Welcome to the Titan family! We’re excited you’re here.

The UWO Guide contains information and resources dedicated to helping you during your transition to college and throughout your time here. Titans are leaders, researchers and champions—we can’t wait to help you discover what kind of Titan you will be!

This publication is for all new students—whether you are a first-year or transfer student. It has been designed for you to use during Titan Takeoff and throughout your student experience...so keep it handy.

At UW Oshkosh, student success is at the heart of all we do. Departments and staff from across campus contribute to the guide with the hope that the new information you learn about UW Oshkosh will help make your college experience a great one.

There are four sections in the UWO Guide: Learning at UWO, Life at UWO, Making Your Home at UWO and Things to Know at UWO. It includes some of the departments and services—and the people, places and things—that will be part of your daily life. New Student and Family Programs takes a holistic approach to your transition to the UWO undergraduate experience by considering all aspects of collegiate life. We want to assist you with navigating campus, creating a safe and respectful environment and achieving success as a Titan.

UW Oshkosh and the surrounding community provide abundant opportunities for students to work, learn and explore. This guide will provide you with information about academic expectations and where to get help with everything from studying and getting involved on campus, to becoming an active member in our thriving community.

Take some time during Titan Takeoff to make new friends. This is an exciting start for all new students, and we’re glad you’re here. Again—we welcome you to the Titan family. Hail Titans!

COLLEGE OF BUSINESS
uwosh.edu/cob
Innovation, excellence, quality and connections define the College of Business. UWO ranks in the top 15 percent of all business schools in the U.S. and is the only business school in northeastern Wisconsin nationally accredited by the Association to Advance Collegiate Schools of Business (AACSB). Whether your professional aspirations involve finance, marketing or management—the nine undergraduate majors and two master’s degree programs offered by the College of Business provide students a wealth of transformative educational opportunities.

COLLEGE OF EDUCATION AND HUMAN SERVICES
uwosh.edu/coehs
The College of Education and Human Services is long-recognized as a leader in education. The college prides itself on producing some of the best teachers in the state, boasting 217 alumni as Herb Kohl Teacher of the Year Award recipients. Quality courses and hands-on experience play an integral role in preparing students to become leading educators, human service professionals and counselors. The college offers six undergraduate majors, a variety of master’s degrees and licensure programs, and one doctoral program.

COLLEGE OF LETTERS AND SCIENCE
uwosh.edu/cols
The College of Letters and Science is the largest and most varied college at UW Oshkosh with more than 40 undergraduate majors, six master’s degree programs and upwards of 325 faculty and staff members. Academic degrees span the sciences, arts, humanities and social sciences. Together, academic departments and faculty members have won nine Board of Regents Teaching Excellence Awards—more than any other University in the UW System.

COLLEGE OF NURSING
uwosh.edu/con
The College of Nursing provides undergraduate, graduate and doctorate nursing students with the expert knowledge, clinical practice skills and critical-thinking ability necessary for success in today’s healthcare industry. As the second-largest producer of baccalaureate-prepared nurses in the state and the largest major on campus, the college is fully accredited by the Commission on Collegiate Nursing Education (CCNE) at both the undergraduate and graduate levels, ensuring students receive top-quality training and education. College of Nursing graduates consistently exceed the national pass rate for the National Licensure Examination for Registered Nurses (NCLEX-RN), a testament to the college’s excellence.

HONORS COLLEGE
uwosh.edu/honors
The Honors College offers small class sizes and many co-curricular events to create a unique learning community for more than 500 students. The honors curriculum consists of three honors core courses as well as honors electives, which are smaller versions of required general education classes limited solely to honors students. Through these unique classes and involvement in a small, supportive learning community, the Honors College provides a rewarding academic environment for highly motivated students.
The University Studies Program (USP) is UW Oshkosh’s general education program embracing the traditional breadth of a liberal arts education in the modern context of liberal education.

**Learning Experiences**

Students can choose USP courses that match their interests, expose them to new subjects and keep them on track to complete their general education requirements.

Students who start their college career at UW Oshkosh take two Quest courses in their first year as well as a public speaking class and a writing class. In addition to covering disciplinary content, these courses are designed to help students transition to college life by exposing them to campus resources and activities. In particular, the first Quest class offers the following:

- Course enrollment limited to 25 students per section
- Pairing with either a public speaking class or a writing class, meaning students are enrolled in the same section of both classes to foster a community of learning
- Returning students are chosen as “peer mentors” to help first-year students find their way to events, answer questions about campus and direct them to resources and support services

In the second semester, Quest II is designed to help students plan their future in college, work and life. In addition to covering disciplinary content, Quest II offers exposure to undergraduate research, academic and student organizational opportunities, career planning and alumni interaction.

