We are glad you chose to pursue your graduate studies at the University of Wisconsin Oshkosh! We are proud to welcome you into a university community that supports your pursuit of academic excellence, professional growth and personal well-being. Our graduate programs are designed to provide you with academic challenges along with the individualized attention and supportive environment to help you meet those challenges.

Here at UWO, we want you to succeed, grow and thrive. Thus, we are striving constantly to evolve and innovate as we create educational experiences to meet both the needs of the 21st century as well as your own. In turn, we are committed to creating a diverse community of learners. We also know that your success depends on more than academics alone, so we developed the Graduate UWO Guide to provide you with the information and resources that will help you to achieve success in a well-rounded way.

This publication is for all new graduate students. There are four sections in the UWO Guide: Learning at UWO, Life at UWO, Making Your Home at UWO and Things to Know at UWO. It includes some of the departments and services–and people, places and things–that will be useful in your university journey.

As you prepare for studies in your program, we encourage you to become familiar with the information and resources offered in this guide. It reflects the University’s commitment to serving the whole student, supporting your success and creating an inclusive, safe and respectful environment for everyone. UW Oshkosh graduate programs make this commitment a reality through offering exciting opportunities to apply new knowledge, grow leadership skills, become global citizens and contribute to local communities.

Again, we welcome you at the start of your incredible journey, and we will be here for you every step of the way.

</tr>
</tbody>
</table>
STEPS TOWARD GRADUATION

At UW Oshkosh, you will be supported from the moment you inquire about your graduate program to the day you graduate. The following topics outline several important milestones that your academic journey may include.

ADMISSION TO CANDIDACY OR VERIFICATION OF PLAN OF STUDY

After completing a minimum of nine credits and establishing a plan of study for your graduate degree, certificate or Graduate Achievement Program (GAP), you must finalize your plan of study with your program coordinator and the Graduate Studies Office. For degree-seeking students, this process is called an Admission to Candidacy. For certificate and GAP-seeking students, it’s called a GAP/Verification of Plan of Study.

To achieve this milestone, you must submit a form listing all of the coursework you have taken or will take to complete your degree, certificate or GAP. In certain programs, such as Master of Business Administration or nursing, the form is submitted on your behalf. In most programs, students must complete their own form and submit it to their program coordinator for approval.

Learn more › uwo.sh/grad-candidacy

SEMESTER/TERM WITHDRAWAL

At some point in your graduate studies, you may experience challenges and find that you need to withdraw from all courses in a semester/term. Before initiating the withdrawal process, talk with your program adviser for support and advice about any impacts the withdrawal might have, such as time to degree completion and financial aid implications. Your adviser also will need to approve your withdrawal request. Once you have approval and want to initiate the process, go to uwo.sh/withdraw to begin. You also can find information on how much your refund will be, the impact on your financial aid, the deadline for withdrawing from classes and the details/documentation needed to request a late withdrawal.

Learn more › uwo.sh/withdraw

THESIS AND DISSERTATIONS

Some graduate programs require the completion of a thesis or dissertation to graduate. Proposing and writing a manuscript is an exciting time in which you can delve deeper into a specific interest and grow your skills at research, writing and analysis.

In order to begin your thesis or dissertation, you must be in full academic standing and have completed your admission to candidacy. Steps to complete your thesis or dissertation are:

1) Select your committee chair/adviser and committee chair members;
2) Prepare a short proposal for approval by the committee; and
3) Complete the research proposal form found on the graduate studies website. Your proposal form must be signed by your program coordinator, chair/adviser and committee members before it is submitted via email to gradschool@uwosh.edu.

Once your manuscript is complete, you and your chair/adviser will schedule a defense. Your defense is an open, public, oral presentation and culminating experience to share your research findings. Once your committee passes your defense, you can submit your work to the Graduate Studies Office. You will then have the opportunity to publicize your work online with Minds@UW, where your research is available to an international audience. You also may order bound copies of your manuscript for yourself, family members, mentors or friends.

Learn more › uwo.sh/manuscript-prep
DEGREE TIME LIMITS

All academic requirements for your graduate degree (including work transferred) must be completed within a seven-year time period. Nursing degrees have a five-year time period, psychology degrees have a four-year time period and GAPs/certificates have a four-year period. This time period begins with the start date of the first term in which course(s) were taken for your degree/GAP/certificate. Transfer credits are included in the time period calculation. If you experience extenuating circumstances in completing your degree, you can apply for an extension. Your program coordinator/adviser can provide important support as you determine whether an extension is needed.

APPLYING FOR GRADUATION

After finishing all classes and requirements for your program, you must apply to be conferred a degree or certificate. To be eligible to apply for graduation, you must have completed the Admission to Candidacy or Verification of Program Study step at some point in your program. If you are in a degree program, you will apply to graduate. If you are in a certificate or GAP program, you will apply to complete it. You can apply for graduation on TitanWeb via the self-service section of your student center.

Learn more → uwosh.edu/apply-for-grad

COMMENCEMENT

Master’s and doctoral students can celebrate their graduation at one of UW Oshkosh’s two commencement ceremonies, one at the end of spring semester and the other at the end of fall semester. If you complete your graduate program at the end of the summer term, you can choose to attend either spring or fall commencement. Talk to your graduate adviser to learn when to apply for graduation as a summer-term graduate.

Your diploma and official transcript voucher are mailed out four to six weeks after your official graduation date. The official conferral of your degree/GAP/certificate appears on your transcript approximately seven weeks after the end of the semester.
ACADEMIC ADVISING

Meeting with an academic adviser early and often throughout your graduate school journey is a crucial part of achieving success in your program. Your academic adviser can provide guidance on the steps and courses needed to earn your degree in an efficient and effective manner. They also can play an important role in helping you make choices that support your interests, goals, and degree and graduation requirements.

If you experience any challenges that might impact your degree progression, your academic adviser can lend support and provide insight on how to best approach the challenge and continue moving toward completing your degree.

For most graduate programs at UWO, the program coordinator also serves as the academic adviser for students in the program. For certain programs with theses or dissertation requirements, once you choose your thesis/dissertation adviser, that person also may serve as your academic adviser. Because each graduate program is different, you should consult with your program to learn who serves as your academic adviser.

Visit uwosh.edu/grad-program-coordinators to learn who serves as the program coordinator for your degree.

GRADUATE ASSISTANTSHIPS

If you would like to earn income while enhancing what you learn in the classroom, then consider applying for a Graduate Assistant (GA) position.

GAs work closely with faculty and other university professionals in their academic field or related areas.

Responsibilities vary by program and may include assisting faculty with research; tutoring; preparing laboratory experiments and assisting students during labs; assisting faculty with in-class simulations or discussions; or working with clinical programs. GAs work in many roles on campus but are not hired as teaching assistants.

GAs may work up to 20 hours per week, September through May. Assistants who work at least 13.5 hours per week qualify for in-state tuition and are eligible for insurance benefits through the University.

Any full-time graduate student in good academic standing can apply to be a GA; financial need is not a consideration during the hiring process. Applications are accepted year-round, and most hiring occurs between April and August.

