WHAT KIND OF TITAN WILL YOU BE?
Welcome to the Titan family! We’re excited you’re here.

The UWO Guide contains information and resources dedicated to helping you during your transition to college and throughout your time here. Titans are leaders, researchers and champions—we can’t wait to help you discover what kind of Titan you will be!

This publication is for all new students—whether you are a first-year or transfer student. It has been designed for you to use during Titan Takeoff, as well as during Titan Welcome…so keep it handy.

At UW Oshkosh, student success is at the heart of all we do. Departments and staff from more than 35 departments across campus contributed to the guide with the hope that the information you learn now about UW Oshkosh will help make your college experience a great one.

There are four sections in the UWO Guide: Learning at UWO, Life at UWO, Making Your Home at UWO and Things to Know at UWO. It includes some of the departments and services—and the people, places and things—that will be part of your daily life. New Student and Family Programs takes a holistic approach to your transition to the UWO undergraduate experience by considering all aspects of collegiate life. We want to assist you with navigating campus, creating a safe and respectful environment and achieving success as a Titan!

UW Oshkosh and the surrounding community provide abundant opportunities for students. You have opportunities to work, learn and explore. This guide will provide you with information about academic expectations and where to go to get help with everything from studying and getting involved on campus, to becoming an active member in our thriving community.

Take some time during Titan Takeoff to make new friends! This is an exciting start for all new students, and we’re glad you’re here. Again—we welcome you to the Titan family. Hail Titans!

ACADEMIC COLLEGES

COLLEGE OF BUSINESS
uwosh.edu/cob
Innovation, excellence, quality and connections define UW Oshkosh’s College of Business. UWO ranks in the top 15 percent of all business schools in the U.S. and is the only business school in Northeast Wisconsin nationally accredited by the Association to Advance Collegiate Schools of Business (AACSB). Whether your professional aspirations involve finance, marketing or management—the nine undergraduate majors and two master’s degree programs offered by the College of Business provide students a wealth of transformative educational opportunities.

COLLEGE OF EDUCATION AND HUMAN SERVICES
www.uwosh.edu/coehs
The UW Oshkosh College of Education and Human Services is long recognized as a leader in education. The college prides itself on producing some of the best teachers in the state, boasting 217 alumni as Herb Kohl Teacher of the Year award recipients. Quality courses and hands-on experience play an integral role in preparing students to become leading educators, human services professionals and counselors. COEHS offers six undergraduate majors, a variety of master’s degrees and licensure programs, and one doctoral program.

COLLEGE OF LETTERS AND SCIENCE
cols.uwosh.edu
The College of Letters and Science is the largest and most varied college at UW Oshkosh with more than 40 undergraduate majors, six master’s degree programs and upwards of 325 faculty and staff members. Academic degrees span the sciences, arts, humanities and social sciences. Together, academic departments and faculty members have won eight Board of Regents Teaching Excellence Awards—more than any other UW-System institution.

COLLEGE OF NURSING
con.uwosh.edu
The College of Nursing provides undergraduate, graduate and doctorate nursing students with the expert knowledge, clinical practice skills and critical thinking ability necessary for success in today’s health care industry. As the largest producer of baccalaureate nursing graduates in the state and the largest major on campus, the college is fully accredited by the Commission on Collegiate Nursing Education at both the undergraduate and graduate levels, ensuring students receive top-quality training and education. College of Nursing graduates consistently exceed the national pass rate for the National Licensure Examination for Registered Nurses (NCLEX-RN), a testament to the college’s excellence.

HONORS COLLEGE
honors.uwosh.edu
The Honors College offers small class sizes and many co-curricular events to create a unique learning community for more than 500 students. The honors curriculum consists of three honors core courses as well as honors electives, which are smaller versions of required general education classes limited solely to honors students. Through these unique classes and involvement in a small, supportive learning community, the Honors College provides a rewarding academic environment for highly motivated students.
UNIVERSITY STUDIES PROGRAM

General education, done better.

The University Studies Program (USP) is UW Oshkosh’s general education program; embracing the traditional breadth of a liberal arts education in the modern context of liberal education.

Learning Experiences
Students can choose USP courses that match their interests, expose them to new subjects and keep them on track to complete their general education requirements.

Students who start their college career at UW Oshkosh take two Quest courses in their first year as well as a public speaking class and a writing class. In addition to covering disciplinary content, these courses are designed to help students transition to college life by exposing them to campus resources and activities. In particular, the first Quest class offers the following:

- Course enrollment limited to 25 students per section
- Pairing with either a public speaking class or a writing class, meaning students are enrolled in the same section of both classes to foster a community of learning
- Returning students are chosen as “peer mentors” to help first-year students find their way to events, answer questions about campus, and direct them to resources and support services

In the second semester, Quest II, is designed to help students plan their future in college, work and life. In addition to covering disciplinary content, Quest II offers exposure to undergraduate research, academic and student organization opportunities, career planning and alumni interaction.

Students take a third and final Quest course during the fall or spring semester of their second year. Learning in this course is enhanced by a community engagement experience. Students extend their classroom into a community setting by working with a local non-profit, community group or campus partner. This opportunity allows the student to apply their classroom learning to a real-world, practical experience.
Quest III Community Partners
• Habitat for Humanity
• Oshkosh Area Community Pantry
• Local farmers, local schools, veterans and multicultural groups

Course Requirements
The Quest courses are designated on TitanWeb as Quest I, Quest II and Quest III. Students take a Connect course (English 300) after completing the Quest sequence. Connect offers a reflective experience on the liberal education attained by students and uses writing as the primary mode of inquiry.

During their first two years, students take additional general education courses chosen from a number of different disciplines. These Explore courses are divided into the categories of Culture (XC), Nature (XL)(XM) and Society(XS). At least one Explore course must focus on Ethnic Studies (ES) and another on Global Citizenship (GC).

Signature Questions
Three signature questions, drawn from the American Association of Colleges and Universities’ list of essential learning outcomes, are woven throughout the University Studies Program curriculum.

• SUSTAINABILITY: How do people understand and create a more sustainable world?
• CIVIC LEARNING: How do people understand and engage in community life?
• INTERCULTURAL KNOWLEDGE: How do people understand and bridge cultural differences?

“While I could not do my work without the specific legal education I received in law school, I would not be nearly as good at my work without the critical thinking and strong communication and collaboration skills which came out of my general education courses. It is the flexibility, creativity, problem-solving and intellectual curiosity gained in my liberal arts classes—philosophy, anthropology, history, sociology—which have helped me to adapt, prosper and continue to succeed. These are some of the most important courses you’ll take in your undergrad years.”

Scott Barr (class of ’86),
McCarty Law LLP
LEARNING AT UWO

ACADEMIC ADVISING

Undergraduate Advising Resource Center
The Undergraduate Advising Resource Center (UARC) is the central academic advising office at UW Oshkosh with a staff of 19 full-time professional academic advisers and Peer Advising Liaisons (PALs). The UARC serves all undergraduate students with specific emphasis on students who have earned less than 45 credits, are on academic probation or have not declared a major. Professional advisers in the UARC are generalists (can advise for all majors), but may specialize with expertise in a specific college or program. Each adviser is assigned 300-400 advisees based on their expertise.

All undergraduate students begin their advising in the UARC. Students may see professional advisers in 30-minute scheduled appointments for semester/program planning, major exploration, academic difficulty and other academic concerns. Advisers are also available on a drop-in basis to assist with registration issues, completion of forms and clarification of requirements, policies, procedures, etc. Advisers also conduct classroom presentations on advising-related topics and group advising sessions for athletic teams, student clubs and organizations, residence hall floors and academic majors. Advisers regularly reach out to students experiencing academic difficulty through email and phone calls. In addition, advisers teach an Academic and Career Exploration course to assist students with the process of researching and choosing a major.

PALs are available in the UARC office in the Student Success Center during regular business hours. PALs provide a critical service to students. Through extensive training, they develop the skills and knowledge to assist their fellow students with a variety of concerns. PALs are able to quickly determine if a student question/concern can be answered by a PAL on the spot, requires a referral to another office, can be addressed quickly by an adviser in a drop-in session or if an appointment is necessary. If an appointment is needed the PAL then schedules that appointment for the student. Students often need help reading their Student Academic Report (STAR) or more effectively navigating TitanWeb; PALs provide on-the-spot tutorials in these areas so that students can become more efficient and independent in the scheduling process.
Faculty Advising
Eventually, all undergraduate students will transition to a faculty adviser in the department of their major. Academic departments determine at which point faculty advising begins (usually based on completion of a certain number of credits, specific pre-major courses or formal admission to the college/ major). Faculty advisers help students identify career options in their field of study as well as advise students regarding completion of requirements for graduation. Faculty advising places special emphasis on selecting courses, research, internships and other activities that will best prepare students for graduate school or a professional career after graduation.