Students take a third and final Quest course during the fall or spring semester of their second year. Learning in this course is enhanced by a community engagement experience. Students extend their classroom into a community setting by working with a local nonprofit, community group or campus partner. This opportunity allows students to apply their classroom learning to a real-world, practical experience.
Quest III Community Partners
• Habitat for Humanity
• Oshkosh Area Community Pantry
• Local farmers, schools, veterans and multicultural groups

Course Requirements
Quest courses are designated on TitanWeb as Quest I, Quest II and Quest III. Students take a Connect course (Writing 288) after completing the Quest sequence. Connect offers a reflective experience on the liberal education attained by students and uses writing as the primary mode of inquiry.

During their first two years, students take additional general education courses chosen from a number of different disciplines. These Explore courses are divided into the categories of Culture (XC), Nature (XL)(XM) and Society (XS). At least one Explore course must focus on Ethnic Studies (ES) and another on Global Citizenship (GC).

Signature Questions
Three signature questions, drawn from the American Association of Colleges and Universities’ list of essential learning outcomes, are woven throughout the USP curriculum.

• Civic Learning: How do people understand and engage in community life?
• Intercultural Knowledge: How do people understand and bridge cultural differences?
• Sustainability: How do people understand and create a more sustainable world?

“While I could not do my work without the specific legal education I received in law school, I would not be nearly as good at my work without the critical thinking and strong communication and collaboration skills which came out of my general education courses. It is the flexibility, creativity, problem-solving and intellectual curiosity gained in my liberal arts classes—philosophy, anthropology, history, sociology—which have helped me to adapt, prosper and continue to succeed. These are some of the most important courses you’ll take in your undergrad years.”

Scott Barr (class of ’86), McCarty Law LLP
ACADEMIC ADVISING

Undergraduate Advising Resource Center
The Undergraduate Advising Resource Center (UARC), the central academic advising office at UW Oshkosh, is staffed by full-time professional academic advisers and Peer Advising Liaisons (PALs). The UARC serves undergraduate students in all majors with specific emphasis on students who have earned less than 45 credits, have not yet declared a major or are on academic probation. Professional advisers in the UARC are generalists (can advise for all majors), but also specialists with expertise in a specific college or program. All undergraduate students begin their advising in the UARC.

Your UARC adviser will:
• Get to know you and help you reach your academic goals
• Assist you with exploring majors, careers and campus resources
• Help with course selection, semester planning and staying on track to graduate

Ways to meet with an adviser in the UARC

Open Advising
Available at the beginning of each new semester

Individual Appointments
Scheduled 30-minute appointments

Drop-In Hours
Intended to help answer quick 5–10 minute questions

Mandatory Group Advising
Certain majors receive emails with scheduled advising times

On average, students who take 15 credits per semester are more likely to graduate in four years.
PALs are available in the UARC office in the Student Success Center during regular business hours. PALs are trained to assist their fellow students with a variety of concerns. PALs are able to quickly determine if a student’s question or concern can be answered on the spot, requires a referral to another office, can be addressed quickly by an adviser in a drop-in session or if a scheduled advising appointment is necessary. If an appointment is needed, the PAL will help schedule the appointment for the student.

**Faculty Advising**

Eventually all undergraduate students will transition to a faculty adviser in the department of their major. Academic departments determine at which point faculty advising begins (usually based on fulfilling a certain number of credits, completing specific pre-major courses or formal admission to the college/major). Faculty advisers help students identify graduate school and career options in their field of study as well as advise students regarding course completion required for graduation. Faculty advising places special emphasis on selecting courses, research, internships and other activities in the major that will best prepare students for graduate school or professional life after graduation.

---

Advisers what you to know about the 3 Ps as you make UW Oshkosh your home!

- **3 People** who can help. Advisers can!
- **3 Places** where you feel comfortable.
- **3 months** of Patience to acclimate and transition to life at UWO.