For more information and to apply, go to uwosh.edu/grad-assistant.
ACADEMIC AREAS

COLLEGE OF BUSINESS
Engagement, innovation, personal and professional development, and continuous improvement define the College of Business. UWO is the only business school in northeastern Wisconsin nationally accredited by the Association to Advance Collegiate Schools of Business (AACSB). With nine undergraduate majors covering every key business function, three MBA delivery options, a Data Analytics Certificate, and four collaborative master’s programs (business administration, sustainability management, information technology and biotechnology), the College of Business provides students with a wealth of transformative educational opportunities.

Learn more  uwosh.edu/cob

COLLEGE OF EDUCATION AND HUMAN SERVICES
The College of Education and Human Services is long-recognized as a leader in education. The college prides itself in producing some of the best teachers in the state, boasting more than 200 alumni as Herb Kohl Teacher of the Year Award recipients. Quality courses and hands-on experience play an integral role in preparing students to become leading educators, human service professionals and counselors. The college offers six undergraduate majors, a variety of master’s degrees and licensure programs and one doctoral program.

Learn more  uwosh.edu/coehs

COLLEGE OF LETTERS AND SCIENCE
The College of Letters and Science is the largest and most varied college at UW Oshkosh with more than 40 undergraduate majors, a growing list of master's programs, and hundreds of faculty and staff members across three campuses. Academic degrees span the sciences, arts, humanities and social sciences.

Together, academic departments and faculty members have won more Board of Regents Teaching Excellence Awards than any other university in the UW System.

Learn more  uwosh.edu/cols/graduate-programs

COLLEGE OF NURSING
The College of Nursing provides undergraduate, graduate and doctorate nursing students with the expert knowledge, clinical practice skills and critical-thinking ability necessary for success in today’s healthcare industry. As the largest major on campus, the college is fully accredited by the Commission on Collegiate Nursing Education (CCNE) at both the undergraduate and graduate levels, ensuring students receive top-quality training and education. The Doctor of Nursing Practice–Nurse Anesthesia Emphasis is also accredited by the Council on Accreditation of Nurse Anesthesia Educational Programs. UWO nursing graduates consistently exceed the national pass rate for the National Licensure Examination for Registered Nurses (NCLEX-RN), a testament to the college’s excellence.

Learn more  uwosh.edu/con

ONLINE AND CONTINUING EDUCATION
The Division of Online and Continuing Education (OCE) offers quality, affordable and flexible online degrees and certificates to students who have differing needs than their peers in a traditional college setting. Accelerated, seven-week courses are taught 100% online by instructors who are experts in their fields. With no structured class times, students have the ability to set their own schedule around work and other life commitments.

Learn more  uwosh.edu/online
ACADEMIC SUPPORT OF INCLUSIVE EXCELLENCE RESOURCE CENTERS

The Division of Academic Support of Inclusive Excellence offers an array of cultural, educational and social programs and activities, with specialized services to enhance students’ academic and personal development. We offer academic support; multicultural advising and guidance; educational forums, seminars and workshops; mentoring; and referrals to other resources both on and off campus.

We are committed to helping students achieve their fullest potential and prepare them for global leadership through an engaging co-curricular experience that embraces, affirms and transforms every student with respect for their varied backgrounds.

INTERCULTURAL ENGAGEMENT

Intercultural Engagement is composed of two programs. Latinos Unidos Navigating Academics (LUNA) promotes the academic and professional development of Latino/a/Hispanic students (including undocumented students), and Titan Men of Diversity (TMOD) supports male students in their journey to become servant leaders, role models in their community and brothers to one another. Intercultural Engagement collaborates with a broad range of campus entities to maintain an inclusive campus environment and ensure the retention, persistence and graduation of students.

Intercultural Engagement Services

- Bilingual services (Spanish/English) – ¡Se Habla Español!
- Connections to campus resources, including financial aid
- Help applying to internships and career opportunities
- Leadership and professional development
- Mentoring Program: academic guidance and coaching
- One-on-one cultural support
- Student advocacy
- Ties to Latino/a community
- Tutoring referrals and study skills sessions
- Multicultural campus organizations

INDIGENOUS STUDENT SUPPORT AND WELLNESS

Indigenous Student Support and Wellness (ISSW) provides academic support, cultural understanding, academic guidance and counseling referrals for Indigenous students. ISSW is responsible for providing support, services and programming that support persistence, retention and graduation for these students.

ISSW Services

- Academic guidance and coaching
- Assistance finding scholarships, internships and grants
- Connections to campus and tribal resources
- Access to Indigenous medicines
- One-on-one cultural support and mentoring
- Student advocacy
- Tutoring referrals

Learn more › uwosh.edu/issw

STUDENT ACHIEVEMENT SERVICES

The Student Achievement Services (SAS) is dedicated to the academic success of diverse students through support services, collaborations and high-impact programs and practices that lead to greater student independence, personal growth and lifelong learning. Student Achievement Services is composed of multiple units, each targeted to meet the mission of the department and the Division of Academic Support of Inclusive Excellence.

- Multicultural Retention Programs (MRP)
  provides academic and student support services to assist in the enrollment, retention and graduation of multicultural/multiracial students, including African American, Asian American, Hispanic/Latino/a American, Native American Indian/Indigenous, Native Hawaiian/Pacific Islander and Southeast Asian/Hmong as well as underserved or underrepresented students (low-income, first generation). Programs and services include
academic coaching and tracking, leadership development, mentoring and other related services.

- The Multicultural Education Center (MEC) is a multipurpose resource that brings people together to promote and celebrate diversity on campus and in the greater Oshkosh area. The MEC sponsors enrichment programs and activities, serves as a resource for faculty, students, staff and the community, and is the embassy for all multicultural and international students on campus.

**SAS Services**
- Academic guidance and coaching
- Connections to other campus resources
- Financial aid and financial literacy information
- Leadership and professional development
- Mentorship opportunities
- Student advocacy

(920) 424-3081

**LGBTQ+ RESOURCE CENTER**

Building a Safe, Inclusive and Empowered Community
The mission of the LGBTQ+ Resource Center is to create a safe, inclusive and affirming campus climate that fosters academic success and personal growth for students, faculty and staff of all genders and sexualities through education, advocacy and support.

Educational programs are designed to increase awareness of LGBTQIA+ lives and promote a shared responsibility for a campus climate that is inclusive of everyone. All programs are free and open to everyone, including the greater Fox Valley community.

**Resources**
- LGBTQIA+ Alumni mentoring program
- Gender Outfitters
- Inclusive Housing: Rainbow Floor
- Internships for credit
- LGBTQIA+ library media collection
- Online resources
- Outreach presentations
- Student advocacy
- SAFE and TSAFE trainings

**WOMEN’S CENTER**

**Intersectional Innovation for Gender Equity**
Part of the Division of Academic Support of Inclusive Excellence, the UW Oshkosh Women’s Center hosts programs and events to educate the campus community, provides resources for students, employees and community members, and actively seeks collaborations with campus and the surrounding community to promote gender equity.

We endeavor to help people of all genders work, play and live together in ways based on mutual respect by:

- Providing resources and education for all of campus
- Creating a welcoming space for people to build community
- Promoting an environment that values equity and diversity
- Engaging students, employees and the community to work toward solutions for intersectional gender issues

The Women’s Center provides a range of intersectional programming for professional, personal and academic development. It is also a physical space that is great for studying, hosting meetings, hanging out and enjoying a complimentary cup of coffee, tea or hot chocolate. The Women’s Center is fully accessible and has two all-gender bathrooms.

