THE CLASS OF 2022

SPRING COMMENCEMENT

MAY 14, 2022

UWO
UNIVERSITY OF WISCONSIN
OSHKOSH

Congratulations

The University of Wisconsin Oshkosh is proud of the accomplishments celebrated in today's commencement ceremonies. We recognize and applaud the determination of our graduates to complete their studies. We also recognize and appreciate the help families and friends have given to make this graduation possible. Your perseverance through a historic pandemic is remarkable.

The completion of a program of study is significant. It commemorates a major milestone reached while signaling unlimited opportunities for the future. It is in this spirit of hope and optimism that today we congratulate those who have now completed their studies at UW Oshkosh.

Our newest graduates are an embodiment of a rich tradition of hands-on collaborative learning, academic excellence and personal growth that extends to the date the University was founded in 1871. It is this tradition that links our newest alumni with prior graduates, who are actively enriching the civic, business, charitable and political sectors of our global community.

As a regional center for the celebration and promotion of knowledge, culture and innovation, our University is an integral part of the broader community. With the fresh effort and focus of today's graduates who join us in this broader role, we envision even more opportunities that will connect our University with the region we so proudly serve.

It is my honor as the 11th chancellor of UW Oshkosh to extend this special recognition on behalf of the faculty, staff, students and alumni of the University.

Sincerely,

Andrew J. Leavitt, Ph.D.
he, him, his
Chancellor, University of Wisconsin Oshkosh

UNIVERSITY OF WISCONSIN OSHKOSH

Founded in 1871, the Oshkosh State Normal School became Wisconsin's foremost teacher-training institution. In later years, as the focus and curriculum expanded, the institution underwent several name changes. A graduate school was added in 1963. In its centennial year of 1971, President Roger Earl Guiles guided UW Oshkosh's merger into the Wisconsin system.

The University of Wisconsin Oshkosh's rich 150-year story of excellence and opportunity took center stage in 2021 as the institution marked its sesquicentennial year.

Today, with three Fox Valley campuses nestled in the cities of Fond du Lac, Menasha and Oshkosh, UW Oshkosh prepares students for fulfilling lives and challenging careers with 70 undergraduate majors and 48 master's degree, certificate and doctoral programs spanning a wide array of disciplines.

Chancellor Andrew J. Leavitt leads this vibrant educational institution under a strategic plan with a focus on student success. The picturesque and environmentally conscious campuses are home to five colleges — Business, Education and Human Services, Honors, Letters and Science, and Nursing. UW Oshkosh's focus on teaching continues to shine in its distinction of having won 11 UW System Regents Teaching Awards of Excellence.

UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is governed by the Board of Regents, an 18-member board of which 16 are appointed by the governor. The board, in turn, appoints the system president and the chancellors of the 13 universities. The current interim system president is Michael Falbo

The board is currently comprised of Regent President Edmund Manydeeds III, Regent Vice President Karen Walsh, Robert Atwell, Scott Beightol, Amy Blumenfeld Bogost, Héctor Colón, Michael Grebe, Mike Jones, Tracey Klein, John Miller, Rodney Pasch (Ex-Officio Member), Andrew Petersen, Cris Peterson, Ashok Rai, Corey Saffold, Brianna Tucker, Jill Underly (Ex-Officio Member) and Kyle Weatherly.

CEREMONIAL TRADITIONS

Academic Procession
This commencement ceremony marks a special occasion for students completing degree programs offered by UW Oshkosh. The Chancellor grants degrees by virtue of the powers vested by the UW System's Board of Regents. In addition, academic degrees may only be granted upon the recommendation of the University's faculty.

The academic procession is a featured part of the commencement program—a symbolic declaration that all members of the academic community are bound by common purpose and shared commitment to the ideals of higher education, including the search for meaning, truth and understanding.

Academic Attire
The colors and apparel worn in the processional are symbolic of the Middle Ages. Because universities developed from church schools, both faculty and students were regarded as part of the clergy and wore clerical clothing based on monastic dress.

The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap or tam with tassel.

The bachelor's gown, with its long, pointed sleeves, is worn closed. The master's gown has an oblong sleeve open at the wrist; the rear section is square cut. The doctoral gown often was furred, a decoration that survives today as the velvet on the front and sleeves. Graduate degree gowns may be worn open or closed.

The tassel colors seen in the processional correspond to the field of study: crimson, Bachelor of Liberal Studies and Bachelor of Applied Studies; drab (tan), Bachelor of Business Administration; light blue, Bachelor of Music Education, Bachelor of Science in Education and Bachelor of Science–Human Services; gold, Bachelor of Science; white, Bachelor of Arts; brown, Bachelor of Fine Arts; pink, Bachelor of Music; citron, Bachelor of Social Work; and apricot, Bachelor of Science in Nursing. Master's and Associate of Arts and Science degree candidates wear black tassels.

