AMPLIFIED LEADERSHIP
Supervisory Training

DECEMBER 13
9:30-11:00am
During Leadership Council Meeting
Click the Leadership Council Meeting hyperlink to join training

Learning Objectives:
• learn specific tactics for responding to difficult situations and providing feedback in an effective way
• gain further awareness of team dynamics, common pitfalls that lead to conflict, and unique strategies for resolution
• learn the ability to recreate a healthy culture within your teams

Training with Real Life Experiences

Giving You the Power to:
• engage in your own well-being while supporting employees in their well-being journeys

Presented by
Maggie Gough
Director of Member Experience, WELCOA