For more information
Undergraduate Advising Resource Center
Student Success Center, Suite 202
750 Elmwood Ave.
advising.uwosh.edu
advising@uwosh.edu
(920) 424-1268

Advisers recommend the following strategies for success in college:

1. Stay on campus the first six weeks of your first semester
2. See your academic adviser at least once each semester; twice if you have not yet chosen a major
3. Come prepared for all advising meetings with a list of possible courses and questions for your adviser
4. Check your UWO email account daily
5. Know important dates and deadlines
6. Talk to your instructors outside of class
7. Use tutoring resources early and often; don’t wait until after the first test
8. Keep up with reading assignments
9. Use a calendar or planner to make weekly study schedules and stick to it
10. Join at least one student club or activity
11. If you must work, try to keep it under 10 hours per week
12. Ask questions—lots of questions!
The Division of Academic Support of Inclusive Excellence helps the university provide an embracing, welcoming, safe and supportive environment for everyone comprising UW Oshkosh students, faculty, staff and community members.

The Division of Academic Support of Inclusive Excellence offers an array of cultural, educational, and social programs and activities, with specialized services to enhance students’ academic and personal development to facilitate their adjustment to the campus environment. The division also offers academic support, multicultural advising and guidance, educational forums/seminars/workshops, mentoring and referrals to other departments and organizations both on and off campus.

At UW Oshkosh, differences are expected, acknowledged, celebrated and treated with dignity.

(920) 424-3080
asie@uwosh.edu

AMERICAN INDIAN STUDENT SERVICES
American Indian Student Services (AISS), part of the Division of Academic Support of Inclusive Excellence at UW Oshkosh, provides academic support, cultural understanding, academic guidance and counseling referrals for American Indian students. AISS is responsible for providing programs and services that support persistence, retention and graduation for these students.

AISS offers the following resources and more:
• Mentoring and study groups
• One-on-one cultural support and guidance
• Connection to student organizations
• Assistance finding scholarships, internships and grants

For more information
American Indian Student Services
Center for Equity and Diversity
717 W. Irving Ave.
uwosh.edu/go/aiss
(920) 424-0229

MEN OF COLOR INITIATIVE
Established in 2017 by the Division of Academic Support of Inclusive Excellence at UW Oshkosh, the Men of Color Initiative (MOCI) offers programs and services that support persistence, retention and graduation of male students of color. The MOCI offers students:

• Tutoring and study groups
• Connection to student organizations like the Men of Distinction
• Assistance finding internships and fellowships
• Student advocacy and assistance
• One-on-one cultural support and guidance
• Campus and community events and activities
• Leadership and professional development
• Open dialogue forums through Brother2Brother Talks
• Mentorship opportunities

STUDENT ACHIEVEMENT SERVICES
Student Achievement Services (SAS) is dedicated to the academic success of diverse students through support services, collaborations and high impact programs and practices that lead to greater student independence, personal growth and lifelong learning. Student Achievement Services in the Division of Academic Support of Inclusive Excellence is composed of three distinctive units, each targeted to meet the mission of the department and the division. These include Multicultural Retention Programs (MRP), PreCollege Programs and Multicultural Education Center (MEC).

Multicultural Retention Programs (MRP) provides academic and student support services to assist in the enrollment, retention and graduation of multicultural (African American, Asian, Hispanic/Latino, Hmong and Native American Indian) and underserved/underrepresented (low-income, first generation) students. Programs and services include academic coaching and tracking, leadership development, mentoring and other related services.
Multicultural Education Center (MEC) has evolved into a multipurpose resource center that seeks to bring people together to promote and celebrate diversity on campus, in the greater Oshkosh area and in the extended communities. MEC sponsors enrichment programs and activities, serves as a resource for faculty, students, staff and the community, and is the embassy for all multicultural and international students on campus.

For more information
Student Achievement Services
Campus Center for Equity and Diversity
717 W. Irving Ave.
sas.uwosh.edu
(920) 424-3081

STUDENT SUPPORT SERVICES (SSS) AND STUDENT SUPPORT SERVICES STEM (SSS STEM)
Student Support Services offers advising and support for first-generation and/or limited-income students. Students with documented disabilities may also be served. Only 420 students are members of the SSS program, meaning students get individualized attention from an adviser from the time they enter the program until graduation. Services are free and students may qualify for SSS scholarships.

UW Oshkosh has two SSS programs: one serves students in all majors and the other focuses on the STEM and health sciences fields. SSS is funded by a grant from the U.S. Department of Education.

Eligibility
Students joining SSS must be citizens or nationals of the U.S. or meet the residency requirements for federal student financial aid and meet one of the following criteria as mandated by the federal government:

• First-generation college student (parents do not have a four-year college degree)
• Family has limited income as defined by federal guidelines

Services
• Academic advising
• Tutoring referrals
• Financial aid and financial literacy information
• College success skills and academic coaching
• Career and degree guidance
• Personal support

“SSS has given me the feeling of belonging, knowing that everyone here wants to help you and see you succeed!”
-Hannah Weber

First-Year Student Learning Groups
Learning groups are small groups of first-year students who meet weekly to learn about college success, academic skills and leadership development. Two upper-class SSS/SSS STEM students lead each group and serve as peer mentors. All first-year students in the SSS and SSS Stem programs are assigned to a learning group. Weekly attendance is required.

How to Apply
Applications are available at the SSS office or online at sss.uwosh.edu or stemsss.uwosh.edu

For more information
Student Support Services Offices
Center for Equity and Diversity
717 W. Irving Ave.
(920) 424-1310
uwoss@uwosh.edu

“SSS adviser is one of the main reasons I am still in college. Without her I would be lost. She provides me with the detailed explanation of courses I need and makes sure I am on track to graduate. Thank you for believing in me!”
-Zijo Zulic
ADULT LEARNER AND NONTRADITIONAL STUDENT RESOURCES

An adult student is typically one or all of the following: a parent, 25 years or older, a veteran, someone who delayed enrollment or took a break from higher education, and someone employed full-time or part-time. The Division of Online and Continuing Education is dedicated to the success of all adult students.

We provide student resources including:

- Staff to address individual student needs and questions
- Referral for help with writing, study skills and tutoring services
- Connections to on and off campus resources
- Ongoing support and assistance throughout a student’s college career

CREDIT FOR PRIOR LEARNING

Adult learner/nontraditional students bring life and career experience to the classroom and have the opportunity to earn credit for their prior knowledge. At UW Oshkosh, students may be awarded college credits for their invaluable work and life experiences three ways:

1. Portfolio Option
   Adult students may be able to earn credit for learning gained through years of experience at work, in military service, as volunteers or in settings outside the formal classroom.

2. CLEP Exam
   The College-Level Examination Program (CLEP) gives students the opportunity to receive college credit for what they already know by earning qualifying scores on an exam.

3. Military Service Experience
   An official military transcript can be evaluated, and with other military documentation, a student may be able to earn credits for their military experience.

HELP DESK
Can’t log in? Not sure how to connect to campus Wi-Fi? Come to the Help Desk in Dempsey 207, call us at (920) 424-3020 or email helpdesk@uwosh.edu. Students living in residence halls can receive assistance in Gruenhagen 103 or by calling (920) 424-0863.

STUDENT TECHNOLOGY CENTER
Need a camera? Not sure how to use Adobe Creative Suite? Come to the Student Technology Center located in Polk 5.

COMPUTER LABS
Six computer labs with Windows and Macintosh computers provide students with the software needed to get work done. The labs also provide access to campus print services. Visit it.uwosh.edu/computer-labs/ for locations and current hours of operation.

CLASSROOM SUPPORT
Planning a classroom presentation? Not sure how to use the technology? Come to one of our Classroom Technology Centers in Clow C010 or Halsey 259a.

ONE BUTTON STUDIO
Want to practice a presentation or create a video for a school project? Come to the One Button Studios in Polk 8 and Sage 4231. You may reserve either space using Google calendar. Bring your USB drive, press the button and you’re ready to roll.
REGISTRAR’S OFFICE

WHAT DOES THE REGISTRAR’S OFFICE PROVIDE?

• **Registration:** Courses requiring department, instructor or adviser consent can be processed in the Registrar’s Office. To withdraw from all classes, send an email to withdraw@uwosh.edu. Include full name, student ID# and the term.

• **Official transcripts:** Transcripts can be obtained in person, by mail, or ordered on TitanWeb or online. Fee information and hours are listed at uwosh.edu/registrar/transcripts.

• **Graduation application:** Students can obtain an application for graduation at uwosh.edu/registrar/graduation

• **Veterans services** provides support for active-duty veterans, guard members, reservists and dependents of veterans. The Veterans Resource Center can assist with federal and state education benefits as well as support services both on and off campus.

