Graduate Program

Sample RN to BSN to MSN – Clinical Nurse Leader Emphasis  
Plan of Study

Students' individual course progression may vary depending on previously completed coursework or other special circumstances. Students work closely with BSN@Home and graduate program advisors throughout the program to ensure smooth progression toward both BSN and MSN degrees.

All students begin with BSN@Home coursework; some graduate coursework can be completed at this time as well. Graduate-level courses completed at this time count toward both BSN and MSN degrees.
