

# Adding the Performance Management Tile on MyUW Portal

The Performance Management tile provides access to both employee and manager performance management documents.

1. Access your MyUW Portal at <https://my.wisconsin.edu/>
2. Scroll to the bottom of the page and click the **Add to Home** link.

3. In the **Browse MyUW** search field enter **Performance Management**.
4. Click the **Add to Home** button on the far right.

5. Click **MyUW** in the top left corner to return to the portal home page and the new tile will be available.