WHAT’S AVAILABLE ON TITANWEB

• **Enrollment appointment information:** Registration dates and eligibility

• **STAR:** Student Academic Report

• **Account holds:** May prevent enrollment and issuing of transcripts

• **UWO class search:** Search and filter courses based on specific criteria

• **UWO course catalog:** Individual course overviews and descriptions

• **Grades:** From past and present courses

• **Adviser information:** Name and contact information

• **Transcripts:** Unofficial and official

• **Good student discount verification**

• **Voter identification:** Verification of enrollment and proof of campus address

• **Verification of enrollment:** Used for insurance providers, loan guarantor, credit issuers or housing providers

• **Personal and emergency contact information:** Names, phone numbers and addresses

• **Financial account summary**

Problems using TitanWeb?
Contact Academic Computing in Dempsey Hall room 207 or call (920) 424-3020, weekdays 8 a.m. – 4:30 p.m.
For assistance with TitanWeb call (920) 424-0303 ext. 2, weekdays 8 a.m. – 4:30 p.m.

RESOURCES FOR ACADEMIC SUCCESS

ACCESSIBILITY CENTER
The UW Oshkosh Accessibility Center coordinates reasonable accommodations for students with disabilities. The goal of the Accessibility Center is to ensure all students have an equal opportunity to fully engage in the classroom and the campus community as a whole.

How do I receive accommodations?
1. Visit our webpage: www.uwosh.edu/go/accessibility
2. Submit an accommodation request form
3. Submit documentation from your provider
4. Schedule an initial interview with our accessibility coordinator

What are the accommodations?
Academic
• Electronic textbooks and course materials
• Exam accommodations
• Proctors, scribes and readers for exams
• ASL interpreters
• Note-taking assistance
• Assistive technology
• Classroom accommodations

University community
• Dining
• Housing
• Parking

Accessible computer labs
• The Access Lab is equipped with adaptive software, large screen computers and document magnifiers.
• Many computer labs across campus are equipped with page magnifiers, high-resolution scanners and CCTV magnifiers
• All labs have a large-screen computer, Zoomtext software and access to Kurzweil software.

PROJECT SUCCESS
Mission
To provide students at the University of Wisconsin Oshkosh with dyslexia and related language-based learning disabilities individualized support services and remedial instruction to become academically independent.

Philosophy
The Project Success program will remain a unique and integrative part of the campus community by providing students with dyslexia and language-based learning disabilities:
• High-quality instruction and organizational strategies to foster independence and academic excellence in all disciplines.
• Multi-sensory instruction and opportunities to use both the phonemic sound structure of the American-English language and the advanced language structures they encounter in their postsecondary studies.
• A venue where students are provided with the opportunity to voice concerns, share ideas, and establish strength-based learning strategies to reduce the impact of their disabilities in their college and post-college lives.

Project Success provides assessments for all UW Oshkosh students who are struggling in reading, writing, spelling and/or mathematics. Any student struggling in these areas is encouraged to speak with a Project Success staff member.

POLK LIBRARY
College-level work requires using the best sources in the best ways.

In addition to Polk’s selection of books, media titles and primary source collections on the shelves, students have borrowing privileges across the UW System, including UW Madison, which boasts one of the 10 largest academic library collections in the country. On top of that, Polk has an all-electronic journal collection of more than 50,000 titles.
These advanced resources, written by specialists, are an essential part of collegiate research. Polk also offers a growing streaming video collection for access to important documentaries and licensed educational video content.

Polk Library is a great place to work on assignments and study. Polk is a home office, study hall and roommate-free zone with WiFi and a variety of study environments. Find quiet study areas for solo work, bustling workspaces for group projects and even private, tech-equipped study rooms perfect for either. Students can use the mobile site to find available workstations and spaces before getting to the library.

Polk’s professional academic librarians and staff are available to help students navigate this new world of college-level research. In addition to visiting classes for instruction sessions, staff is available for students in person, via webchat, email, phone or one-on-one consultations.

Monday-Friday: 8 a.m.–4:30 p.m.

TUTORING AND SUPPLEMENTAL INSTRUCTION
Center for Academic Resources
The Center for Academic Resources (CAR) provides free one-on-one, drop-in or group tutoring as well as supplemental instruction services for UWO undergraduate students.

Tutoring Benefits Include:
• Individualized learning experiences
• Increased knowledge and understanding of material
• Improved study strategies

Content Tutoring:
Work with a trained, faculty-recommended peer tutor who has taken the course and done well in it. Support is available for most 100-, 200- and select 300-level courses on campus – see the CAR website for all we have to offer.

Supplemental Instruction & Peer Educator Review Sessions:
Supplemental Instruction (SI) and Peer Educator Review Sessions (PERS) are held within larger 100- and 200-level lecture courses. Leaders conduct group review sessions each week that are centered on what students need to know to succeed in the course. To facilitate these sessions, leaders re-attend lectures and work closely with course instructors to determine the focus of each week.

Fall and Spring Semester Hours:
Monday-Thursday: 8 a.m.–8 p.m.
Fridays: 8 a.m.–4 p.m.
See website for interim and summer hours

For more information
Center for Academic Resources
Student Success Center, Suite 102
750 Elmwood Ave.

The mathematics department operates two free, drop-in tutor labs in Swart Hall.

**Developmental Mathematics Tutor Lab**, Swart 301, provides walk-in tutoring for students enrolled in Math 100, Math 101 and Math 103. Visit uwosh.edu/mathematics/developmental-mathematics for more information.

The **Math Tutor Lab**, Swart 113, begins on Monday of the second week during fall semester and the first Thursday of spring semester.

- Monday through Thursday, 9 a.m.–4 p.m. (For some courses until 5 p.m.)
- Fridays, 9 a.m.–2 p.m.
- Monday and Thursday, 6–7:30 p.m. (For some courses.)

Free, walk-in tutoring available for the following course clusters: Math 104, 106, 108, 171; Math 172, 273; PBIS 189, Math 201; Math 204, 206; Math 110, 211, 217; and if volunteers are available, PBIS 187, 188.

Fall and spring tutoring lab schedule to be posted at uwosh.edu/mathematics/tutor/tutorlab.php

**RESOURCES FOR ACADEMIC SUCCESS**

**READING & STUDY SKILLS CENTER**
The Reading & Study Skills Center assists students in developing the reading and study strategies that are essential for academic success and life-long learning. Students can enroll in one- and two-credit academic skills courses, or schedule individual coaching sessions for topics such as test preparation, academic reading, note taking, time management and test taking. Appointments can be scheduled online, via email or phone, or in person. Visit uwosh.edu/go/study for drop-in hours and additional information.

**For more information**
Reading & Study Skills Center
Nursing/Education, Room 201
845 Algoma Blvd.
wosh.edu/go/study; readingstudy@uwosh.edu
(920) 424-1031

**WRITING CENTER**
The Writing Center helps students become better writers through free, one-on-one sessions. Peer consultants are students who have been trained to work with individual students on any assignment or project in any major or subject area.

Appointments are scheduled online and last up to 50 minutes. Students can schedule up to three appointments per week. The Writing Center offers online, evening and weekend appointments.

STUDY ABROAD

OFFICE OF INTERNATIONAL EDUCATION
OIE offers short- and long-term study abroad, intern abroad and National Student Exchange opportunities, advises international students on immigration regulations, and runs an Intensive English Program for non-native speakers of English.

Study or Intern Abroad/Away and National Student Exchange
Students gain a global or regional perspective through immersion, become fluent in another language, add unique skills and experiences to their resumes. Choose from 80+ group or individual programs abroad and in the U.S. Start the journey at uwosh.edu/oie/away and check out our web resources for funding, exploring and choosing options, applying and more.

GLOBAL SCHOLAR DESIGNATION
The Global Scholar designation is a 12-credit, self-directed course of study open to all UWO students who wish to distinguish themselves as emerging global citizens prepared to navigate an increasingly complex, interdependent world.

For more information
globalscholar@uwosh.edu
globalscholar.uwosh.edu

“My biggest takeaway from my program was a lot to do with myself and the independence that I grew from being abroad. I’ve never been abroad before, and being able to be in that country, I wasn’t just there, I was able to thrive. Being able to dive in and do everything that country has to offer was a wonderful experience.”

Becca Olson, student teaching in Ireland, spring semester 2017

“During my sophomore year, I fulfilled my dreams of studying abroad in London, England. While abroad, I was able to travel to eight countries, meet many interesting people, and see some pretty amazing places. I highly encourage anyone who is thinking of studying abroad to take full advantage of it! The time is now, and you will not regret it. Cheers!”