---

Advisers recommend the following strategies for success in college:

1. Stay on campus the first six weeks of your first semester.
2. Check your UWO email account daily.
3. Know important dates and deadlines.
4. Talk to your instructors outside of class.
5. Use tutoring resources early and often; don’t wait until after your first exam.
6. Keep up with reading assignments.
7. Use a calendar or planner to make weekly study schedules and stick to it.
8. Join at least one student club or activity.
9. If you must work, try to keep it under 10 hours per week.
10. Ask lots of questions!
ACADEMIC ADVISING

Registering for Classes Using College Scheduler

1. Sign into TitanWeb using your NetID.

2. In your Student Center under Academics, select and open College Scheduler, which will open in a new browser window.

3. Select the term you are interested in registering for. Save and Continue.

4. For your academic career, select Undergraduate. Save and Continue.

5. Select your home campus. Save and Continue

6. Add courses from your advising sheet by clicking on Add Course.

If you are an athlete, be sure to include practice times in your schedule with Add Break.
7. **Adding Quest Classes:**

There are two ways to search for courses.
1. By Subject
2. Search by Section Attribute

Make sure to select an option from each dropdown menu. Once your selections are complete, click **Add Course.**

8. Once you have added all the courses from your advising sheet, click **Back.**

9. Review your course list to make sure you have all the classes you need, then click **Generate Schedules.**

10. You may view schedules individually or compare up to four at a time by checking the grey box. Once you have selected your desired schedule, click **Send to Shopping Cart.** You also have the option to print your schedule.

11. In your shopping cart, select **Register.** Your registration results will then appear. Click OK to see your Current Schedule, where you can also edit or drop classes if needed.

12. To view a list of your final classes, close out of College Scheduler and return to TitanWeb. In the dropdown menu under academics, select **Class Schedule,** and then select your desired term.
The Division of Academic Support of Inclusive Excellence offers an array of cultural, educational and social programs and activities, with specialized services to enhance students’ academic and personal development. We offer academic support; multicultural advising and guidance; educational forums, seminars and workshops; mentoring; and referrals to other departments and organizations both on and off campus.

We are committed to helping students achieve their fullest potential and prepare them for global leadership through an engaging co-curricular experience that embraces, affirms and transforms every student with respect for their varied backgrounds. At UW Oshkosh, differences are expected, acknowledged, celebrated and treated with dignity.

**AMERICAN INDIAN STUDENT SERVICES**
American Indian Student Services (AISS) provides academic support, cultural understanding, academic guidance and counseling referrals for American Indian students. AISS is responsible for providing programs and services that support persistence, retention and graduation for these students.

**Services:**
- Academic guidance and coaching
- Assistance finding scholarships, internships and grants
- Connections to campus resources
- Native American study tables
- One-on-one cultural support and mentoring
- Student advocacy
- Tutoring referrals

**MCNAIR SCHOLARS PROGRAM**
The McNair Scholars Program, a federally funded TRIO Program, prepares bright, highly motivated undergraduates from traditionally underrepresented backgrounds for graduate studies. Eligible candidates include low-income students, first-generation students and/or individuals who identify as African American, Latinx and/or American Indian.

McNair scholars engage in activities that hone the skills necessary to succeed in graduate school. Central to the experience is an intensive, faculty-mentored research internship and opportunities to present at national conferences.

**Services**
- Academic counseling
- Spring seminar series, introducing scholars to the McNair Program
- Spring interim research methods course
- Paid, faculty-mentored summer research internship
- Financial support to attend conferences and present research
- Graduate Record Examination (GRE) preparation
- Tutoring: writing and math
- Visits to graduate schools
- Assistance with the graduate school application process

**For more information**
McNair Scholars Program
Halsey Science Center
921 Elmwood Ave.
uwosh.edu/mcnairscholars
(920) 424-7306

**MEN OF COLOR AND LATINO/A/HISPANIC INITIATIVES**
Men of Color and Latino/a/Hispanic Initiatives (MCLHI) promotes the academic and professional development of Latino/a/Hispanic students (including undocumented students) and underrepresented males at UW Oshkosh. MCLHI collaborates with a broad range of campus entities to maintain an inclusive campus environment and ensure the retention, persistence and graduation of students.

**Services**
- Academic guidance and coaching
- Assistance applying to graduate school, internships and career opportunities
ACADEMIC SUPPORT OF INCLUSIVE EXCELLENCE

- Bilingual services (Spanish/English) – ¡Se Habla Español!
- Connections to campus resources
- Leadership and professional development
- One-on-one cultural support and mentoring
- Student advocacy
- Study skills sessions
- Ties to Latino/a and Hispanic community resources
- Tutoring referrals

STUDENT ACHIEVEMENT SERVICES
Student Achievement Services (SAS) is dedicated to the academic success of diverse students through support services, collaborations and high-impact programs and practices that lead to greater student independence, personal growth and lifelong learning. Student Achievement Services is composed of three distinct units, each targeted to meet the mission of the department and the Division of Academic Support of Inclusive Excellence.