The Hoods
The academic hood originally was worn over the head in bad weather. Now, it is added to the apparel of those with master's and doctoral degrees. The hood also denotes academic achievement beyond the associates and bachelor's degrees.

The master's and doctoral hoods display a gold and white chevron, denoting the University colors.

Honor Cords
Students wearing gold-colored cords have earned the Latin honors:

*** Summa cum laude (3.9 and higher GPA)
** Magna cum laude (3.75 GPA)
* Cum laude (3.5 GPA)

Students wearing white-colored cords have earned academic distinction within their college or unit. Students wearing other cords, stoles or insignia wear them in recognition of scholarly achievement in a department, honor society, study-abroad program or in the tradition of an international student's native country.

Honors College
Students who successfully complete the Honors College curriculum along with their major requirements earn Honors College designations at either graduate or associate level, depending on their cumulative GPA:

♦♦ Honors College Graduates (3.5 to 4.0 GPA) receive Honors Medallions
♦ Honors College Associates (3.2 to 3.49 GPA) are awarded Certificates of Recognition

University Seal/Chancellor's Medallion
The University Seal/Chancellor's Medallion symbolizes UW Oshkosh's history and aspirations. At the center of the medal is a fountain of knowledge, divided in three to reflect the school's commitment to realizing the creative power of individuals, the value of learning as a humanizing force and our aspiration to excellence. The word "learning" is centered at the bottom, serving as the foundation of the University's mission. The stylized figure at the center forms the school's initials. The outward sweeping W reflects the Wisconsin Idea—education reaching to the state's boundaries. The date of the University's founding appears at the bottom, representing the importance of those who came before us.

MORNING CEREMONY

Student Speaker

DARINKA LECHUGA

Darinka Lechuga of Milwaukee is a first-generation college student of immigrant parents who graduates with bachelor's degrees in both social work and Spanish. She also earned a global scholar certificate. On campus Lechuga worked in the Women's Center, Dean of Students Office and Accessibility Center and served on the executive board of the United Students in Residence Halls. In December 2021, Lechuga was bestowed an I-RISE Award, which recognizes students' resiliency in the face of adversity while they continue to advocate for equity, diversity and inclusion. After graduation, Lechuga hopes to work in higher education helping multicultural students find success.

Faculty Speaker

KIMBERLY RIVERS

Director of University Studies Program

Kimberly Rivers, director of the University Studies Program, was appointed interim dean of the College of Letters and Science (COLS) in August 2020 while UW Oshkosh grappled with the pandemic. She joined the history department in 1995 and was promoted to professor in 2010. Rivers previously served as an associate dean in the COLS and two terms as history department chair.

Rivers earned a doctorate in medieval studies from the University of Toronto. Her research interests include late-medieval intellectual history, and memory and mnemonics in late-medieval preaching and religious devotion. She is the author of several essays and articles on those topics, and a book titled *Preaching the Memory of Virtue and Vice: Memory, Images, and Mendicant Preaching in the Late Middle Ages* (Brepols Press, 2010). She received a UWO Distinguished Teaching Award in 2006 and a decade later was named a John McNaughton Rosebush Professor for excellence in teaching, professional achievement and public service.

Speakers

AFTERNOON CEREMONY

Student Speaker

JONATHON TOLBERT

Jonathon Tolbert of Stevens Point graduates with a bachelor's degree in information systems with a cybersecurity emphasis. Outside the classroom, Tolbert has worked for Kimberly-Clark Corp. as a digital transformation services intern and within the logistics co-op. Tolbert helped found the UW Oshkosh Cyber Security student organization and served as the president of the University Speaker Series, where he found and booked campus guest speakers. After graduation, Tolbert will start his position as a client systems engineer at Epic Systems in Verona.

Faculty Speaker

MICHAEL BEETH

Professor and Graduate Program Coordinator, Teaching and Learning

Michael Beeth is a professor in the teaching and learning department. His scholarship includes an array of published works, including manuscripts, scholarly papers, books and chapters, and he has been a principal or co-principal investigator on grants totally nearly $4 million. Beeth served as associate dean in the College of Education and Human Services and has been a member of the dean's staff and the dean's administrative council. He has represented UW Oshkosh on UW System's All Learning Counts Committee, investigating ways non-traditional students might receive credit for prior learning. Beeth's greatest accomplishments have been in building partnerships between the University and other institutions—he has been instrumental in directing and sustaining the Alternative Careers in Teaching partnership, and he guided the development of a new education partnership between UWO and Fox Valley Technical College.