Visit the Women’s Center website and social media and watch for email announcements for the most up-to-date information about programs and events. Also keep the Women’s Center in mind when looking for internships and field placements. Individuals do NOT have to identify as a woman to visit the Women’s Center or attend Women’s Center events; people of all genders are welcome.

**Resources**
- Book and media library
- Computer lab, TV and PlayStation 4
- Community building
- Connection to community resources
- Craft corner
- Educational programs and events
- Free safer sex and menstrual care products
- Internships and field placements for credit
- Lactation lounge
- Outreach presentations
- Craft corner

INFORMATION TECHNOLOGY SERVICES

Information Technology provides technical support to UW Oshkosh students, faculty and staff.

Information Technology (IT) provides technical support to students, faculty and staff of UW Oshkosh.

**NETID**

Your NetID is your gateway to UW Oshkosh services, such as Canvas, Office 365 (including Outlook), Housing Portal, MyUWO Portal and TitanWeb, as well as computer login for campus computer labs and Titan Wi-Fi.

Learn to setup your NetID at [kb.uwosh.edu/100921](http://kb.uwosh.edu/100921).

Check out [uwo.sh/netid](http://uwo.sh/netid) for more information on how and when to use your NetID as well as links how to reset a forgotten password.

**Regarding your NetID account:**

- Don’t share passwords or accounts
- Use it for nearly all UW Oshkosh associated logins

**PRINTING ON CAMPUS** | [uwo.sh/print](http://uwo.sh/print)

Each spring and fall semester, students are allotted $10 for printing, covered by the Student Technology fee on campus. Students pay approximately $0.02 per black and white copy and $0.16 per color copy.

UWO uses a system called Pharos to manage print queues, this means:

- Students can print directly from any computer lab, laptop or mobile device while they are on campus, using the appropriate software and/or app.
- Once a file is submitted to the print queue, students can scan their TitanCard or use their smartphone to scan the QR code on the printer to release the print job.
- Need to print while on the go? Jobs stay in the print queue for two hours, so you can send to the queue now, print later.

Most printers on campus are black and white. Color printers are in Polk 101 and the Student Technology Center (Polk 005).
HELPFUL LINKS

COMPUTER LABS

UW Oshkosh’s general access computer labs come equipped with all the software needed to get coursework done. Don’t want to travel so far? Ask the front desk of your residence hall for the closest lab near you.

Clow Lab – Clow C014
Halsey Lab – Halsey 101
Sage Lab – Sage 1208
Swart Lab – Swart 229

We also offer a virtual lab experience. Learn more at uwo.sh/virtual-labs.
REGISTRAR’S OFFICE

WHAT DOES THE REGISTRAR’S OFFICE PROVIDE?

- **Registration**: Courses requiring department, instructor or adviser consent can be processed in the Registrar’s Office. To withdraw from all classes, visit uwosh/withdraw for additional information and online form.

- **Official transcript**: Transcripts can be obtained online through Parchment. Fee information and hours are listed at uwosh.edu/registrar/transcripts.

- **Veterans services**: Provide support for active-duty veterans, guard members, reservists and dependents of veterans. The Veterans Resource Center (VRC) can assist with federal and state education benefits as well as support services both on and off campus.

WHAT’S AVAILABLE ON TITANWEB?

- **Enrollment appointment information**: Registration dates and eligibility to enroll

- **Academic Advisement Report (AAR)**: Student academic advisement report showing progress toward degree

- **Account holds**: May prevent enrollment and issuing of transcripts

- **Class search**: Search and filter courses based on specific criteria

- **Course catalog**: Individual course overviews and descriptions

- **Enrollment verification**: Printable certificate verifying current, past and future terms’ enrollment

- **Grades**: Final grades for all completed courses

- **Graduation application**: Apply for graduation

- **Adviser information**: Name and contact information

- **Transcripts**: Unofficial transcripts and ability to order official transcripts

- **Good student discount verification**: Printable certificate verifying eligibility

- **Voter identification**: Verification of enrollment and proof of campus address

- **Personal and emergency contact information**: Names, phone numbers and addresses

- **Financial account summary**: Statements including tuition; books, supplies and lab fees; financial aid and more

GRANT TITANWEB ACCESS FOR FAMILY

If a student wishes to allow another person to view their TitanWeb account for billing and academic purposes, they can grant access to that person. Per federal law (FERPA), the University is not able to speak to anyone other than the student about their student account unless they grant permission to additional people through TitanWeb.

NEW TO-DO LIST ITEMS IN TITANWEB

All new students have To-Do List items in their TitanWeb Student Center.

The Financial Agreement comes from the Student Accounts Office. The Financial Agreement describes a student’s responsibility for their student account and finances. It also provides the option to make a payment plan each semester. All students will have a hold placed on their account until the Financial Agreement has been completed. For questions regarding the Financial Agreement, contact Student Accounts at sa@uwosh.edu or call (920) 424-1332.

Students also need to verify their Registration Information. This ensures the University has the most up-to-date contact and program information for all enrolled students. For questions regarding registration information, contact the Registrar’s Office at twregistration@uwosh.edu or call (920) 424-3454.

Dempsey Hall, Room 130
uwosh.edu/registrar | (920) 424-3454
The Dean of Students Office supports students at UW Oshkosh through advocacy, care, guidance and support.

Our purpose is to:
• Fill the gaps in serving students
• Help students navigate UW Oshkosh
• Influence the student experience in a positive way
• Guide the institution on policies, laws and regulations affecting students

In fulfilling our purpose, we:
• Advocate for students
• Challenge and support students, faculty and staff
• Work to solve problems
• Protect the integrity of the University community
• Cultivate learning and development opportunities
• Create a space for students to be heard, valued and validated
• Work to ensure a safe and inclusive community for our students

› **Student Advocacy**
The Dean of Students Office strives to provide advocacy for students in need. Students encountering a problem who are not sure where to turn should come to the Dean of Students Office. Whether it is an issue in a class or a problem with a landlord, we can help with support and advocacy.

› **Student Care Team**
The Student Care Team (SCT) is a network focused on prevention and early intervention for students experiencing distress. SCT meets on a weekly basis to coordinate care for students and provide the assistance necessary to ensure they are personally and academically successful.

› **Title IX**
The Dean of Students Office manages student accommodations (i.e. change in class schedules, residence hall moves, no contact directives) relating to Title IX complaints, investigations or other related instances involving sexual assault, domestic violence, dating violence and stalking. See page 36 for more information on Title IX at UWO.

› **Bias Incident Report**
UW Oshkosh is committed to fostering an inclusive environment where every member of our community is respected and valued. Whenever an instance of bias occurs, we encourage filing an online report so the situation can be addressed. Visit uwo.sh/biasincident for support.

› **Late Withdrawal/Late Drop from Coursework**
If a severe circumstance impedes a student’s ability to be academically successful, the Dean of Students Office processes late withdrawal/late drop coursework requests. Visit uwo.sh/withdraw for more information.

› **Out of Class Letters**
When a student misses four or more class days due to a personal or medical circumstance, the Dean of Students Office sends faculty an email notifying them of the absence.

