

GROWING WRITERS, READERS & LEADERS

New Teacher NETWORK UW Oshkosh

What Can I Expect?

- an uplifting collaborative community of teachers with under five years of teaching experience
- support for literacy goals, SLO's, and PPG's
- time to learn from the community, focusing on the issues important to you
- access to instructional coaches, literacy leaders, and FVWP teacher leaders

We Will Focus On:

- using writing to learn content
- formatively assessing learning through writing
- collaborating with others to create more effective writing instruction

Meetings on three
weekday evenings between
January 1 and May 15

**Any and all content teachers
are invited to join!**

Register by Nov. 28,
2017
\$275/teacher

The FVWP (an affiliate of the National Writing Project) empowers educators to grow readers, writers, and thinkers. FVWP has a 30+ year record of providing effective professional learning for teachers.
