

College of Letters and Science | Citron (yellowish-green):

Master of Social Work

College of Letters and Science | Gold (yellow):

Master of Science—Athletic Training
Master of Science—Biology
Master of Science—Cybersecurity
Master of Science—Data Science
Master of Science—Mathematics Education
Master of Science—Psychology

College of Letters and Science | Peacock blue:

Master of Public Administration

College of Letters and Science | White:

Master of Arts—English

College of Nursing | Apricot:

Doctor of Nursing Practice
Master of Science in Nursing

Honor Cords

Students wearing gold-colored cords have earned the Latin honors:

- *** Summa cum laude (3.9 and higher GPA)
- ** Magna cum laude (3.75 GPA)
- * Cum laude (3.5 GPA)

Students wearing white-colored cords have earned academic distinction within their college or unit. Students wearing other cords, stoles or insignia wear them in recognition of scholarly achievement in a department, honor society, study-abroad program or in the tradition of an international student's native country.

Honors College

Students who successfully complete the Honors College curriculum along with their major requirements earn Honors College designations at either graduate or associate level, depending on their cumulative GPA:

- ◆◆ Honors College Graduates (3.5 to 4.0 GPA) receive Honors Medallions
- ◆ Honors College Associates (3.2 to 3.49 GPA) are awarded Certificates of Recognition

University Seal/Chancellor's Medallion

The University Seal/Chancellor's Medallion symbolizes UW Oshkosh's history and aspirations. At the center of the medal is a fountain of knowledge, divided in three to reflect the school's commitment to realizing the creative power of individuals, the value of learning as a humanizing force and our aspiration to excellence. The word "learning" is centered at the bottom, serving as the foundation of the University's mission. The stylized figure at the center forms the school's initials. The outward sweeping W reflects the Wisconsin Idea—education reaching to the state's boundaries. The date of the University's founding appears at the bottom, representing the importance of those who came before us.

MORNING
CEREMONY

Faculty Speaker

AMBER RAYGO

A native of Menominee, Michigan, Amber Raygo graduates with a bachelor's degree in public relations and certificates in marketing and digital marketing.

Raygo received the Chancellor's Award of Excellence in 2021 and UW Oshkosh Titan LeadHERship Award in 2020. Raygo was president of the National Society of Leadership and Success. During her time as president, she had the opportunity to speak to representatives from more than 700 colleges in a virtual event that took place in 2020.

Outside the classroom, Raygo has worked the past 10 months as EAA AirVenture

reservations manager for Residence Life Conference Services. From 2019 to 2021, she served as a manager for Gruenhagen Conference Center, where she was a first point of contact for guests and a host and facilitator for events and a conference planning assistant.

Raygo interned as a wedding and special event planner at the Paine Art and Gardens. After graduation, she plans to work full-time in a role she began in September as executive assistant to the chief executive officer/director of The Grand Oshkosh.

Raygo hopes to someday be director of a nonprofit organization.

KRISTI WILKUM

Kristi Wilkum is an associate professor in the communications studies department at UW Oshkosh, Fond du Lac campus. She earned her undergraduate and master's degrees at St. Cloud State University and UW-Milwaukee, respectively, and her doctorate from Purdue University.

Wilkum took the position on the Fond du Lac campus because she was impressed by the way faculty collaborate across disciplines, how students earned a UW degree that is "recognizable the world over" and how the cost of tuition makes the high-quality education accessible and affordable to everyone. Wilkum's

research interests include: understanding how people help each other in times of need and the integration of technology in high school and college classrooms. In 2020, Wilkum was awarded the Alliant Energy James R. Underkofler Excellence in Teaching Award.

Wilkum said she has stayed at UWO Fond du Lac because she has a front-row seat to individual stories of transformation.

AFTERNOON
CEREMONY

Student Speaker

PAMELA FLEMING

Pamela Fleming of South Milwaukee graduates with a bachelor of science degree in nursing. Fleming has been working at Ascension St. Elizabeth in Appleton for her final clinical placement attending to laboring mothers, assisting with infant care and assessments in the neonatal intensive care unit and nursery, as well as providing postpartum care.

Interested in science and the medical field at a young age, Fleming discovered her passion for nursing during her teen years when she cared for her mother during a serious illness.

At UW Oshkosh, she was awarded the Chancellor's Award of Excellence for involvement, leadership and strong academics; the Founders Award for positive representation of Greek Life; and Titan LeadHERship recognition

for leadership, women empowerment and her passion for inclusivity.

Fleming served as student coordinator for New Student and Family Programs, which plans Titan Takeoff and Titan Welcome events, as well as a peer mentor through the University Studies program where she mentored students during their first semester at UW Oshkosh. She is the outgoing president of Sigma Sigma Sigma sorority.

Following graduation, Fleming will move to Washington where she will work as a labor and delivery nurse at the University of Washington Medical Center in Seattle.

In the future, she hopes to earn a master's degree in nursing or public health, with a focus on reproductive health.

AFTERNOON
CEREMONY

Honorary Doctorate

GERALD WHITBURN

Gerald Whitburn '66, has led a remarkable life and career in scholarship, service and executive leadership that spans both the public and private sectors.

He is the retired chair and chief executive officer of Church Mutual Insurance Co., served as secretary of the Massachusetts Executive Office of Health and Human Services and held three senior positions in Wisconsin government: deputy secretary of administration (1987-1989), secretary of the Department of Industry, Labor and Human Relations (1989-1991) and secretary of the Department of Health and Social Services (1991-1995). He had two tours in Washington, D.C., where he spent three years on staff of the Secretary of the Navy at the Pentagon and six years working for U.S. Sen. Bob Kasten.

Whitburn was appointed to serve as a UW System Regent for nine years, earning

the Board of Regents' emeritus standing. In private sector governance roles he served as past chairman of the Property Casualty Insurers Association of America and was a member of the Board of Trustees of the American Institute for Charter Property Casualty Underwriters.

Whitburn and his wife Charmaine, who met as undergraduates at UW Oshkosh, reside in Wausau.

Whitburn's dedication to public service inspired him to partner with the University on development of the Whitburn Center for Governance and Policy Research at UW Oshkosh. The center, which launched this fall, seeks to reinvigorate Wisconsin's good government tradition by embodying Whitburn's public service ideals. The center is led by Michael Ford, professor in the master of public administration program, and part of the College of Letters and Science.
