Criminal background checks (CBC) are required for individuals working with:

- Cash and/OR
- Minors under the age of 18 and not admitted or enrolled students of the University and/OR
- Master Keys – utilize keys that open multiple areas in building or across campus

If the student position will be working in the above capacity, a CBC needs to be completed.

- The student should not begin work until after the CBC is completed OR
- There needs to be a document in writing that indicates the following verbiage and is signed by the student hire and supervisor:
  
  “This job is contingent upon successful completion of a criminal background check.”
- Both the student and supervisor need to sign and date the document. A copy of the signed understanding should be kept in the department and in Human Resources.

No copies of disclosure statements that the student completes should be kept within the department. All disclosure and result documents are stored in Human Resources.

If student has had a check completed through the College of Education, it does not count for this purpose.

Each job within the department requiring the CBC should have same CBC date entered in HRS.

Charges for Conducting a CBC:
Departments are responsible for paying for the cost of a CBC. The total cost is dependent upon the extent of the check. Average costs are $8.00 - $15.00 per check.
