

**An Articulation Agreement Between:
University of Wisconsin (UW) Oshkosh
Western Technical College (WTC)**

WTCS Degree Type and Program: A.A.S. in Electronic Engineering Technology
UW Degree Type and Major: B.S. with a major in Electrical Engineering Technology

Effective Date: July 1, 2019 **Next Review Date:** May 1, 2021

New Agreement Revised Agreement – original agreement signed 31 January 2018

Agreement Description and Rationale:

This articulation agreement is being established in order to expand educational opportunities for students enrolled in engineering technology programs in Wisconsin. Students enrolling at any higher educational institution in Wisconsin will be able to start their degree at any campus and finish a bachelor's degree in engineering technology at UW Oshkosh. The B.S. degree with a major in Electrical Engineering Technology will be conferred by UW Oshkosh after the successful completion of the specified UW Oshkosh courses in residence at UW Oshkosh in addition to the UW Oshkosh courses transferred from a partnered institution. This will allow for current associate degree holders, new students, and returning students to maximize their educational experiences and decrease redundancy in courses taken and reducing time to degree.

An articulation agreement between the A.A.S. degree in Electronic Engineering Technology offered at WTC and the B.S. degree in Electrical Engineering Technology at UW Oshkosh is justified by the close alignment of the curriculums, which leads to efficient transfer of credits and a natural extension of student learning in the transition from a two-year to a four-year degree program.

This articulation agreement is entered into with the understanding that both parties shall remain properly accredited with their respective accrediting bodies, to wit:

- UW Oshkosh: The Higher Learning Commission
- Western Technical College: The Higher Learning Commission

Here follows the curriculum agreed upon in this Articulation between UW Oshkosh and Western Technical College:

Admission Requirements/Conditions Specific to this Agreement:

Admission requirements are identical to those required for general admission to UW Oshkosh.

Articulation Transfer Agreement Terms:

The terms of this agreement apply to Western Technical College students who successfully complete the A.A.S. degree in Electronic Engineering Technology; meet the admission requirements set forth below for UW Oshkosh; and enroll in the B.S. degree with a major in Electrical Engineering Technology. The terms of this agreement apply only to the B.S. degree with a major in Electrical Engineering Technology — students who change majors will have their transfer credits reevaluated as prescribed by their new major.

A transfer course/credit articulation table illustrating the list of courses the student must complete to earn the B.S. degree with a major in Electrical Engineering Technology at UW Oshkosh; course/credit requirements fulfilled at Western Technical College; and courses the student must take at UW Oshkosh may be found in Appendix A.

Students must meet the following requirements to confer the B.S. degree with a major in Electrical Engineering Technology at UW Oshkosh:

- The minimum number of credits to earn the B.S. degree from UW Oshkosh is 120.
- A minimum cumulative GPA of 2.0.
- Upper level course work: A minimum of 35 credits must be completed at 300-level or above.

				EGRT 350	Data Comm & Protocols (3 cr)		3
				EGRT 360	Project Management (3 cr)		3
663 170	Electronics Project		3	EGRT 390	Mechatronics (4 cr)		0
	Refer to Note 2			EGRT 400	Internship (1-3 cr) or		1
				EGRT 410	Capstone Project (3 cr)		
<i>Advanced Elective (3 cr required)</i>							
				EGR 282	Engineering Economics (3 cr)		
				EGRT 348	E-Fields & Applications (3 cr)		
				EGRT 352	Communication Systems (3 cr)		
				EGRT 365	Special Topics (3 cr)		
<i>Other WTC Program Courses</i>							
662 140	Data Comm & Network		3	EGRT 1	Elective – Refer to Note 3		
662 137	Digital Electronics		4	EGRT 1	Elective – Refer to Note 3		
662 138	Comm Systems		3	EGRT 1	Elective – Refer to Note 3		
662 153	Intro to LabVIEW		2	EGRT 1	Elective – Refer to Note 3		
662 157	Integrated Circuit Apps		3	EGRT 1	Elective – Refer to Note 3		
804 113	College Tech Math 1A	Math	0		No degree or transfer credit		
804 114	College Tech Math 1B	Math	0		No degree or transfer credit		
804 116	College Tech Math 2	Math	0		No degree or transfer credit		
Major Program Transfer Credits			42	Major Program Minimum – 70 credits			33
Total Transfer Credits			54	Minimum Additional Credits to B.S. Degree (to satisfy gen ed, major & 120 credit minimum)			66

Notes:

1. Transfer students with an Associate of Applied Science degree in Electronic Engineering Technology are not required to complete the EGRT 101 Fundamentals of Engineering Technology course for the Bachelor of Science in Electrical Engineering Technology degree. Total UW Oshkosh program and degree credit requirements must still be satisfied.
2. A UW Oshkosh faculty member will serve as the advisor for the Internship or Capstone Project requirement.
3. Elective credits may be used to satisfy total credit requirements for the Electrical Engineering Technology major (70 credits minimum) and the B.S. degree (120 credits minimum).