The Dean of Students Office supports students at UW Oshkosh through advocacy, care, guidance and support. Specifically, our purpose is to:

- Fill the gaps in serving students
- Help students navigate UW Oshkosh
- Influence the student experience in a positive way
- Guide the institution on policies, laws and regulations affecting students

In fulfilling our purpose, we:

- Advocate for students
- Challenge and support students, faculty and staff
- Cultivate learning and development opportunities
- Create a space for students to be heard, valued and validated
- Work to solve problems
- Work to ensure a safe and inclusive community for our students
- Protect the integrity of the university community

### Student Advocacy

The Dean of Students Office strives to provide advocacy for students in need.

Students encountering a problem who are not sure where to turn, should come to the Dean of Students Office. Whether it is an issue in a class or a problem with a landlord, we can help with support and advocacy.

### Student Care Team

The Student Care Team (SCT) is a network focused on prevention and early intervention for students experiencing distress. SCT meets on a weekly basis to coordinate care for students and provide the assistance necessary to ensure they are personally and academically successful.

### Title IX

The Dean of Students Office manages student accommodations (i.e. change in class schedule, residence hall move, no contact directive) relating to Title IX complaints, investigations or other related instances involving sexual assault, domestic violence, dating violence and stalking.

### Bias Incident Report

UW Oshkosh is committed to fostering an inclusive environment where every member of our community is respected and valued. Whenever an instance of bias occurs, we encourage filing our online report so that the situation can be addressed.

### Late Withdrawal/Late Drop from Coursework

If a severe circumstance impedes a student's ability to be academically successful, the Dean of Students Office processes late withdrawal/late drop coursework requests.

### Out of Class Letters

When a student misses class due to a personal or medical circumstance, the Dean of Students Office sends faculty an email notifying them of the absence.

### Accessibility Center

Refer to page 17 to learn more about accessibility resources on campus.

### Student Conduct

The Dean of Students Office is responsible for the student conduct process at the university. Our process is grounded in education and development and practices fundamental fairness to all involved. Our philosophy is guided by the notion that mistakes made can be invaluable learning opportunities for students. Furthermore, it is our goal with the student conduct process that we cultivate a safe community for all students, staff, faculty and guests at UW Oshkosh.

For more information
Dean of Students Office
Dempsey Hall, Room 125
800 Algoma Blvd.
uwosh.edu/deanofstudents
BILLING
Billing of tuition and fees is done electronically through TitanWeb with email notifications sent to a student’s UW Oshkosh email account. There are three billings for fall/spring and two for summer. Initial billing is done two weeks prior to the start of the semester and students are notified by email when the bills are ready.

Payment is due in full on the first scheduled due date (10th day of classes) unless the student has signed the electronic Partial Payment Plan which is found on TitanWeb. The Partial Payment Plan allows for three monthly installments versus paying in full on the first due date. With the payment plan 10 percent of the total bill is due the first due date and two, 45-percent payments are due the following months. The amount due for a student will be shown on TitanWeb under the account balance summary section. If the payment plan has been signed, there is a 1 percent finance charge assessed every 30 days on an unpaid balance.

Payment can be made at the Cashier’s Office in Dempsey Hall, second floor main hall, with cash or check. Payments can also be made online with an e-check, MasterCard, Discover or American Express.

Late payments will result in a hold on the account. The hold will prevent adding/dropping classes, transcripts and future enrollment. Missing the first payment of the semester may result in being withdrawn from classes. If a payment plan has not been signed, there is a $75 late charge for non-payment by the due date.

Financial Aid is applied automatically to a student’s account. Overages will be refunded via direct deposit, found on TitanWeb, or a check, which takes two weeks to process. Students with financial aid still need to check TitanWeb to ensure payments post to their account. Financial aid payments may be delayed if there are items on their to-do list found on TitanWeb.

Visit adminservices.uwosh.edu/student-financial-services/ for more information on tuition and fees, payment deadlines, the partial payment plan, direct deposit, 1098T form and drop dates. Please refer to the FERPA section for more information on how students can grant their parent(s) access.

FINANCIAL LITERACY
The Financial Aid Office educates and motivates students to build a solid financial foundation while they are in college. The GradReady program is a free financial literacy tool provided by UWO that promotes financial wellness and encourages students to take control of their finances early in their careers. It includes budgeting, managing student loan debt and providing helpful financial information, and is available through the Financial Aid website.

The GradReady program has three sections:
• Path 1 – Paying for College – It’s all about making a plan
• Path 2 – Money Management – Budgeting your money
• Path 3 – Real World Finance – Student loan repayment
FINANCIAL AID
All correspondence from the financial aid office is sent electronically via TitanWeb. Students may allow their parent(s) the ability to view the bill, financial aid awards and items still needed. Please refer to the FERPA section for more information on how students can grant their parent(s) access.

Students should check TitanWeb frequently to make sure there are no outstanding “to-do” items and connect with the Financial Aid Office on social media for timely updates.

Student loans require additional steps for first-time borrowers. Students should follow the “to-do” links on TitanWeb.

In order to continue receiving financial aid, students must meet Satisfactory Academic Progress (SAP) by maintaining at least a 2.0 GPA, completing 67 percent of coursework and completing programs within the maximum time frame. An email goes to every student receiving financial aid at each enrollment period to monitor their SAP status.

UWO Financial Aid office offers free financial literacy to students to improve and strengthen their money management skills. This in turn provides positive benefits throughout the college years and beyond.

FINANCIAL

STUDENT EMPLOYMENT
Many students seek part-time employment to help cover expenses during college. Use Handshake to search for on-campus employment opportunities. Students can login to Handshake online at uwosh.joinhandshake.com.

UW CREDIT UNION
UW Credit Union understands students’ busy schedules, juggling school, work and everything college life has to offer. We make it easy for students to manage their money—and have friendly experts to help every step of the way.

We offer a Campus Package that comes with a no-minimum-balance checking, free debit card with unlimited ATM transactions, savings account and more.

UW Credit Union also offers these services:
- Branch in Reeve Memorial Union
- Fee-free ATMs on campus
- Mobile app for 24/7 access
- Push, text and email notifications to stay on top of balances
- Mobile wallet options to pay on-the-go

Students can access their accounts quickly and easily right on campus or with our mobile app. Apply online at uwcu.org, stop by the UWO branch in Reeve Union during advisement and registration or orientation, or visit any UW Credit Union branch.

Federally insured by NCUA.

GETTING INVOLVED

ATHLETICS
A member of the Wisconsin Intercollegiate Athletic Conference (WIAC), UW Oshkosh competes at the Division III level of the National Collegiate Athletic Association (NCAA), where student-athletes compete without the benefit of athletic aid or scholarships.

During the 2016-17 academic year, 456 students represented the Titans in athletic competition. Of that total, 124 students participated in two or more of the 19 sports offered.

UW Oshkosh student-athletes are students first and athletes second. Each year, several UW Oshkosh student-athletes earn conference, regional and national academic honors for their outstanding performance in both the classroom and competitive arena. In 2016-17, 220 students-athletes—nearly 48 percent—achieved a 3.0 grade point average or higher.

UW Oshkosh is the owner of 46 national team championships, including 31 NCAA Division III titles. The Titans’ list of NCAA Division III championships is highlighted by nine in both women’s indoor and women’s outdoor track and field and four by both men’s and women’s cross country.

In the WIAC, UW Oshkosh has won 193 championships. The overall total is led by 29 in baseball, 16 in women’s cross country, 14 in women’s gymnastics, 13 in both women’s indoor track and field and women’s volleyball.

UW Oshkosh students with a valid TitanCard receive free admission for all regular-season home sporting events. Titan Dollars are accepted at the concession stands. A shuttle bus transports UW Oshkosh students to all regular-season home football games at J. J. Keller Field at Titan Stadium.

#HAIlTITANS
LEADERSHIP AND INVOLVEMENT
& REEVE MEMORIAL UNION

Leadership and Involvement
Student leadership and involvement opportunities allow students to connect, learn and grow as contributing citizens. From volunteerism opportunities and late night programs to fraternity and sorority life and diversity and inclusion programs, there is something available for everyone. Students can also become part of UW Oshkosh campus traditions, including…

• **Titan Welcome**: A rich tradition at UW Oshkosh that is about building relationships with fellow classmates, connecting with faculty, staff and returning students, acclimating to campus life, celebrating Titan spirit and having fun.

• **Titan Nights**: A late night event that takes place the first Friday of every month during fall and spring semesters.

• **Hands on Oshkosh**: A semi-annual volunteer program where students go into the Oshkosh community to volunteer and make a difference.

• **Homecoming**: One of the greatest traditions on campus. Homecoming is a full week of fun including student competitions, tent city celebration, royalty competitions and a UWO football game.

• **Alternative Break**: A trip in which a group of college students engages in volunteer services over a university break period. Alternative Break trips challenge students to think critically and react to problems faced by members of the communities in which they are involved.