› **Accessibility Center**
Refer to page 15 to learn more about accessibility resources on campus.

› **Student Conduct**
The Dean of Students Office is responsible for the student conduct process at the University. Our process is grounded in education and development and practices fundamental fairness to all involved. Our philosophy is guided by the notion that mistakes made can be invaluable learning opportunities for students. Furthermore, it is our goal to cultivate a safe community for all students, staff, faculty and guests at UW Oshkosh.

FOR MORE INFORMATION
Dean of Students Office
800 Algoma Blvd., Oshkosh WI
Dempsey Hall, Room 125
uwosh.edu/deanofstudents | (920) 424-3100

f UW Oshkosh Dean of Students
The Accessibility Center is committed to providing services and support for students with disabilities, ensuring equal opportunity to participate in all aspects of university programs, services and activities on all UWO campuses. The center coordinates reasonable accommodations, providing students the opportunity to reach their highest level of success and promoting independence and self-advocacy.

**HOW DO I RECEIVE ACCOMMODATIONS?**

1) Visit uwo.sh/accessibility
2) Submit an accommodation request form
3) Submit documentation from your provider
4) Schedule an initial interview with our accessibility coordinator

**UNIVERSITY COMMUNITY**

- Academic
- Housing
- Dining
- Parking

**EXAMPLES OF ACADEMIC ACCOMMODATIONS**

- Electronic textbooks and course materials
- Exam accommodations
- Proctors, scribes and readers for exams
- ASL interpreters
- Note-taking assistance
- Assistive technology
- Classroom accommodations

*Please note:* Students are not limited to the accommodation examples listed above.

**ACCESSIBLE COMPUTER LABS**

- The Access Lab is equipped with adaptive software, large-screen computers and document magnifiers.
- Many computer labs across campus are equipped with page magnifiers, high-resolution scanners and closed-circuit television (CCTV) magnifiers.
- All labs have a large-screen computer, ZoomText software and access to Kurzweil software.

accessibilitycenter@uwosh.edu

The Accessibility Center does not provide personal attendants, legal counsel, transportation or personal computers.
Add adventure to your degree! The Office of International Education (OIE) offers short-term, semester, year-long and internship and volunteer programs in a variety of locations. Students earn academic credit while exploring the globe and immersing themselves in new cultures. The OIE also advises international students from around the world on U.S. student immigration regulations. Additionally, the OIE offers English language support and tutoring for all students and an Intensive English Program for nonnative English speakers.

English language support tutoring for nonnative English speakers helps to:
• Interpret course assignments
• Comprehend cultural backgrounds
• Increase confidence when giving presentations and participating in classroom discussions
• Identify campus resources for additional support

Learn more › English Language Support els@uwosh.edu

STUDY ABROAD
Studying abroad allows students to gain independence, develop a global perspective, become fluent in another language and bolster resumes with unique skills and experiences.

Graduate students have the following study abroad options:
• Travel on a group program with a faculty leader during J-Term or May-Term
• Travel individually to one of our partner institutions (year-round options)
• Complete a high-impact internship abroad

If a graduate course is not offered for group or individual programs, students may be able to work with their faculty adviser to create an independent study abroad program.

POLK LIBRARY
College-level work requires using the best sources in the best ways. In addition to Polk’s selection of books, media titles and primary source collections on the shelves, students can request materials from across the UW System, including UW-Madison, which boasts one of the 10 largest academic library collections in the country. On top of that, Polk has an all-electronic journal collection of more than 118,000 titles.

These advanced resources, written by specialists, are an essential part of collegiate research. Polk also offers a growing streaming video collection for access to important documentaries and licensed educational video content.

Polk Library is a great place to work on assignments and study. Polk is a home office, study hall and roommate-free zone with Wi-Fi and a variety of study environments. Find quiet study areas for solo work, bustling workspaces for group projects, or even private, tech-equipped study rooms for individual or group study. Students can use the library website to find available workstations and spaces before getting to the library.

Polk Library’s professional academic librarians and staff members are available to help students navigate the world of college-level research. In addition to visiting classes for instructional sessions, staff members are available for students in person, via webchat, email, phone or one-on-one consultations.

For more information
Polk Library | 801 Elmwood Ave.
(920) 424-4333 | infodesk@uwosh.libanswers.com

TESTING SERVICES
Staff members provide high-quality service to students taking classroom tests, makeup tests and correspondence exams. Placement testing is available online or in person under special circumstances as needed.

Additionally, we offer a variety of standardized tests including: CLEP, TEAS, Praxis I, Praxis II and GRE (general and subject exams), as well as business and professional testing.

For more information
Testing Services | Polk Library, Room 4
(920) 424-1432 | oshtesting@uwosh.edu

PROJECT SUCCESS

Project Success is a remedial program for students attending UW Oshkosh who have learning disabilities in the areas of reading, writing, mathematics or documented ADHD. The program serves approximately 300 students on campus.

Project Success focuses on teaching reading, spelling, written expression and organizational/executive function skills that foster success at the college level. The goal is to assist students in developing the necessary language skills to read, write and spell effectively and efficiently to become academically independent. Project Success is one of the few programs nationwide that serves as a remedial program rather than a tutorial assistance program.

What support services are available?
• Academic accommodations
• Remedial coursework
• One-on-one organizational tutoring
• Writing and mathematics tutoring support
• Educational evaluations

For more information
Project Success
800 Algoma Blvd. | Nursing/Education, Room 26
(920) 424-1033 | uwosh.edu/projectsuccess

@ProjectUWO

THE WRITING CENTER

The Writing Center helps students become better writers through free one-to-one sessions with writing coaches. Writing coaches are students who have been trained to work with individual students on any assignment or project in any major or subject area.

Meetings take place in person or virtually and last up to 50 minutes. Asynchronous (emailed) feedback is also available. Assistance is scheduled online at uwosh.edu/writingcenter. Students can schedule up to three appointments per week. The Writing Center also offers evening and weekend appointments. See website for current hours and additional information.

@UWOWritingCenter
STUDENT ACCOUNTS

FINANCIAL

- Billing of tuition, fees and charges for housing, dining and other campus services is done electronically through TitanWeb with email notifications sent to a student’s UW Oshkosh email account. Paper bills are not mailed. There are three billings for fall and spring semesters and one for summer. Initial billing is done three to four weeks prior to the start of the semester, except for the J-Term and May-Term.

Students are required to sign a financial agreement to pay tuition and fees prior to registration for each term. For each term, 10 percent of the total bill is due the first date, and two 45-percent payments are due the following months. The amount due for a student is shown on TitanWeb under the account balance summary section. There is a 1-percent finance charge assessed the first business day of the month for any unpaid balance. There is never any prepayment penalty – students may pay the balance in full at the start of the term to avoid any finance charges.

- Payment can be made at the Cashier’s Office in Dempsey Hall, second floor, main hall, with cash or check. To reduce person-to-person contact, envelopes are available near the cashier’s window along with a payment drop box. Payments also can be made online with an e-check or credit/debit card. The e-check requires entering a bank routing number and account number with a $0.50 service charge. The credit/debit card option has a 2.75% service fee.

- Late payments will result in a hold on a student’s account. The hold prevents a student from adding classes, requesting transcripts and enrolling in future terms.