Multicultural Retention Programs (MRP) provides academic and student support services to assist in the enrollment, retention and graduation of multicultural (African American, Asian, Hispanic/Latino, Hmong and Native American Indian) and underserved/underrepresented (low-income, first-generation) students. Programs and services include academic coaching and tracking, leadership development, mentoring and other related services.

Multicultural Education Center (MEC) has evolved into a multipurpose resource center that seeks to bring people together to promote and celebrate diversity on campus, in the greater Oshkosh area and in the extended communities. MEC sponsors enrichment programs and activities, serves as a resource for faculty, students, staff and the community, and is the embassy for all multicultural and international students on campus.

PreCollege Programs are academic summer camps at which middle and high school students are exposed to the college experience and life as a Titan.

Services
- Academic guidance and coaching
- Assistance with graduate school application process
- Connections to other campus resources
- Financial aid and financial literacy information
- Leadership and professional development
- Mentorship opportunities
- Student advocacy

For more information
Student Achievement Services
Campus Center for Equity and Diversity
717 W. Irving Ave.
uwosh.edu/sas
(920) 424-3081

STUDENT SUPPORT SERVICES (SSS) AND STUDENT SUPPORT SERVICES STEM (SSS STEM)
Student Support Services offers advising and support for first-generation and/or limited-income students. Students with documented disabilities also may be served. Only 420 students are members of the SSS program, meaning students get individualized attention from an adviser from the time they enter the program until graduation. Services are free and students may qualify for SSS scholarships.

UW Oshkosh has two SSS programs: one serves students in all majors and the other focuses on the STEM and health sciences fields. SSS and SSS STEM are funded by grants from the U.S. Department of Education.

Eligibility
Students joining SSS must be citizens or nationals of the U.S. or meet the residency requirements for federal student financial aid and meet one of the following criteria as mandated by the federal government:
- First-generation college student (parents do not have a four-year college degree)
- Family has limited income as defined by federal guidelines

Services
- Academic advising and coaching
- Career and degree guidance
- Connections to internships and research opportunities
- Connections to other campus resources
- Financial aid and financial literacy information
- First-year learning groups
- Graduate school assistance
LEARNING AT UWO

ACADEMIC SUPPORT OF INCLUSIVE EXCELLENCE

STUDENT SUPPORT SERVICES (SSS) AND STUDENT SUPPORT SERVICES STEM (SSS STEM) CONT’D

• Personal support and mentoring
• Scholarships available for eligible students
• Tutoring referrals

First-Year Student Learning Groups
Learning groups are small groups of first-year students who meet weekly to learn about college success, academic skills and leadership development. Two upper-class SSS/SSS STEM students lead each group and serve as peer mentors. All first-year students in the SSS and SSS STEM programs are assigned to a learning group.

ADULT LEARNERS AND NONTRADITIONAL STUDENTS

CREDIT FOR PRIOR LEARNING
Adult learners and nontraditional students bring invaluable life and career experience to the classroom, and they even have the opportunity to earn credit for their prior knowledge. At UW Oshkosh, students may be awarded college credits for their past work and life experiences three ways:

Portfolio Option
Adult students may be able to earn credit for learning gained through years of experience at work, in military service, as volunteers or in settings outside the formal classroom.

CLEP Exam
The College-Level Examination Program (CLEP) gives students the opportunity to receive college credit for what they already know by earning qualifying scores on an exam.

Military Service Experience
Official military transcripts can be evaluated, and with other military documentation, students may be able to earn credits for their military experience.

How to Apply
Applications are available at the SSS office or online at uwosh.edu/sss.

HELP DESK
Can’t log in? Not sure how to connect to campus Wi-Fi? Come to the Help Desk in Dempsey 207, call us at (920) 424-3020 or email helpdesk@uwosh.edu.

STUDENT TECHNOLOGY CENTER
Need a camera? Not sure how to use Adobe Creative Suite? Come to the Student Technology Center located in Polk 5.