• **Winter Carnival**: An annual celebration of winter that has been a tradition of UW Oshkosh for more than 50 years. Events include ice sculpture carving, broomball, trivia night and rope pull.

• **Bye Gosh Fest**: This festival celebrates the end of the spring semester; it features live music, carnival games, food, crafts and more.
GETTING INVOLVED

UW Oshkosh is proud to have more than 160 clubs and organizations on campus. If students are looking to get involved, all they need to know is what interests them. Organizations are categorized by service, entertainment, fraternity and sorority life, arts and culture, sports and recreation, academic and departmental, government, environmental, religious, special interest and social.

For a complete list of student organizations and upcoming events visit reeve.uwosh.edu/involvement.

Reeve Memorial Union
Reeve Union provides a lively environment with quality dining services and diverse experiences that foster learning, leadership, social interaction and healthy lifestyles for UW Oshkosh students and the community...bring campus to life. From programming and special events to hangout, study and eating spaces, Reeve Union is the perfect place to visit and relax. Reeve Union is home to…

- Copy This!! copy services
- Student involvement desk
- Steinhilber Art Gallery
- Titan Central and TitanCard office
- Titan Underground
- University Books & More
- University Dining Office and meal plans
- UW Credit Union

RESOURCE CENTERS

LGBTQ RESOURCE CENTER
The Mission of the LGBTQ Resource Center is to create a safe, inclusive and affirming campus climate that fosters academic success and personal growth for students, faculty and staff of all genders and sexualities through education, advocacy and support.

Resources
• LGBTQ+ media collection containing thousands of titles
• Online resources uwosh.edu/lgbtqcenter
• Friendly and helpful staff

Educational Programming
A variety of programming is offered each academic year:

• Queer film series
• TransAction week
• Guest speakers and lecturers
• Dramatic readings
• Discussion panels on current events and the LGBTQ+ experience

Support and Services
• Gender Outfitters
• Queer Peer Program
• S.A.F.E. training
• Volunteer and internship opportunities

Programs are designed to increase awareness of LGBTQ+ lives, foster personal growth and promote a shared responsibility for a campus climate that is safe for everyone. All programs are free and open to everyone including the greater Fox Valley community.

WOMEN’S CENTER
Intersectional Innovation for Gender Equity

Part of the Division of Academic Support of Inclusive Excellence, the UW Oshkosh Women’s Center hosts programs and events to educate the UW Oshkosh community, provides resources for students, faculty, staff and community members, and actively seeks collaborations with campus and community members to promote gender equity.

We endeavor to help people of all genders work, play and live together in ways based on mutual respect by:
• Providing resources and education for the UW Oshkosh community
• Creating a welcoming place for people to connect
• Promoting an environment that values equity and diversity
• Engaging students, faculty, staff and the community to work toward solutions for intersectional gender issues

WOMEN’S CENTER (CONTINUED)

The Women’s Center provides a range of intersectional programming for professional, personal and academic development. Check email or the Women’s Center website for information about upcoming programs. The Women’s Center is also a physical space that is great for studying, hosting meetings, hanging out, enjoying a complimentary cup of coffee, tea or hot chocolate, and/or playing video games. Level Up! is the Women’s Center’s feminist video game initiative, which seeks to promote critical analysis of diversity in video games. The Women’s Center has a PS4 with a growing collection of video games and 55-inch 4K TV, computer lab (five PCs, two Macs), a lactation room and two all-gender bathrooms. The Women’s Center is fully accessible.

Visit the Women’s Center’s website and social media sites for the most updated information about programs and events. Also, keep the Women’s Center in mind when looking for volunteer opportunities and internships!

Students do NOT have to identify as a woman to visit the Women’s Center or attend Women’s Center events. People of all genders are welcome!

VETERANS RESOURCE CENTER

The Veterans Resource Center (VRC) provides a central location to explore available education benefits and campus resources while connecting with other veterans, friends and VRC staff. The VRC provides support and guidance to current and prospective student veterans, guard members, reservists, and their spouses and dependents.

The purpose of the VRC is to empower the military-affiliated community at UW Oshkosh with the tools necessary to achieve their academic goals. The VRC offers the following services:

• Education benefits information
• Student services information
• Priority registration information and sign up
• Information on campus events and resources
• Computer lab with printer and scanner
• CAC capabilities
• Lounge with Wi-Fi
• Free coffee
• A place to connect with other veterans

HEALTHY LIVING

CAMPUS VICTIM ADVOCATE
The Campus Victim Advocate is an employee of Reach Counseling Services and works in collaboration with the UWO Counseling Center through a grant providing advocacy services for victims of interpersonal violence.

Sexual assault: Use of force, coercion, intimidation and/or manipulation to participate in unwanted sexual activity.

Intimate partner violence: Any intimidation, threat of violence or violence between current or former partners in an intimate relationship.

Stalking: Repeated, unwanted attention from someone who feels threatening or uncomfortable.

Sexual harassment: Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature.

Advocacy services are free and confidential and do not require you to report!

Medical Advocacy
• Discuss your medical options after a sexual or physical assault
• Discuss your evidence collection options
• Accompany you to the hospital

Legal Advocacy
• Discuss your legal options and rights
• Accompany you to file a police report or any court proceedings
• Assist you in obtaining a restraining order

University Advocacy
• Discuss the university’s responsibilities in responding to these incidents
• Assist you in filing a report with the university
• Coordinate with other university departments to support victims (Residence Life, Dean of Students, etc.)

Personal Advocacy
• Discuss your thoughts and feelings after these incidents
• Help you create a safety plan
• Offer support to your friends/family

Contact the Campus Victim Advocate
A volunteer advocate can assist after hours.

COUNSELING CENTER
The Counseling Center at UW Oshkosh provides a place of inspiration and guidance for the wellness of all students.

Our approach includes a balance of treating mental illness concerns and strengthening the essential aspects of mental health. Our focus is for students to flourish which includes feeling good and functioning well.

Services
The Counseling Center provides a variety of free and confidential services to students.

Individual counseling: Meet one-on-one with a counselor.
Group therapy: Join a therapy group that best addresses your goals and benefit from the support and wisdom of your peers and a counselor.
Wellness workshops: Participate in a variety of workshops that help you to achieve wellness through various areas of skill-building, self-care, life skills and creativity.
Biofeedback: Learn how to achieve relaxation and better health through the training of your breathing through technology.

The Just Breathe Room: Enjoy a place of solitude for gentle exploration of simple activities through your various senses that help you to feel well.

The Rejuvenation Room: Enjoy our heated massage chair while listening to music along with aromatherapy. This room is also available for interfaith practices and lactating mothers.

The Flourish Group: Begin your path towards personal empowerment and wellness by learning specific skills to increase happiness and overall health.

Drop In & Breathe: 30-minute opportunity to engage in mindfulness and relaxation activities.

Animal-assisted therapy: Meet with our therapy dog, Annie, along with a counselor to relax and center yourself.

How to Make an Appointment
Students can call the Counseling Center at (920) 424-2061 or walk in and request an appointment.

STUDENT HEALTH CENTER

The Student Health Center (SHC) at UW Oshkosh is a nationally accredited medical clinic and provides a full range of health care services to all registered students.

Our staff consists of experienced, board certified, credentialed professionals comprising physicians, nurse practitioners, a mental health nurse practitioner, nurses, medical assistants and administrative professionals.

Most office visits are free. There are minimal charges for physicals, lab tests, procedures, injections and medications. Services can be paid for using the TitanCard or billed to a student’s account.

Services
- Evaluation, diagnosis and treatment by physicians and nurse practitioners
- Triage nurse
- Laboratory testing
- Behavioral health diagnosis and treatment
- Men’s health
- Women’s health
- Transgender health
- Sexual health services; contraceptive care, STI testing
- Physical exams
- Immunizations
- Allergy injections

Schedule an appointment
shcportal.uwosh.edu

Our Student Health Portal provides convenient, accessible health care online which allows patients to send and receive secure messages, view lab results, access certain medical records, schedule appointments and complete health forms online.

TOP 5 BENEFITS
According to a student survey:

- Health care at a low cost
- Quick appointment scheduling
- Convenient appointment times
- Peace of mind regarding health
- No need to travel to receive care

99% of UWO students recommend the Student Health Center and their SHC provider to a friend.
(Patient Satisfaction Survey, 2017)
HEALTH PROMOTION & WELLNESS
Health Promotion embraces an overall healthy lifestyle. The goal of health promotion at UW Oshkosh is to create a culture of health and well-being that fosters personal and academic success. In collaboration with university and community partners, health promotion efforts provide holistic education, support and resources for students to create and sustain long-term, healthy behaviors.

