

SPANISH LANGUAGE CERTIFICATE

MAKE YOUR PAST EXPERIENCE COUNT

Students who took second languages courses in high school may receive retroactive credits accelerating the path towards degree completion. Adding a global language certificate allows students to:

- take your speaking and writing skills in Spanish to the next level.
- increase your knowledge of the Spanish-speaking world using Spanish.
- earn a credential in Spanish that appears on your transcript.
- stand apart on the job market by demonstrating achievement in Spanish.

Take the [Wisconsin placement test](#) in Spanish to see if you are eligible for retro credits—you may be able to complete the certificate more quickly. Contact the [Global Languages and Cultures Department](#) (Clow Faculty 317) with questions or declare the certificate in [Undergraduate Advising Resource Center](#) (Student Success Center 202).