If you have a 529 College Savings Plan, you can print or export the statement of account and most plans will accept that document for producing a check. Checks should have the student ID in the memo and be mailed to the UWO Cashier, 800 Algoma Blvd., Oshkosh, WI 54901.

Please be aware of DROP DATES!
- Academic drop dates | uwosh.edu/registrar/add-drop
- Financial drop dates | uwo.sh/payment-deadlines
QUICK CHECKLIST FOR
FINANCIAL SUCCESS

Plan for Success
☐ Plan for how you will pay
  ☐ Apply for financial aid
  ☐ Apply for scholarships
  ☐ Apply for private loans if needed
  ☐ Apply for a job on campus at uwosh.joinhandshake.com

Get Started
☐ Log in to TitanWeb
  ☐ Check your to-do list and complete your financial agreement
  ☐ Sign up for direct deposit to avoid waiting for paper refund checks
  ☐ Grant access to others who may need to assist you with your account
  ☐ Verify and update your contact information if needed

Pay Your Bill
☐ Check your student email for billing notifications
☐ Log in to TitanWeb
  ☐ Review your statement of account
  ☐ Review your charges
  ☐ Review your payments, aid and scholarships
  ☐ Make a payment if payment is due

Ongoing
☐ Log in to TitanWeb at least monthly
  ☐ Check your to-do list
  ☐ Check your student email
  ☐ Check your account after enrollment changes

FINANCIAL AID

FINANCIAL AID

Financial Aid is applied automatically to student accounts around the start of classes if aid has been accepted. Overages will be refunded via direct deposit, found on TitanWeb, or by check, which takes two weeks to process. Students with financial aid still need to check TitanWeb to ensure payments post to their account. Financial aid payments may be delayed if there are items on their to-do list found on TitanWeb.

All correspondence from the Financial Aid Office is sent electronically via TitanWeb. In Titanweb students may allow their parent(s) the ability to view the bill, financial aid awards and items still needed. Please refer to the FERPA section for more information about how students can grant their parent(s) access.

Students should check TitanWeb frequently to make sure there are no outstanding items on their to-do list and connect with the Financial Aid Office on social media for timely updates.

Student loans require additional steps for first-time borrowers. Students should follow the to-do list links on TitanWeb.

In order to continue receiving financial aid, students must meet Satisfactory Academic Progress (SAP) by maintaining at least a 3.0 GPA, completing 67 percent of coursework and completing programs within the maximum time frame. An email goes to every student receiving financial aid at the start of each enrollment period to monitor their SAP status.

Visit uwosh.edu/student-financial-services for more information on tuition and fees, payment deadlines, the partial payment plan, direct deposit, 1098T form, drop dates and hours of operation. Refer to the FERPA section on page 34 of this guide for more information about how students can grant others, such as parents, access to TitanWeb.

FINANCIAL LITERACY

The GradReady program is a free financial literacy tool provided by UWO that promotes financial wellness and encourages students to take control of their finances early in their careers. It includes budgeting, managing student loan debt and helpful financial information and is available through the Financial Aid website.

The GradReady program has three sections:
• Path 1 – Paying for College: It's all about making a plan
• Path 2 – Money Management: Budgeting your money
• Path 3 – Real World Finance: Student loan repayment

@UWOFinAid
HANDSHAKE & UW CREDIT UNION

STUDENT EMPLOYMENT
Many students seek part-time employment to help cover expenses during college. Use Handshake to search for on-campus employment opportunities. Students can log in to Handshake online at uwosh.joinhandshake.com.

UW CREDIT UNION
UW Credit Union is a nonprofit bank alternative that offers convenient on-campus banking for UWO students, including our exclusive Titans debit card! With friendly financial experts and easy online banking, you can confidently manage your money and make the most of college life. We provide options to fit students’ individual needs, such as CLEAR checking, with no overdraft fees and no paper.

Take advantage of all UW Credit Union has to offer:
• Find surcharge-free ATMs on campus.
• Download our best-in-class mobile app.
• Finance your education with affordable student loans.
• Build credit with a low-limit credit card with no annual fee.
• Use your mobile wallet to pay on the go.

Open your account online at uwcu.org, or stop by the UW Credit Union branch in Reeve Memorial Union to get started.

Federally insured by NCUA.

Veterans Resource Centers (VRCs) are located on the Oshkosh, Fond du Lac and Fox Cities campuses. VRCs are central locations to explore available veteran education benefits, campus services and community resources while connecting with veterans, friends and VRC staff.

The VRC provides support and guidance to current and prospective student veterans, guard members, reservists and their spouses and dependents. The purpose of the VRC is to empower the military-affiliated community at UW Oshkosh with the tools necessary to achieve their academic goals.

UW Oshkosh’s VRCs offer the following services:
- Veteran education benefits information and certification
- Student services information
- Community veteran resource connections
- Veteran priority registration information and signup
- Information about campus events and veteran programming
- Individual study pods
- Computer lab with printer, scanner, webcams, headsets and Common Access Card (CAC) readers
- Free coffee and tea for veterans
- Mini fridge and microwave
- Wi-Fi and charging station
- A welcoming space to connect with other veterans

COUNSELING CENTER

The Counseling Center at UW Oshkosh provides a place of inspiration and guidance for the wellness of all students. Our approach includes a balance of treating health challenges and strengthening the essential aspects of positive mental health. Our focus is for students to flourish, which includes feeling good and functioning well.

SERVICES

The Counseling Center provides a variety of free and confidential (some exceptions apply) services to students. We currently offer a hybrid style of in-person and virtual services.

- Individual Counseling
  Meet one-on-one with a counselor to work toward personal mental health and wellness goals.

- Group Therapy
  Groups provide an opportunity for students to gain support and insight through counselor guided interactions. Groups may include interpersonal process and skill building (how to manage distress and emotions, reduce anxiety, etc.), self-compassion, grief, trauma LGBTQ+ support, restorative yoga, CALM yoga and more.

- Wellness Workshops
  Students choose an experiential activity designed to build skills that foster long-term happiness (examples include self-compassion, mindfulness, optimism, kindness, connection, gratitude, cultivating strengths and more).

- Crisis Management: Provision of crisis services 24/7.

- Biofeedback
  Learn how to achieve relaxation, reduced anxiety and better health through the awareness and training of your breathing through computer-based programs.

- The Just Breathe Room
  Enjoy a place of solitude for gentle exploration of mindfulness activities that help you to feel well.

- The Rejuvenation Room
  Enjoy our heated massage chair while listening to music along with aromatherapy. This room also is available for interfaith practices and lactating mothers.

- Animal-Assisted Therapy
  Meet with our therapy dog, Leo, along with a counselor to relax and center yourself.

- Drop In and Breathe
  30-minute opportunity to engage in mindfulness and relaxation activities.

HOW TO MAKE AN APPOINTMENT

Students can call the Counseling Center at (920) 424-2061 or walk in and request an appointment.

