

Academic & Limited Staff Moving from Non-exempt to Exempt

The Title & Total Compensation (TTC) Project is a redesign of job title and compensation structures that will result in market-informed titles to help the UW System keep and grow our outstanding workforce. For more project information visit www.wisconsin.edu/ohrwd/title-and-total-compensation-study/.

As part of the redesign of job titles some employees' Fair Labor Standards Act (FLSA) status will change. FLSA is a federal law through the Department of Labor that establishes a set of standards to determine which jobs are covered by the act ("non-exempt") and eligible for overtime payments and which jobs are not covered ("exempt"). Every UW System employee that is subject to the FLSA is given a status of exempt or non-exempt based on all job responsibilities performed for UW System. This table provides information about changes that will occur when there is a change in your exemption status. For more information on FLSA visit www.wisconsin.edu/ohrwd/flsa/.
