

Electrical Engineering Technology
typical four-year plan for “calculus-ready” first-year student
“odd fall” start
68-70 program credits (120 overall credits minimum)

Important Note: Not every course will necessarily be offered as shown below – upper level courses are usually offered on an alternate year schedule. This is an **example only**. You **must** stay in contact with Engineering Technology advisors about current and upcoming courses for planning purposes.

Semester 1 – Fall 2017, 2019, 2021		Semester 2 – Spring 2018, 2020, 2022