Health Promotion Programs and Events
Campus-wide events and campaigns
• Self-Care Fair
• De-Stress Fest
• Body Positive Campaign
• Spring Break Health Fair
• Financial Fitness seminars
• Healthy Eating on a Budget

Classroom, departmental and student organization presentations and workshops
• Sleep hygiene
• Sexual health and relationships
• Physical activity and exercise
• Alcohol and drug abuse
• Stress management and mental health
• Nutrition and meal planning
• Sexual assault and violence prevention

Peer Wellness Educators
Wellness educators are Student Recreation & Wellness Center student employees trained to provide health promotion education to the campus community. They focus on prevention and harm reduction and assist with organizing and staffing a wide range of wellness initiatives.

Peer Health Advocates in Residence Halls
Health Advocates (HAs) are residence hall student employees trained to handle minor health concerns including colds and flu, first aid, substance use/abuse, sexual health, stress management, etc. They have supplies to handle minor health concerns, such as bandages, ice packs, common over the counter medicines, thermometers, contraceptives and more. HAs serve as a confidential resource and referral agent in addressing student health and wellness needs.

STUDENT RECREATION
A wide variety of recreational opportunities are available for students at UW Oshkosh. First-rate facilities, intramural sports, sports clubs, the Outdoor Adventure Center (OAC), group exercise, massage, fitness assessments, weight room orientations, personal training and other group and individual programs and activities provide something for everyone.

Facilities
The Student Recreation and Wellness Center (SRWC) includes 104,000 square feet of recreation space offering basketball courts, jogging and walking track, indoor multi-purpose gym, volleyball courts, climbing wall, golf simulator, strength training areas, 100+ pieces of cardio exercise equipment, two group exercise studios, cycling studio, TRX suspension training, fitness on demand and a lounge area for students to relax, study or watch television.

Facilities
The Student Recreation and Wellness Center (SRWC) includes 104,000 square feet of recreation space offering basketball courts, jogging and walking track, indoor multi-purpose gym, volleyball courts, climbing wall, golf simulator, strength training areas, 100+ pieces of cardio exercise equipment, two group exercise studios, cycling studio, TRX suspension training, fitness on demand and a lounge area for students to relax, study or watch television.

Campus recreational facilities also include Kolf Sports Center, which features basketball and volleyball courts, Albee Hall also houses basketball and volleyball courts, four racquetball courts and an aquatics facility with a nine-lane lap pool and an adjoining diving well.
The Rec Plex is the home for intramural sports, sports clubs and drop in recreation. The Rec Plex is a 4.35 acre recreational complex with lighted, multi-use synthetic turf, a 3000+-square-foot support building and a seasonal dome for use from November to May to allow for year-round recreation.

**Programs and Activities**

**Aquatics** activities include open lap swim, aqua fitness classes and special events.

**Sport clubs** are student organizations that provide members learning experiences, new skills and the opportunity to practice and compete in their favorite sport. There are currently 18 active sport clubs: bowling, cheer and stunt, climbing, dance, fishing, men’s golf, hip hop, ice hockey, karate, men’s and women’s lacrosse, racquetball, rifle, women’s rugby, tennis, ultimate Frisbee and men’s and women’s volleyball.

**Group exercise classes** are held daily in the SRWC studios. Personal trainers are also available for hire at discounted rates for students.

**Intramural sports** for varying skill levels feature a wide variety of recreational and competitive opportunities, including soccer, basketball, volleyball, dodgeball, floor hockey, tennis, wrestling, ultimate Frisbee, racquetball, bags and flag football.

**The Outdoor Adventure Center** is responsible for the operation of the climbing wall and bicycle repair shop at the SRWC. The OAC also offers a comprehensive supply of outdoor equipment available for rent including short- and long-term bike rentals and leads numerous outdoor trips throughout the academic year.

SAFETY

UW OSHKOSH POLICE DEPARTMENT
The UW Oshkosh Police Department is dedicated to developing partnerships with the community we serve in order to support and enhance the mission of the university. Campus police will preserve a learning environment that supports inclusivity, excellence and quality of life across campus, to provide a safe atmosphere for all students, faculty, staff and visitors.

The UWO Police Department oversees several areas of campus encompassing Risk Management, Emergency Management and Parking Services.

Community Service Officer Program
Community Service Officers (CSOs) are student employees who provide additional safety and security on campus through a number of programs. They patrol the campus in pairs, work security stations within the residence halls during nighttime hours, offer the Safewalk/Saferide program and provide additional resources for special events.

Safewalks/Saferides are available to students, employees and campus guests who wish to be escorted at night to and from areas close to campus (see our map below). To request a Safewalk download and use “UWO Mobile” the UW Oshkosh app or call the police department at (920) 424-1212.

What happens when I request a Safewalk?
• Students will be asked to provide name, affiliation with the university, phone number, current location and desired destination. This information ensures we connect with you and get you safely to your intended location.
• Students must remain in the area provided to the dispatcher.
• If possible, remain available at the phone number provided to the dispatcher in case additional instruction or information is needed.

UWO Mobile App
The UWO mobile app is available for both iPhone and Android phones. Instructions to download the app can be found on the UWO Police Department website.

Titan Alerts
Titan Alert, a campus-wide alerting system, is used to communicate important campus information directly to mobile phones, email and social media. Students, faculty and staff can sign up to receive these alerts by visiting emergency.uwosh.edu/titanalert.

Reporting Incidents:
We have several different ways to connect with campus police to report incidents and information. The UWO mobile app has several reporting options, our website is available to report non-emergency incidents or students can call 911 for an emergency or the non-emergency phone line listed below.
COMMTUER STUDENTS

College life goes far beyond the classroom for UW Oshkosh commuter students. For many commuters it takes extra effort to get involved in campus life. Students can visit their professors during office hours, volunteer to be the team captain on a class project or join an academic club. Whether a student plays on an athletic team, attends plays and concerts or takes advantage of service-learning and career-building activities, it’s easy to get involved. Many of the activities on campus are free for students.

Involvement

- Hang out with other students in Reeve Memorial Union
- Join a student organization
- Utilize campus resources
- Ask for help from faculty, staff, counselors and advisers
- Find a job on campus through Handshake
- Visit the Student Recreation and Wellness Center
- Purchase a meal plan designed specifically for commuters
- Attend a Reeve Union Board (RUB) event: movies, live music, Titan Nights and more

Commuter Lounge
First floor, Reeve Memorial Union, Student Involvement

- Comfortable furniture
- Microwave, fridge and computer
- Single-day and semester locker rentals
- Nearby television and study lounges

Parking
Commuter students should allow themselves 20-30 minutes to find a parking spot at the start of each semester.

- Parking permit information is located on page 39.
- Campus map with parking lot information is located on page 48.

Communication

- Inform your professors that you commute—especially if you live outside of Oshkosh—so in case of bad weather they know you might be late or absent. Email your instructors if you are not able to attend class.
- During potentially bad weather, call the weather line (920) 424-0000 or visit uwosh.edu for weather-related closings or postponements. Before you leave home and head to campus, check D2L to see if your professors have canceled class.

RESIDENCE LIFE

On Campus Housing
Residence Life strives to make the UW Oshkosh residence halls a clean, safe and inclusive environment for students. National trends continue to show students who live in residence halls are more likely to be successful academically, complete their education and develop greater interpersonal skills.

Housing Requirement
Most new students are required to live in the residence halls unless they live within a specified distance and commute from their parent or legal guardian’s permanent home within 45 miles of campus. Additionally, UWO will exempt anyone from the housing requirement if one or more of the following are true by the first day of a fall semester:

- They have successfully earned at least 48 credits
- They are at least 21 years of age
- They have lived in a residence hall for four semesters
- They are married
- They are a veteran

Housing-exempt students must complete a commuter card on or before the first day of fall classes. The commuter card can be found at housing.uwosh.edu/go/commuter-card.
Room Assignments
Most UWO students choose their residence hall room assignment through our online room sign-up process. Information about our sign-up process, including important dates, can be found at housing.uwosh.edu.

Specific dates and time slots for room sign-up will be based on the date the housing deposit is submitted through the housing application. Students must have a completed housing application to participate in room sign-up. Students receive all information regarding room sign-up through their UW Oshkosh email account.

Roommates
New students should expect to share a room with a roommate. Students have the opportunity to request and confirm a roommate in advance of selecting a residence hall space. The deadline to confirm a roommate is included in the room sign-up “important dates.”

Residence Life staff support and encourage the development of civil, respectful roommate relationships in a variety of ways. All roommates will create a roommate agreement in the first weeks of the semester. Hall staff, including community advisers and residence hall directors, review all roommate agreements and act to assist students if other concerns arise.

Move-In
The Department of Residence Life staff at UW Oshkosh works hard to create a move-in experience that is a positive, low-stress and exciting start to the academic year for students, parents and families. Students are encouraged to visit the move-in information section of the Residence Life website for complete details and important updates at housing.uwosh.edu/go/move-in.