Should a mental health crisis occur outside of operating hours, please contact one of the following:

- National Crisis Hotline – (800) 273-8255
- Winnebago County Mental Health Crisis – (920) 233-7707
- Fond du Lac County Mental Health Crisis – (920) 929-3535
- Outagamie County Mental Health Crisis – (920) 832-4646
- Calumet County Mental Health Crisis – (920) 849-9317

STUDENT HEALTH CENTER

The Student Health Center (SHC) at UW Oshkosh is a nationally accredited medical clinic that provides a full range of healthcare services to all enrolled students. As students become more independent and learn to manage their own health and healthcare, we strive to help them develop and maintain healthy habits that will affect well-being, learning, personal and career fulfillment throughout their lives.

Our staff consists of experienced, board-certified, credentialed professionals comprised of nurse practitioners, nurses, medical assistants, and administrative professionals.

Most office visits are free. There are minimal charges for physicals, lab tests, procedures, injections and medications. Services can be paid for using credit card, the TitanCard or billed to a student’s account.

SERVICES
• Physical exams
• Illness & injury diagnosis and treatment
• Immunizations
• Laboratory testing
• Sexual health services
• Transgender health
• Triage nurse
• Travel health
• Behavioral health diagnosis and treatment

The Student Health Portal provides convenient, accessible healthcare, which allows patients to send and receive secure messages, view lab results, access certain medical records, and complete health forms online.

DID YOU KNOW?
95% of UWO students recommend the Student Health Center and their SHC provider to a friend. (Patient Satisfaction Survey, 2021)

According to a student survey, these are the top 5 benefits:
• Healthcare at a low cost
• Self-care education for treating illness
• Don’t have to miss classes due to health
• Peace of mind regarding health
• No need to travel to receive care
The goal of Health Promotion and Wellness at UW Oshkosh is to create a culture of health and well-being that fosters personal and academic success. Guided by inclusion, respect and equity, Health Promotion and Wellness efforts provide holistic education, support and resources for students to create and sustain long-term, healthy behaviors.

Health promotion programs and events cover a variety of topics, including:
• Alcohol and drug abuse
• Body image and eating disorders
• Bystander intervention
• Violence prevention
• Nutrition and meal planning
• Sexual health and relationships
• Sleep hygiene
• Stress management and mental health

Peer Wellness Educators are Student Recreation and Wellness Center (SRWC) student employees trained to provide health education to the campus community. They develop and implement wellness initiatives focused on relevant health issues. Students can visit the Titan Well at the SRWC to chat with wellness educators and access a variety of free and for-purchase wellness supplies.

Will you be living in a residence hall? Health Advocates (HAs) are residence hall student employees trained to handle minor health concerns, including colds and flu, first aid, substance use/abuse, sexual health, stress management, etc. They have supplies, such as bandages, ice packs, common over-the-counter medicines, thermometers and contraceptives, to handle health concerns. HAs serve as referral agents in addressing student health and wellness needs.

SEXUAL AND INTERPERSONAL VIOLENCE PREVENTION
UW Oshkosh is committed to providing the safest campus possible for our students, faculty and staff. The Sexual and Interpersonal Violence Prevention program educates the university community on trauma-informed practices and risk reduction techniques, while responding to those impacted by sexual and interpersonal violence.

Through programs and policies, we work year-round to support victims/survivors, prevent sexual and interpersonal violence, and communicate that violence is unacceptable.

Victim/Survivor Advocacy Services
Campus advocates from the Sexual and Interpersonal Violence Prevention program provide compassionate crisis intervention and ongoing support to victims/survivors of intimate partner violence, sexual assault, stalking and/or harassment. Students have the right to report an incident of sexual or interpersonal violence to the University, law enforcement or both. They also have the right to not make a report. Victims/survivors are able to meet with campus advocates to explore their options, understand their rights, connect with resources and build a network of support.

Support and services are FREE to all students at any campus of the University of Wisconsin Oshkosh:
• Find free and confidential support in person, virtually or by phone
• Connect with counselors specially trained to address trauma-related to sexual violence, relationship violence or stalking
• Access appropriate medical care off campus, including sexual assault nurse examinations, or on campus, including STI and pregnancy prevention
• Secure appropriate safety measures, such as campus no contact orders, restraining orders and/or personal safety planning
• Find information and referrals to the support resources, systems and processes available on campus and in the community
• Work with the Dean of Students office and Title IX Coordinator to implement supportive measures, including addressing academic or housing relocation needs
• Receive personalized support and accommodation to medical care, legal services, Title IX and conduct proceedings and other appointments
• Identify current coping mechanisms that may be effective and explore new coping skills that may help manage trauma responses
• Receive support to process feelings regarding either a friend or family member’s disclosure and/or their response to a disclosure. Also, receive support in understanding the victim/survivor’s options and supporting the victim/survivor’s decision

For more information on programs and services, visit uwosh.edu/wellness or contact advocate@uwosh.edu.

24 HOUR EMERGENCY LINE:
(920) 722-8150
STUDENT RECREATION

A wide variety of recreational opportunities are available for students at UW Oshkosh. First-rate facilities, intramural sports, sport clubs, the Outdoor Adventure Center (OAC), group exercise, fitness assessments, weight room orientations, personal training and other group and individual programs and activities provide something for everyone.

FACILITIES

The Student Recreation and Wellness Center (SRWC) includes 104,000 square feet of recreational space, offering basketball courts, jogging and walking track, indoor multi-purpose gym, volleyball courts, climbing wall, golf simulator, strength training areas, 100+ pieces of cardio exercise equipment, two group exercise studios, cycling studio, TRX suspension training, smoothie bar and lounge area for students to relax, study or watch television.

Other campus recreational facilities include Kolf Sports Center (basketball and volleyball courts) and Albee Hall (basketball, volleyball and racquetball courts and an aquatics facility with a nine-lane lap pool and an adjoining diving well). The Rec Plex is the home for intramural sports, sports clubs and drop-in recreation.

The Rec Plex is a 4.35-acre recreational complex with lighted, multi-use synthetic turf, a 3,000-square-foot support building and a dome to allow for year-round recreation.

PROGRAMS AND ACTIVITIES

- **Aquatics** activities include open lap swim and special events.

- **Sport clubs** are student organizations that provide members with learning experiences, new skills and opportunities to practice and compete in their favorite sport. There are currently 16 active sport clubs: bowling, cheer and stunt, climbing, dance, fishing, men’s golf, hip-hop, ice hockey, men’s lacrosse, racquetball, women’s rugby, men’s and women’s ultimate Frisbee, and men’s and women’s volleyball.

- **Group exercise classes** are held daily in the SRWC studios. Personal trainers also are available for hire at discounted rates for students.

- **Intramural sports** for varying skill levels feature a wide variety of recreational and competitive opportunities, including soccer, basketball, volleyball, dodgeball, floor hockey, tennis, ultimate Frisbee, racquetball, bags and flag football.

- **The Outdoor Adventure Center (OAC)** is responsible for operating the climbing wall and bicycle repair shop at the SRWC. The OAC also offers a comprehensive supply of outdoor equipment available for rent, including short- and long-term bike rentals. OAC trip leaders offer numerous outdoor trips throughout the academic year.

SAFETY

UW OSHKOSH POLICE DEPARTMENT
The UW Oshkosh Police Department is dedicated to developing partnerships with the community we serve in order to support and enhance the mission of the University. As a team, we preserve a learning environment that supports inclusivity, excellence and quality of life across campus to provide a safe atmosphere for all students, faculty, staff and visitors of UW Oshkosh.

