

Satisfactory Academic Progress Appeal for Financial Aid

In accordance with federal Satisfactory Academic Progress regulations, the UW Oshkosh Financial Aid office has established guidelines for evaluating your academic progress. The Satisfactory Academic Progress (SAP) standards are different than the academic standards of the University or department(s). Details regarding SAP eligibility standards can be found at: <https://uwosh.edu/financialaid/process/sap/>

Step 1

Complete the SAP appeal form and attach documentation supporting your SAP appeal. (If you are on Warning you do not need to appeal)

Step 2

Return the completed form to the address above NO LATER THAN SIX WEEKS after your SAP was evaluated.

Step 3

Determine if you will need an academic plan

If you will not meet SAP within one semester, you **MUST** submit an academic plan. A strong plan is completed with the help of an academic or faculty advisor and should indicate enrollment now through the time you will meet SAP or graduate. Once you complete a first bachelor's degree, you are allowed an increased limit to attain a subsequent bachelor's degree (completing a second major within the same baccalaureate degree is NOT the same as completing a second degree). Please print the Success Plan for Student Appeal at <https://uwosh.edu/financialaid/forms-and-applications/>.
