**MIDYEAR  
COMMENCEMENT  
DEC. 16, 2023**

# Congratulations

The University of Wisconsin Oshkosh is proud of the accomplishments celebrated in today's commencement ceremony. We recognize and applaud the determination of our graduates to complete their studies. We also recognize and appreciate the help families and friends have given to make this graduation possible.

The completion of a program of study is significant. It commemorates a major milestone reached while signaling unlimited opportunities for the future. It is in this spirit of hope and optimism that today we congratulate those who have now completed their studies at UW Oshkosh.

Our newest graduates are an embodiment of a rich tradition of hands-on collaborative learning, academic excellence and personal growth that extends to the date the University was founded in 1871. It is this tradition that links our newest alumni with prior graduates, who are actively enriching the civic, business, charitable and political sectors of our global community.

As a regional center for the celebration and promotion of knowledge, culture and innovation, our University is an integral part of the broader community. With the fresh effort and focus of today's graduates who join us in this broader role, we envision even more opportunities that will connect our University with the region we so proudly serve.

It is my honor as the 11th chancellor of UW Oshkosh to extend this special recognition on behalf of the faculty, staff, students and alumni of the University.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Leavitt". The signature is written in a cursive, flowing style.

Andrew J. Leavitt, Ph.D.  
Chancellor, University of Wisconsin Oshkosh

## UNIVERSITY OF WISCONSIN OSHKOSH

Founded in 1871, the Oshkosh State Normal School became Wisconsin's foremost teacher-training institution. In later years, as the focus and curriculum expanded, the institution underwent several name changes. A graduate school was added in 1963. In its centennial year of 1971, President Roger Earl Guiles guided UW Oshkosh's merger into the Wisconsin system.

Today, with three Fox Valley campuses nestled in the cities of Fond du Lac, Menasha and Oshkosh, UW Oshkosh prepares students for fulfilling lives and challenging careers with 77 undergraduate majors and 48 master's degree, certificate and doctoral programs spanning a wide array of disciplines.

Chancellor Andrew J. Leavitt leads this vibrant educational institution under a strategic plan with a focus on student success. The picturesque and environmentally conscious campuses are home to five colleges — Business, Education and Human Services, Honors, Letters and Science, and Nursing. UW Oshkosh's focus on teaching continues to shine in its distinction of having won 11 UW System Regents Teaching Awards of Excellence.

## UNIVERSITIES OF WISCONSIN

Universities of Wisconsin is governed by the Board of Regents, an 18-member board of which 16 are appointed by the governor. The board, in turn, appoints the system president and the chancellors of the 13 universities. The current system president is Jay O. Rothman.

The board is currently comprised of Regent President Karen Walsh, Regent Vice President Amy Blumenfeld Bogost, Angela Adams, Robert Atwell, Evan Brenkus, Héctor Colón, Mike Jones, Jim Kreuser, Edmund Manydeeds III, John Miller, Cris Peterson, Joan Prince, Ashok Rai, Jennifer Staton, Mark Tyler (ex-officio member), Jill Underly (ex-officio member), Dana Wachs and Kyle Weatherly.

A photograph of the University of Wisconsin Oshkosh campus. In the foreground, there is a large, light-colored stone sign with the text "UNIVERSITY OF WISCONSIN OSHKOSH" in a serif font. The sign is supported by two small, dark, rectangular pedestals. Behind the sign, there is a well-maintained lawn with several large, mature trees and some smaller shrubs. In the background, a multi-story brick building with a prominent glass facade is visible. The sky is blue with scattered white clouds. A large, bright yellow diagonal graphic element is present in the top-left corner of the image.

# CEREMONIAL TRADITIONS

## Academic Procession

This commencement ceremony marks a special occasion for students completing degree programs offered by UW Oshkosh. The Chancellor grants degrees by virtue of the powers vested by Universities of Wisconsin Board of Regents. In addition, academic degrees may only be granted upon the recommendation of the University's faculty.

The academic procession is a featured part of the commencement program—a symbolic declaration that all members of the academic community are bound by common purpose and shared commitment to the ideals of higher education, including the search for meaning, truth and understanding.

## Academic Attire

The colors and apparel worn in the processional are symbolic of the Middle Ages. Because universities developed from church schools, both faculty and students were regarded as part of the clergy and wore clerical clothing based on monastic dress.

The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap or tam with tassel.

The bachelor's gown, with its long, pointed sleeves, is worn closed. The master's gown has an oblong sleeve open at the wrist; the rear section is square cut. The doctoral gown often was furred, a decoration that survives today as the velvet on the front and sleeves. Graduate degree gowns may be worn open or closed.

The tassel colors seen in the processional correspond to the field of study: crimson, Bachelor of Liberal Studies and Bachelor of Applied Studies; drab (tan), Bachelor of Business Administration; light blue, Bachelor of Music Education, Bachelor of Science in Education and Bachelor of Science–Human Services; gold, Bachelor of Science; white, Bachelor of Arts; brown, Bachelor of Fine Arts; pink, Bachelor

of Music; citron, Bachelor of Social Work; and apricot, Bachelor of Science in Nursing. Master's and Associate of Arts and Science degree candidates wear black tassels.

## The Hoods

The academic hood originally was worn over the head in bad weather. Now, it is added to the apparel of those with master's and doctoral degrees. The hood also denotes academic achievement beyond associate and bachelor's degrees.

The master's and doctoral hoods display a gold and white chevron, denoting the University colors.

**Honor Cords**

Students wearing gold-colored cords have earned the Latin honors:

\*\*\* Summa cum laude (3.9 and higher GPA)

\*\* Magna cum laude (3.75 GPA)

\* Cum laude (3.5 GPA)

Students wearing white-colored cords have earned academic distinction within their college or unit. Students wearing other cords, stoles or insignia wear them in recognition of scholarly achievement in a department, honor society, study-abroad program or in the tradition of an international student's native country.

**Honors College**

Students who successfully complete the Honors curriculum along with their major requirements earn Honors College designations at either graduate or associate level, depending on their cumulative GPA:

- ◆◆ Honors College Graduates (3.5 to 4.0 GPA) receive Honors Medallions
- ◆ Honors College Associates (3.2 to 3.49 GPA) are awarded Certificates of Recognition

**University Seal/Chancellor's Medallion**

The University Seal/Chancellor's Medallion symbolizes UW Oshkosh's history and aspirations. At the center of the medal is a fountain of knowledge, divided in three to reflect the school's commitment to realizing the creative power of individuals, the value of learning as a humanizing force and our aspiration to excellence. The word "learning" is centered at the bottom, serving as the foundation of the University's mission. The stylized figure at the center forms the school's initials. The outward sweeping W reflects the Wisconsin Idea—education reaching to the state's boundaries. The date of the University's founding appears at the bottom, representing the importance of those who came before us.
