

STEVEN J. WINTERS

Education:

Ph.D., Mathematics (with a concentration in Graph Theory and Computer Science),
Western Michigan University, 1993.

M.S., Applied and Computational Mathematics, University of Minnesota, 1989.

B.S., Mathematics and Computer Science, University of Minnesota, 1987.

Experience:

Professor of Mathematics, University of Wisconsin Oshkosh, 2004 – present.

Associate Professor of Mathematics, University of Wisconsin Oshkosh, 1999 – 2004.

Director, Cooperative Academic Partnership Program (CAPP), University of
Wisconsin Oshkosh, 1996 – 2002.

Assistant Professor of Mathematics, University of Wisconsin Oshkosh, 1993 – 1999.

Research Interests:

Graph Theory and Combinatorics.
