The Honors College at UW Oshkosh is pleased to announce that eighteen seniors are completing Honors Thesis projects this term. The presenters have spent at least two semesters planning for and researching their topics, and we invite you to attend as many sessions as you like, to enjoy refreshments, and to participate in the Q&A. Everyone is welcome, so please share with others who may be interested:

**MONDAY APRIL 30**

4:00 **CHRIS SMITH Economics; minor in Music**  
“An Experimental Study in Zero and Negative Prices: Replications and New Evidence”  
Advisor: Dr. Joshua Foster, Department of Economics, College of Business

4:30 **KRISTEN MARGELOFSKY AND MACKENZIE WALES Nursing**  
“A Systematic Review: Intravenous Lidocaine Infusions for Chronic Neuropathic Pain Relief”  
Advisors: Dr. R. Shelly Lancaster and Dr. Kathleen Wren, College of Nursing

5:00 **ANTHONY HOLLAND Biology; minors in Chemistry and Neuroscience**  
“Intrarectal Inoculation of Soft Ticks for Parasite Infection”  
Advisor: Dr. Shelly Michalski, Department of Biology, College of Letters and Science

--- Break ---

5:45 **ELYSSA HOCHEVAR English; minor in Law and Policy**  
“Cyberterrorism and the Development of International Law”  
Advisor: Dr. Tracy Slagter, Department of Political Science, College of Letters and Science

6:15 **JON SIMPSON English**  
“Stereotypes of a Black Male, Misunderstood”: African American Masculinity in Toni Morrison’s *Beloved* and *Jazz*”  
Advisor: Dr. Roberta Maguire, Department of English, College of Letters and Science

**TUESDAY MAY 1**

4:00 **MARY CHANCELLOR English**  
“Ups and Downs of the Trucking Industry: 1935 Regulations to 1980 Deregulation and Beyond”  
Advisor: Mr. Jeff Pickron, Department of History, College of Letters and Science

4:30 **MEG DUFFIELD Chemistry**  
“Effects of Polymers on Silica Sol-gels”  
Advisor: Dr. Jennifer Mihalick, Department of Chemistry, College of Letters and Science

5:00 **JACOB DEWHURST Biology and Chemistry**  
“Synthesis of Tridecy1 Stigmatellin”  
Advisor: Dr. Linfeng Xie, Department of Chemistry, College of Letters and Science

5:45 **NATHAN WITMAN Biology, Chemistry, and Spanish; minor in Microbiology**  
“Manganese in Bacterial Pathogenesis: A Study on Small Protein MntS”  
Advisor: Dr. Lauren Waters, Department of Chemistry, College of Letters and Science

6:15 **ISABELLE ST. JOHN Nursing**  
“Improving Patient Discharge Teaching through Daily Educational Bursts”  
Advisor: Dr. Heather Englund, College of Nursing

6:45 **erin seidler Psychology; minors in Business and Journalism**  
“To Be or Not to Be Delayed: Known Word Initial Processing as a Reliable Predictor of Language Outcome”  
Advisor: Dr. Sarah Kucker, Department of Psychology, College of Letters and Science

--- Break ---

**WEDNESDAY MAY 2**

4:30 **KIRSTIN NELSON Medical Technology; minor in Chemistry**  
“A Study on Drug-Resistant Bacteria: What to Do and How to Fight Them? Enter Bacteriophages: The Virus of Bacteria”  
Advisor: Ms. Mallory Janquart, Department of Medical Technology, College of Letters and Science

5:00 **HANNAH FOLLETT Biology**  
“Interleukin-6 and the GLUT4 Glucose Transporter in Active Fattening Ground Squirrels”  
Advisor: Dr. Courtney Kurtz, Department of Biology, College of Letters and Science

5:30 **LAUREN SUMMERS Biology**  
“Liver Inflammation in Fattening 13-Lined Ground Squirrels: A Possible Model for Obesity”  
Advisor: Dr. Courtney Kurtz, Department of Biology, College of Letters and Science

6:00 **NATALIE OSIEZANEK Finance**  
“Student Debt and the Value of Post-Secondary Education Alternatives”  
Advisor: Dr. Bruce Niendorf, Department of Finance and Business Law, College of Business

6:30 **MARA OBERMEIER Biology**  
“Understanding Perceived Barriers to Healthy Eating on Campus”  
Advisor: Dr. M. Elsbeth McPhee, Department of Biology, College of Letters and Science

Parking is FREE in Lot 15 each day beginning at 3:30. From Algoma Boulevard, turn left just after Blackhawk Commons. Reeve Union is directly across the street from Lot 15.