COMPUTER LABS
Four computer labs with Windows and Mac computers provide students with the software needed to get coursework done. The labs also provide access to campus print services. Visit uwosh.edu/it/computer-labs for locations and current hours of operation.

CLASSROOM SUPPORT
Planning a classroom presentation? Not sure how to use the technology? Come to one of our Classroom Technology Centers in Clow C010 or Halsey 259a.

ONE BUTTON STUDIO
Want to practice a presentation or create a video for a school project? Come to the One Button Studios in Polk 8 and Sage 4231. Bring your USB drive, press the button and you’re ready to roll.
REGISTRAR’S OFFICE

WHAT DOES THE REGISTRAR’S OFFICE PROVIDE?

Registration: Courses requiring department, instructor or adviser consent can be processed in the Registrar’s Office. To withdraw from all classes, visit uwo.sh/withdraw for additional information and online form.

Official transcripts: Transcripts can be obtained in person, by mail or ordered online through TitanWeb. Fee information and hours are listed at uwosh.edu/registrar/transcripts.

Graduation application: Students can apply for graduation through TitanWeb.

Veterans services provides support for active-duty veterans, guard members, reservists and dependents of veterans. The Veterans Resource Center can assist with federal and state education benefits as well as support services both on and off campus.

WHAT’S AVAILABLE ON TITANWEB?

Enrollment appointment information: Registration dates and eligibility

Academic requirements report: Student academic advisement report showing progress toward degree

Account holds: May prevent enrollment and issuing of transcripts

UWO class search: Search and filter courses based on specific criteria

UWO course catalog: Individual course overviews and descriptions

Grades: From past and present courses

Adviser information: Name and contact information

Transcripts: Unofficial and official

Verification of enrollment: Used for insurance providers, loan guarantor, credit issuers or housing providers

Good student discount verification: Verify and print eligibility information

Voter identification: Verification of enrollment and proof of campus address

Personal and emergency contact information: Names, phone numbers and addresses

Financial account summary: Statements including tuition; books, supplies and lab fees; financial aid and more

RESOURCES FOR ACADEMIC SUCCESS

ACCESSIBILITY CENTER
The UW Oshkosh Accessibility Center coordinates reasonable accommodations for students with disabilities. The goal of the Accessibility Center is to ensure all students have an equal opportunity to fully engage in the classroom and the campus community as a whole.

How do I receive accommodations?
1. Visit uwo.sh/accessibility.
2. Submit an accommodation request form.
3. Submit documentation from your provider.
4. Schedule an initial interview with our accessibility coordinator.

What are the accommodations?
Academic
• Electronic textbooks and course materials
• Exam accommodations
• Proctors, scribes and readers for exams
• ASL interpreters
• Note-taking assistance
• Assistive technology
• Classroom accommodations

University community
• Dining
• Housing
• Parking

Accessible computer labs
• The Access Lab is equipped with adaptive software, large-screen computers and document magnifiers.
• Many computer labs across campus are equipped with page magnifiers, high-resolution scanners and CCTV magnifiers.
• All labs have a large-screen computer, Zoomtext software and access to Kurzweil software.

PROJECT SUCCESS
Project Success is a remedial program for students with language-based learning disabilities attending UW Oshkosh. The program serves approximately 300 students on campus.

Project Success focuses on teaching reading, spelling, written expression and organizational skills that foster success at the college level. The goal is to assist students in developing the necessary language skills to read, write and spell effectively and efficiently to become academically independent. Project Success is one of few programs nationwide that serves as a remedial program rather than a tutorial assistance program.

Project Success offers various support services and remedial coursework, as well as individualized academic accommodations to qualifying participants. Additionally, Project Success provides educational evaluations that assess the areas of reading, comprehension, spelling, writing and mathematics for current UW Oshkosh students. Following completion of the evaluation, results are interpreted and used to determine program eligibility.

POLK LIBRARY
College-level work requires using the best sources in the best ways. In addition to Polk’s selection of books, media titles and primary source collections on the shelves, students have borrowing privileges across the UW System, including UW-Madison, which boasts one of the 10 largest academic library collections in the country. On top of that, Polk has an all-electronic journal collection of more than 50,000 titles.

These advanced resources, written by specialists, are an essential part of collegiate research. Polk also offers a growing streaming video collection for access to important documentaries and licensed educational video content.