2018 Move-in Dates:
Labor Day Weekend

Sunday, Sept. 2, 2018
New students move into the residence halls

Monday, Sept. 3, 2018
Continuing students move into the residence halls.

Students approved for an early move-in due to involvement in fall athletics or select student organizations will receive direct communication from the Department of Residence Life in August. Any other student wishing to request an early move-in date must submit their request through the move-in application in the MyUWO Portal found on our website.
RESIDENCE LIFE

What to Expect
Move-in day can be busy with traffic, parking, luggage and people. By following the process and reviewing the online information page, students and their families can begin happily unpacking shortly after arriving on campus.

All students and their families will begin moving in at our drive-through check-in. Simply pull into the designated lot at the student’s pre-selected time and provide photo ID to receive keys and unloading passes.

After following the designated route to an assigned hall, the vehicle(s) will pull into an unloading zone to drop off belongings. The driver then moves the vehicle to the appropriate parking lot while others from the student’s party begin moving items into the room.

Volunteers will be available at all halls to assist with unloading, provide directions for students and families, answer questions and ensure a positive move-in experience.

How to Pack
Join Residence Life in creating a sustainable move-in! Students are encouraged to use sturdy, reusable boxes or crates to keep items together. All containers should be labeled with the student’s name, residence hall and room number prior to arriving on campus. Volunteers will unload the vehicle(s) while keeping student’s belongings together.

Bed Linen and Loft Program
Residence Life has partnered with two vendors to help students with their loft and bed linen needs. Below is information on the companies and the services they provide.

On Campus Marketing
UW Oshkosh has been offering the Residence Hall linens program since 1993. When students reserve college bedding through this program, they ensure the right size linens for move-in. The selection is larger than what can be found anywhere else, at prices that are budget-friendly; every product is guaranteed to fit and guaranteed to last from move-in to graduation.

We recommend that parents and students respond early to have the widest selection of college bedding to choose from. To place an order, visit rhl.org/wok.
RESIDENCE LIFE

College Products
Students who elect to live in Donner, North Scott, South Gruenhagen, South Scott and Webster have the opportunity to rent a loft through College Products. After selecting their residence hall room, loft rental information will be sent to residents of these halls. Loft pricing and in-room delivery and set up options can be found at collegeproducts.com.

Students who live in Evans, Fletcher, Horizon, Stewart and Taylor aren’t able to rent lofts as the provided room furniture can be lofted.

Sending and receiving packages
Family and friends can send mail to residence hall students by sending it directly to their residence hall address.

Addresses for our residence halls can be found at housing.uwosh.edu/residence-halls. Packages will be accepted one week prior to move-in.

Students may bring additional items to create a comfortable living space in their room. These items may include bedding, bath supplies, laundry items, electronics, kitchen items and other small goods. For a full list of suggested items, visit housing.uwosh.edu/go/whattobring.

Certain items are prohibited in the residence halls at UW Oshkosh. The following items should not be brought to campus:

- Pets (other than fish)
- “Octopus plugs” and extension cords
- Candles and incense
- Various appliances, including:
  - Any with open coils
  - Toasters
  - George Foreman/electric grills
  - Pizza ovens

For additional items prohibited from the residence halls, visit housing.uwosh.edu/go/whattobring.

UNIVERSITY DINING

UW Oshkosh has a variety of dining venues available throughout campus with convenient hours of operation (Monday-Sunday options); from a coffeehouse to a made-to-order salad station and all-you-care-to-eat commons, there is something available for everyone. All dining locations accept a variety of payment methods, from flexible meal plans and Titan Dollars to cash and credit card. Dining locations and menus can be reviewed by visiting dining.uwosh.edu.

Nutrition
University Dining knows that food choices and dietary habits are important parts of our daily lives and are crucial for the health and well-being of students. Our responsibility is to provide nutritionally balanced food choices with accurate ingredient information so that each individual can make the best dietary decisions for themselves on a daily basis. Please email us at dining@uwosh.edu to start the conversation surrounding dietary questions.

Meal Plans
UW Oshkosh offers flexible meal plans for both residential and commuter students. Meal plans are a perfect blend of meals and Titan Dollars, allowing students the flexibility to choose when, where and what they eat. Learn more about specific meal plan options, criteria and cost by visiting dining.uwosh.edu.

Residential Meal Plans
Residence hall students with fewer than 30 credits must choose from the basic or deluxe meal plans. The Basic meal plan includes 15 regular meals per week and the deluxe meal plan includes 21 meals per week. Both plans come with 15 bonus meals per semester that may be used for a guest or yourself at most campus dining locations. All resident meal plans also include Titan Dollars to be used at any food location on campus. Unused fall Titan Dollars roll into the spring semester. All Titan Dollars balances are forfeited after spring interim. All meal plans are priced for a full 17-week semester.

Off Campus Student Meal Plans
The off-campus student meal plans are designed to specifically meet the unique needs of our commuter students who dine on campus. These plans offer students the flexibility of using the meals any day, any time, at most campus dining locations. All plans are blended with Titan Dollars for the option of quick grab-and-go purchases.

dining.uwosh.edu
RESIDENCE HALL STUDENT PARKING

Students who have signed up for housing and have a contract with Residence Life will be sent parking information in late June or early July to their Titan email account. If interested in obtaining a parking permit for the fall 2018 semester, a permit application must be received by the Parking Services office by July 31, 2018.

Resident permits will be assigned on the basis of the applicant’s class standing. Graduate students and seniors will receive permits first, then juniors, etc. The first class that does not have enough permits available to cover every applicant will be placed in the lottery and only that class will go into the lottery. Class standing will be determined by the number of credits a student has earned prior to the application deadline date of July 31. The lottery drawing will be held during the beginning of August 2018. Resident parking is limited; lower classmen should make alternate plans for their vehicles. Late applications may not be accepted.

Students whose names are drawn will be notified they have a permit reserved and informed how to pick up their permit. Permits are billed to the student’s account. If a student’s name is not drawn, alternative parking option information will be emailed to them.

COMMUTER STUDENT PARKING

Permit options and parking fees for the 2018-2019 academic year are as follows:

<table>
<thead>
<tr>
<th>Permits</th>
<th>Annual</th>
<th>One Semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>Commuter*</td>
<td>$300</td>
<td>$160</td>
</tr>
<tr>
<td>Monday/Wednesday/Friday</td>
<td>$190</td>
<td>$105</td>
</tr>
<tr>
<td>(MWF 14-week semester only)*</td>
<td></td>
<td></td>
</tr>
<tr>

<td>$55</td>
</tr>
<tr>
<td>Evening* (Valid 4 –12 p.m. 14-week semester only)</td>
<td>$75</td>
<td>$40</td>
</tr>
</tbody>
</table>

Motorcycle/moped • Contact office for pricing and information.

*Only these permits may be placed on a carpool hook for an additional $5 fee.

Permits are expected to be ready for purchase in mid-August, but please check parking.uwosh.edu to confirm availability.

Parking and Transportation office hours are 7:45 a.m.–4:30 p.m., Monday through Friday. Parking Services will be open extended hours at the start of fall semester.

If parking information is not received by July 15, 2018, please contact the Parking Services office at parking@uwosh.edu or (920) 424-4455.

Parking fees for the 2018-2019 academic year are as follows:

- Resident Permit • $325
- Premium Permit • $450
- Reserved Lot 23 • $450
- FVTC Shuttle Lot Permit • $200

All resident permits are sold for the full academic year and include interims and summer term.

For short-term parking solutions, one-week permits may be available. Stop by the Parking Services office in the lower level of Blackhawk Commons to inquire about availability.

Alternate Transportation and Shuttle Services

For information on alternate transportation and shuttle services, visit parking.uwosh.edu and click on the buses and shuttles link:

- UW Oshkosh Shuttle
- GO Transit
- Titan Transit
- UW Oshkosh Zimride
- Enterprise CarShare

Prices and availability are subject to change.

In addition, the following short-term permits are available:

<table>
<thead>
<tr>
<th>Short-term Parking Options</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>One-day commuter permit</td>
<td>$3</td>

TITANCARD AND TITAN DOLLARS

The TitanCard is the official identification card for every student, faculty and staff member at UW Oshkosh. It offers a convenient, easy and safe way to make purchases and utilize campus services. Beyond being a university ID card, students can use their TitanCard for their meal plan, to hold Titan Dollars that can be used for campus purchases, as a library card, a door access card and a pass for athletic events and the SWRC.