› UWO Mobile App
The UWO mobile app is available for iOS and Android phones. Instructions on how to download the app can be found on the UW Oshkosh Police Department website.

› UWO Go
UWO Go is a non-emergency service that provides an on-demand safe ride for students and employees on and near the UW Oshkosh campus. UWO Go runs seven days a week when classes are in session at no cost for students currently enrolled at UW Oshkosh. This system operates like Uber or Lyft—however, it’s free for UWO students and employees of the University. Learn more at uwosh.edu/police/uwogo.

› Safewalks
Safewalks are available to students, employees and campus guests who wish to be escorted at night to and from areas close to campus. Use the UWO Mobile “Chat with a Dispatcher” feature or call the police department at (920) 424-1212 to request a walk. The Safewalk boundary is roughly five blocks from the edge of campus in any direction.

› Medical Safety Policy
The safety of our campus community members always will be the top priority. If a community member calls for assistance due to a level of their own impairment or the impairment of a person they’re with, police officers will respond to help, not issue tickets. This policy is not intended to provide relief from legal consequences or administrative discipline in relation to serious crimes, including—but not limited to—all forms of assault, theft, property damage and distribution of illicit substances.

› Community Service Officer Program
Community Service Officers (CSOs) are student employees who provide additional safety and security on campus. They patrol the campus in pairs, work security stations within the residence halls during night hours, offer the Safewalk, Saferide and Saferoute programs and provide additional resources for special events.

› Titan Alerts
Titan Alert, a campuswide alerting system, is used to communicate important campus information directly to mobile phones, email and social media. Students, faculty and staff can sign up to receive these alerts by visiting uwosh.edu/emergency/titanalert.

› Reporting Incidents
We have several different ways to connect with the police department to report incidents and information. The UWO mobile app has several reporting options. Our website also is available to report non-emergency incidents.

CONNECT WITH US ONLINE
On our website, you can find detailed information about our core values, guiding principles, fair and impartial policing and how we train and manage our personnel. The website also features a “How Did We Do?” form that offers the opportunity to share feedback about your experience with our staff.

COMMUTER STUDENTS

We recognize that most graduate students participating in on-campus graduate programs commute to the Oshkosh campus. Below you will find helpful information for commuter students, including parking tips, where to find the Commuter Lounge and ways to get involved on campus.

INVolvEMENT
• Hang out with other students in Reeve Memorial Union
• Join a student organization
• Use campus resources
• Ask for help from faculty, staff, counselors and advisers
• Find a job on campus through Handshake
• Visit the Student Recreation and Wellness Center
• Purchase a meal plan designed specifically for commuters
• Attend a Reeve Union Board event: movies, live music, hypnotists and more

COMmUTER LOUNGE
First floor, Reeve Memorial Union, Student Involvement
• Comfortable furniture
• Microwave, fridge and computer
• Single-day and semester locker rentals
• Nearby television and study lounges

PARKING
You must purchase a permit to park on campus. Commuter students should arrive 20-30 minutes early to ensure they can find a space and get to class on time.
• See page 31 for parking permit information
• Find campus maps with parking lot locations at uwosh.edu/maps.

COMMUNICATION
• Inform your professors that you commute—especially if you live outside of Oshkosh—so in case of bad weather they know you might be late or absent. Email your instructors if you are not able to attend class.
• During potentially bad weather, visit uwosh.edu for weather-related closings or postponements. Before you leave home and head to campus, check your student email or Canvas to see if your professors have canceled class.

PARKING INFORMATION

- Parking on the Oshkosh campus is digital. Permit holders will be assigned to a specific area of campus based on the permit they have purchased. No physical permit will be issued. A digital permit means your license plate number is your permit, and license plates will be monitored and enforced through License Plate Recognition. More than one plate number may be listed with a permit; however, only one vehicle can be on campus at a time if they’re listed on a single permit.

- Commuter Student Parking
  Permit options and parking fees for the 2022-23 academic year can be viewed at uwosh.edu/commuter-parking.

- Short-Term Parking
  Short-term (metered) parking is available through AMP Parking at $1.25 per hour, depending on location. Download the AMP Park app for free from the App Store or Google Play or visit aimsmobilepay.com for locations and pricing.

  Parking permits are expected to be ready for purchase in mid-August, but please check uwosh.edu/parking to confirm availability.

  Parking and Transportation Office hours are 7:45 a.m. to 4:30 p.m., Monday through Friday. Check with Parking Services about extended hours at the start of fall semester.

- Residence Hall Student Parking
  Students who have a housing contract with Residence Life will be sent parking information in late June or early July to their student email. If interested in obtaining a parking permit for the 2022-23 academic year, a permit application must be received by the Parking Services office by July 31, 2022.

  Resident permits will be assigned based on class standing. Graduate students and seniors will receive permits first, then juniors, etc. Upperclassmen will be awarded prime resident parking. The first class that does not have enough permits available to cover every applicant, typically freshmen, will be placed in the lottery. Class standing will be determined by the number of credits a student has earned prior to the parking application deadline. The lottery drawing will be held at the beginning of August. Resident parking is limited; new students should make alternate plans for their vehicles. Late applications may not be accepted.

  Students whose names are drawn will be notified by email of their digital permit and where the digital permit is valid. Permits are billed to the student accounts. All remaining applicants whose names were not drawn will be added to a permit waiting list in the order the applications were received. Alternative parking/transportation options will be provided. If you do not receive parking information by July 15, 2022, please contact the parking office by phone or email.

  Parking fees for the 2022-23 academic year can be viewed at uwosh.edu/resident-parking.

  All resident permits cover the full academic year including interims and summer term. Short-term parking permits may be available. Email Parking Services at parking@uwosh.edu or call (920) 424-4455 to inquire about availability.

  Alternate Transportation and Shuttle Services
  For information on alternate transportation, visit uwosh.edu/parking.

**TITANCARD AND TITAN DOLLARS**

The TitanCard is the official identification card for every student, faculty and staff member at UW Oshkosh. It offers a convenient, easy and safe way to make purchases and use campus services. Beyond being a University ID card, students can use their TitanCard for their meal plan, to hold Titan Dollars for campus purchases, as a library card, a door access card and a pass for athletic events and the Student Recreation and Wellness Center.

**What are Titan Dollars?**

- Declining balance account
- Accepted as a form of payment at most retail and service locations on campus
- Carry from fall to spring semester; remaining balance may be converted to a UW Oshkosh gift card
- Non-refundable while enrolled at UW Oshkosh

**Please note:**

- Residence hall students have $150 of Titan Dollars per semester as part of the Student Convenience Program.
- All meal plans include additional Titan Dollars of various amounts.

**ONLINE CARD OFFICE**

To manage Titan Dollars and TitanCard, visit uwosh.edu/onlinedeposit.

**Students can:**

- Purchase Titan Dollars
- Check balances
- View account activity
- Deactivate ID if lost or stolen

**Parents/Family can:**

- Add Titan Dollars

To learn more about the benefits, policies, deposit options and FAQs for the TitanCard and its functions on campus, visit uwosh.edu/reeve/titancard or stop by Titan Central, located in Reeve Memorial Union.
BOOKS & MORE

UNIVERSITY BOOKS & MORE

› Textbooks and Course Materials
The University Books & More textbook department stocks new, used and rental textbooks, as well as a selection of digital resources, ebooks and study aids. Students can view course material information on the bookstore’s website and materials can be purchased either in store or online. Online orders may be shipped or picked up when students arrive on campus. Textbooks and course materials can be charged to the student account year-round, regardless of financial aid status.

