

THE HONORS COLLEGE AT UW OSHKOSH

UNIVERSITY HONORS STUDENT ASSOCIATION

Pizza with Honors Alumni! **Meet Dr. Anne Herlache on Thursday, October 6, at 5PM**

Dr. Anne Herlache will be the University Honors Student Association's featured guest for this fall's **Pizza with Honors Alumni** event on **Thursday, October 6**, beginning at **5:00** in **Reeve Memorial Union 212AB**.

An Honors Graduate from Winneconne, Anne received two degrees from UW Oshkosh (BS in Psychology and minor in History in 2009 and an MS in Experimental Psychology in 2011) as well as a PhD in Social Psychology from Iowa State University in 2017.

Anne will discuss her background and interests, graduate studies, research, projects, and more, including the internships, fellowships, and other opportunities that brought her to Washington, DC, where she is a Senior Manager of the Partnership and Innovation Lab in the research division of the Internal Revenue Service.

Anne is eager to meet with students, to provide an overview of her academic and professional journey, to offer insights and advice, and address questions.

We hope that you will be able to attend Pizza with Honors Alumni—and that you will share this invitation with anyone who is interested in relevant fields, is thinking about graduate school in psychology, and/or would like information about careers in public service or within federal institutions.

As with all Honors events, please come and go as your schedule allows. We hope that you can take a break on October 6 for lots of free pizza (courtesy of the UHSA), to hear from one of our own, and to join us in welcoming Anne back to campus!