What are Titan Dollars?
• Declining balance account
• Accepted as a form of payment at most retail and service locations on campus
• Carry from fall to spring semester; remaining balance may be converted to a UW Oshkosh gift card
• Non-refundable while enrolled at UW Oshkosh

Please note
• Residence hall students have $150 of Titan Dollars per semester as part of the Student Convenience Program.
• All meal plans include additional Titan Dollars of various amounts.

Online Card Office
To manage Titan Dollars and TitanCard, visit reeve.uwosh.edu/onlinedeposits.

Students can…
• Purchase Titan Dollars
• Check balances
• View account activity
• Deactivate ID if lost or stolen

Parents/Family can…
• Add Titan Dollars

To learn more about the benefits, policies, deposit options and FAQs for the TitanCard and its functions on campus, please visit us online at reeve.uwosh.edu/titancard or stop by Titan Central, located in Reeve Memorial Union.
UNIVERSITY BOOKS & MORE AND CORNER CONVENIENCE STORE

UNIVERSITY BOOKS & MORE

Textbooks
The University Books & More textbook department stocks used, rental and new textbooks, as well as a selection of digital resources. Students can view course material information on the bookstore’s website and materials can be purchased either in store or online. Online orders may be shipped or picked up when students arrive on campus. Textbooks and course supplies can be charged to the student’s account.

At the end of each semester, including summer and interim terms, University Books & More offers textbook buyback. Students may receive up to half of new book price in cash—even if they purchased it from a different source. Rental books are due back to the store the Monday following the end of the term.

Clothing and Gifts
University Books & More has the largest authentic selection of UW Oshkosh clothing. The clothing department includes Under Armour, Nike and many other popular clothing brands.

Anyone may stop in to shop the full collection of clothing.

Select items are available online at uwosh.edu/bookstore! Use promo code: TAKEOFF18 to get 20 percent off an online clothing order. Coupon expires Aug. 31, 2018.

University Books & More also stocks a wide variety of imprinted gift items. Some popular items include:

- Electronic accessories
- Fair trade gifts and clothing
- Titan spirit giftware
- Posters
- Art supplies
- School and office supplies
- General books

CORNER CONVENIENCE STORE

Located next to University Books & More in Reeve Memorial Union, the Corner Convenience Store offers the quickest and closest place on campus to shop for:

- Cold beverages and soft drinks
- Candy, snacks and chips
- Laundry and cleaning supplies
- Frozen pizzas
- Ready-to-eat sandwiches and single-serve meals
- Vegan and gluten-free options
- Health and beauty products

Location and Hours
Both stores are located inside Reeve Memorial Union on the main level.

University Books & More
Academic year store hours:
Monday–Friday 8 a.m.–6 p.m.
Saturday 11 a.m.–5 p.m.
Sunday 4:30–7 p.m.

Corner Convenience Store
Academic year store hours:
Monday–Friday 7:30 a.m.–9 p.m.
Saturday 11 a.m.–9 p.m.
Sunday noon–9 p.m.

Employment Opportunities
University Books & More and Corner Convenience Store offer opportunities for student employment with flexible hours, a convenient campus location and friendly staff. Applications are available online.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

ACCESS TO STUDENT RECORDS
The Family Educational Rights and Privacy Act (FERPA) is a federal law that grants students the right to determine who will receive academic information about them. Students must authorize the release of records before any third party—including parents—can view them.

The university has made it easy for students to grant access to third parties/parents through our online system called TitanWeb. After logging into TitanWeb, students will see a link that is called “Grant Access to Others” on their Student Center page.

The student will create an account for the third party and can choose to give access to four types of information:

- View financial aid awards
- View student conduct
- View and pay tuition and fees
- View grades and term statistics

The student will then receive a confirmation email that shows the login and password for the new account. This email needs to be forwarded to third parties/parents so they know how to log in. If parents don’t have internet access, the student can download the records and provide them.

Parent/guest access only covers those records maintained in TitanWeb. If a student wants his/her adviser to discuss academic information with a parent, the student can contact the adviser to give them permission to speak to their parent. Other records, such as mental health, physical health and faculty notes/records, are restricted by federal and state laws, university policy and professional standards. Students can release information from these records to a third party on a case-by-case basis through that particular office.

In most cases, the university will not contact parents or provide medical, academic or disciplinary information without the student’s consent. In an emergency where the student’s health is in jeopardy or there is a concern that the student poses a threat to themselves or to someone else, the university will contact parents. As a rule, if the student is able to communicate about the situation, they are expected to decide whether and how to discuss it with family members.

Questions about FERPA should be directed to the Office of Student Affairs at (920) 424-4000.

For more information
Vice Chancellor for Student Affairs
Dempsey Hall, Room 148
uwo.edu/stuaff
(920) 424-4000
ACADEMIC MISCONDUCT

It’s a student’s responsibility to be informed about what constitutes academic misconduct, how to avoid it and what happens if they engage in it. Examples of academic misconduct include (but are not limited to):

• Plagiarism (turning in work of another person and not properly citing the work)
• Copying another student’s homework, paper or exam
• Cheating on an exam
• Allowing another student to copy your work
• Falsifying academic documents

What happens if a student engages in academic misconduct?

UW Oshkosh takes academic misconduct allegations very seriously. Professors will contact students if they believe the student has engaged in academic misconduct and may ask the student to explain their work. If they still believe the student engaged in misconduct after meeting with them, they will decide on a sanction, which may include a zero on the assignment or exam, a lower grade in the course or failure in the course. The Dean of Students’ Office is informed of academic misconduct. Repeated acts of academic misconduct may result in more serious actions such as probation or suspension. For more information, please go to uwosh.edu/deanofstudents/university-policies-procedures.

What should students do if they know a classmate is cheating?

If students know a classmate is cheating on an exam or other academic exercises, they should notify their professor, teaching assistant or exam proctor. As a part of the university community, students are expected to uphold the standards of UW Oshkosh. Also, consider how a classmate’s dishonesty on the exam may affect the overall grading curve and other students’ grades in the class.

How to avoid academic misconduct

• Avoid copying and pasting directly from the internet.
• Know how to cite sources in a paper, lab report or other assignments.
• Use the Writing Center for help with citations. They are experts in APA, MLA and other citation styles.
• Understand the expectations and limitations when working in groups (i.e., Is collaboration allowed on the project or written paper? Should the project or written paper be done alone?).
• Utilize campus resources, such as the Writing Center, for assistance.
UNDERSTANDING TITLE IX AT UWO

UW Oshkosh prohibits discrimination in employment and in all university programs and activities including prohibitions against sex discrimination and sexual harassment.

These prohibitions are included in university policies and procedures; s. 36.12, Wisconsin Statutes, Titles VI & VII of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972, as amended; Section 504 of the Rehabilitation Act of 1973; and the Americans with Disabilities Act of 1990, as amended. A summary of the laws and policies implemented by the university can be found online at titleIX.uwosh.edu.

Title IX prohibits discrimination on the basis of sex in any educational program or activity receiving federal financial assistance. Title IX requirements cover sex discrimination, sexual harassment, sexual misconduct and sexual violence. In accordance with these requirements, UW Oshkosh is responsible for taking immediate and effective steps to respond to sexual misconduct and violence. Sexual violence may include physical sexual acts performed against a person’s will or when a person is incapable of giving consent. A number of acts fall into the category of sexual violence, including rape, sexual assault, sexual battery and sexual coercion.

TITLE IX COORDINATOR

UW Oshkosh and community resources are available to address questions concerning sex discrimination, sexual harassment, sexual misconduct and sexual violence.

Individuals with questions or concerns about sex discrimination, sexual harassment, sexual misconduct and sexual violence may contact the University’s Title IX coordinator:

Ameerah McBride, J.D.
Director of Equal Opportunity & Access
Special Assistant to the Chancellor
Title IX Coordinator
mcbridea@uwosh.edu

➤ For more information, including reporting options and a list of the deputy Title IX coordinators please visit us online at titleix.uwosh.edu.

Notice of Nondiscrimination
The University of Wisconsin Oshkosh is committed to nondiscrimination on the basis of race, color, ethnic or national origin, sex, sexual orientation, gender identity, religion, age, ancestry, disability, genetic information, military status, veteran status, arrest or conviction record, or political affiliation in admissions, educational programs or activities and employment, including employment of disabled veterans and veterans of the Vietnam Era, as required by applicable laws and regulations. Inquiries concerning Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and the Americans With Disabilities Act Amendments Act of 2008, may be directed to the Director of Equity and Affirmative Action, University of Wisconsin Oshkosh, 800 Algoma Boulevard, Oshkosh, Wisconsin, 54901 (Phone) (920) 424-0330.

HLC Accreditation Statement
UW Oshkosh received unconditional re-accreditation for the maximum period of 10 years (2007–2017) by the Higher Learning Commission (HLC) of the North Central Association of Colleges and Schools (NCA) in recognition of its sustained improvement and the strength of its programs.