Simply visit our website, uwosh.edu/bookstore, and use your TitanWeb course schedule to locate the required textbooks and materials for your courses. Not all courses have new, used, rental and digital options. All available options will be listed once you locate your textbooks.

At the end of each semester, University Books & More offers textbook buyback. Students may receive up to half of the new book price in cash—even if they purchased it from a different source. Buyback of individual titles is not guaranteed and is dependent on future course usage and supply. Rental books are due back to the store the Monday following the end of the term.

› Apparel and Gifts
University Books & More has the largest authentic selection of UW Oshkosh apparel, including Champion, Nike and many other popular brands. Anyone may stop in to shop the full collection of clothing.

Shop online at uwosh.edu/bookstore! Use promo code TAKEOFF to get 20% off an online clothing or gift order. Coupon expires Sept. 30, 2022.

University Books & More also stocks a wide variety of imprinted gift items. Popular items include electronic accessories, fair trade gifts, Titan spirit giftware, home decor, art supplies, school and office supplies, trade books and more.

University Books & More | Reeve Memorial Union
(920) 424-0277 | uwosh.edu/bookstore

CORNER CONVENIENCE STORE

Located next to University Books & More in Reeve Memorial Union, the Corner Convenience Store offers the quickest and closest place on campus to shop for:
• Cold beverages and soft drinks
• Candy, snacks and chips
• Laundry and cleaning supplies
• Frozen pizzas
• Ready-to-eat sandwiches and single-serve meals
• Vegan and gluten-free options
• Health and beauty products

For more information
Corner Convenience Store | Reeve Memorial Union
uwobookstore.uwosh.edu/corner-convenience-store
(920) 424-2343

LOCATION AND HOURS
Both stores are located inside Reeve Memorial Union on the main level.

› University Books & More
Academic Year Store Hours:
Monday-Thursday: 8 a.m. to 6 p.m.
Friday: 8 a.m. to 5 p.m.
Saturday: 11 a.m. to 5 p.m.
Sunday: 4 p.m. to 8 p.m.

› Corner Convenience Store
Academic Year Store Hours:
Monday-Friday: 7:30 a.m. to 9 p.m.
Saturday-Sunday: 11 a.m. to 8 p.m.

EMPLOYMENT OPPORTUNITIES
University Books & More and Corner Convenience Store offer opportunities for student employment with flexible hours, a convenient campus location and friendly staff. Applications are available online.
FERPA

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) ACCESS TO STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) is a federal law that grants students the right to determine who will receive academic information about them. Students must authorize the release of records before any third party— including parents or guardians— can view them.

The University has made it easy for students to grant access to third parties/parents through our online system called TitanWeb. After logging into TitanWeb, students will see a link that is called “Grant Access to Others” on their Student Center page.

Choose third-party access for four types of information:
- View financial aid awards
- View student conduct
- View and pay tuition and fees
- View grades and term statistics

A confirmation email that shows the login and password for the new account needs to be forwarded to third parties/parents so they know how to log in. If parents don’t have internet access, students can download the records and provide them.

This also allows the third parties/parents to contact the University to ask questions about this information.

Other records, such as mental health, physical health and faculty notes/records, are restricted by federal and state laws, University policy and professional standards. Students can release information from these records to a third party on a case-by-case basis through that particular office.

In most cases, the University will not contact parents to provide medical, academic or disciplinary information without the student’s consent. In an emergency where the student’s health is in jeopardy or there is a concern that the student poses a threat to themselves or to someone else, the University will contact parents. As a general rule, if the student is able to communicate about the situation, they are expected to decide whether and how to discuss it with family members.

QUESTIONS

Questions about FERPA should be directed to the FERPA Coordinator at (920) 424-3407 or the Registrar’s Office at (920) 424-4077.

ACADEMIC MISCONDUCT

Students are responsible to be informed about what constitutes academic misconduct, how to avoid it, and what happens if they engage in it. Examples of academic misconduct include (but are not limited to):

- Plagiarism (turning in work of another person and not properly citing the work)
- Copying another student’s homework, paper or exam
- Cheating on an exam
- Allowing another student to copy your work
- Falsifying academic documents

What happens if a student engages in academic misconduct?
UW Oshkosh takes academic misconduct allegations very seriously. Professors will contact students if it is believed that they engaged in academic misconduct and may ask them to explain their work. If they still believe the student engaged in misconduct after meeting with them, they will decide on a sanction, which may include a zero on the assignment or exam, a lower grade in the course or failure in the course. The Dean of Students Office is informed of academic misconduct. Repeated acts of academic misconduct may result in more serious actions, such as probation or suspension.

For more information
Visit uwosh.edu/deanofstudents/student-conduct

What should students do if they know a classmate is cheating?
If a student knows a classmate is cheating on an exam or other academic exercises, they should notify their professor or exam proctor. As a part of the University community, students are expected to uphold the standards of UW Oshkosh. Also, consider how a classmate’s dishonesty on the exam may affect the overall grading curve and other students’ grades in the class.

How to avoid academic misconduct:

- Avoid copying and pasting directly from the internet.
- Know how to cite sources in a paper, lab report or other assignments.
- Use the Writing Center for help with citations. They are experts in APA, MLA and other citation styles.
- Understand the expectations and limitations when working in groups (i.e., Is collaboration allowed on the project or written paper? Should the project or written paper be done alone?).
TITLE IX

POLICIES AROUND TITLE IX AND SEXUAL MISCONDUCT AT UWO

What is Title IX?
Title IX is a federal civil rights law passed as part of the Education Amendments of 1972 that protects individuals from sex discrimination and sexual misconduct. Title IX states: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

What does Title IX have to do with sexual misconduct?
Sexual misconduct includes sexual assault, sexual harassment, sexual exploitation, dating violence, domestic violence and stalking. Because this abusive behavior causes significant harm to victims/survivors of the misconduct, it can have the effect of denying individuals equal access to, and benefit from, UWO programs and activities. All sexual misconduct is prohibited by Title IX federal law and UW Oshkosh policy.

What does Title IX mean for me as a student at UWO?
No one is alone at UWO. Sexual misconduct in any form can have a profound impact on a victim/survivors’ academic, social, working and personal life. It also can affect their friends and family, other students, co-workers and members of the University community. To combat this complex social problem, UWO is committed to preventing and promptly responding to reports of sexual misconduct, providing support to reporters (victims, witnesses), and a fair and impartial complaint process that will determine if a student is responsible for violations of sexual misconduct policy. You can help us with this goal by keeping an eye out for the safety and wellbeing of your friends and all students and speaking up or getting assistance when someone is vulnerable or behaving poorly. Anyone can report an issue or incident.

You can help make the UWO campuses and community a safe place for all Titans by being strong and healthy in your voice and actions!

FOR MORE INFORMATION
See the Title IX website for more information, to access support and confidential services, and/or to make a report: uwosh.edu/titleix
