## Unmanned Aircraft Systems (UAS) - Drones LIABILITY WAIVER

### Hold Harmless, Indemnify and Release:

In consideration of UW Oshkosh permission for me to operate/fly an Unmanned Aircraft System (UAS), on University lands/property or in University buildings for recreational or commercial use, or University sponsored use of a privately owned UAS, I, for myself, my heirs, personal representatives or designees, today and on all future dates, agree to defend, hold harmless, indemnify and release the Board of Regents of the University of Wisconsin System and the University of Wisconsin Oshkosh (UWO), and their officers, employees, agents, and volunteers, from and against any and all claims, losses, costs, damage, expenses, demands, actions, or causes of action of any sort on account of damage to personal property, or personal injury, or death occurring in connection with or in any way incidental to or arising out of my use and operation of an UAS. This release includes claims based on the negligence of UWO, and their officers, employees, agents, and volunteers, but expressly does not include claims based on their intentional misconduct or gross negligence.

I understand that by agreeing to this waiver, I am releasing claims and giving up substantial rights, including my right to sue.

I certify that I have provided the following:

- Part 107 Remote Pilot Certificate (required regardless of flight purpose)
- General Liability Insurance showing minimum limits of \$2,000,000 for liability protection
