VI. Discussion

- A. This gives USP no chance to review and a new process to consider was discussed.
- B. A formal request for a better ePortfolio product – A crafted statement will be drafted for consideration of how to inform campus of the changes made to the ePortfolio requirement.
- C. Sustainability pre-test results – Data was shared for review
- D. Preliminary discussion of Quest II revisions – Suggestions of how the First Year Experience elements could be incorporated were shared along with some rationale of the draft proposal to revise Quest II.

VII. Announcements

- A. Committee members were reminded of the upcoming Human of Oshkosh event that will be hosted on campus.
- B. Reminder also for the upcoming Veterans Run on the 22nd
- C. Program Level Assessment will be featured by the Higher Learning Commission

Meeting adjourned at 2:32 pm.