Polk Library is a great place to work on assignments and study. Polk is a home office, study hall and roommate-free zone with Wi-Fi and a variety of study environments. Find quiet study areas for solo work, bustling workspaces for group projects,

TESTING SERVICES
Testing Services staff members provide high-quality service to students taking placement tests, classroom tests, makeup tests and correspondence exams. Additionally, we offer a variety of standardized tests including: CLEP, MAT, TEAS, Praxis I, Praxis II and GRE (general and subject exams), as well as business and professional testing.

Testing Services is a National College Testing Association (NCTA)-certified test center.

TUTORING AND SUPPLEMENTAL INSTRUCTION
Center for Academic Resources
The Center for Academic Resources (CAR) provides free one-on-one or small group tutoring as well as Supplemental Instruction services for undergraduate students.

Tutoring Benefits:
• Individualized learning experiences
• Increased knowledge and understanding of material
• Improved study strategies

Content Tutoring:
Work with a trained, faculty-recommended peer tutor who already has taken the course you need tutoring in and done well in it. Support is available for many 100- and 200-level courses on campus. Visit uwosh.edu/car for available tutoring options.

Supplemental Instruction:
Supplemental Instruction (SI) sessions are held within larger 100- and 200-level lecture courses. SI leaders conduct group review sessions each week that are centered on what students need to know to succeed in the course. To facilitate these sessions, SI leaders re-attend lectures and work closely with course instructors to determine the focus of each week.

Fall and Spring Semester Hours:
Monday–Thursday: 8 a.m.–8 p.m.
Fridays: 8 a.m.–4 p.m.
See website for interim and summer hours

READING AND STUDY SKILLS CENTER
The Reading and Study Skills Center assists students in developing the reading and study strategies that are essential for academic success and life-long learning. Students can enroll in one- and two-credit academic skills courses or schedule individual coaching sessions for topics, such as test preparation, academic reading, note taking, time management and test taking. Appointments can be scheduled online, in person, via email or phone. Visit our website for drop-in hours and additional information.

For more information
Reading & Study Skills Center
Nursing/Education, Room 201
845 Algoma Blvd.

WRITING CENTER
The Writing Center helps students become better writers through free one-on-one sessions with peer consultants. Peer consultants are students who have been trained to work with individual students on any assignment or project in any major or subject area.

Appointments are scheduled online and last up to 50 minutes. Students can schedule up to three appointments per week. The Writing Center offers online, evening and weekend appointments.

STUDY ABROAD

OFFICE OF INTERNATIONAL EDUCATION (OIE)
OIE offers short- and long-term study abroad/away programs, intern abroad opportunities, and the National Student Exchange. OIE advises international students from around the world on U.S. student immigration regulations, and offers English language support and an Intensive English Program for non-native speakers.

Dempsey Hall, Room 202
uwosh.edu/oie
(920) 424-0775
OIE@uwosh.edu

Study Abroad and National Student Exchange
Immerse yourself in another culture, develop a global perspective, become fluent in another language and add unique skills and experiences to your resume. Choose from group and individual travel programs abroad and in the U.S. Start your journey at uwosh.edu/oie/away to learn about funding, exploring and choosing options, applying and more.

BECOME A GLOBAL SCHOLAR
By completing a 12-credit, self-directed course of study you can earn a Global Scholar designation in addition to your bachelor’s degree and distinguish yourself as an emerging global citizen prepared to navigate an increasingly complex, interdependent world.

For more information
globalscholar@uwosh.edu
uwosh.edu/globalscholar

“Having the opportunity to study abroad was probably one of the greatest experiences of my life. Not only was I able to go to Ireland, a place of great importance to my family’s heritage, but I also was able to learn more than I ever could have asked for. I experienced true Irish culture, learned about the country’s history and saw some of the most beautiful landscapes in the world. Studying abroad offers so much more than just being a tourist. It’s truly a unique and unforgettable experience!”

Bryan Gross, Ireland, spring interim 2017

“It’s so worth it! I contemplated studying abroad for so long because it felt like such a long time to be away from my family. I can definitely say I’m glad I took the opportunity. Studying abroad really does help you to become more independent and meet new people. The best part is getting to experience a different culture; you learn something new every day.”

Jordyn Venden, Germany, fall 2018
DEAN OF STUDENTS

The Dean of Students Office supports students at UW Oshkosh through advocacy, care, guidance and support. Our purpose is to:
• Fill the gaps in serving students
• Help students navigate UW Oshkosh
• Influence the student experience in a positive way
• Guide the institution on policies, laws and regulations affecting students

In fulfilling our purpose, we:
• Advocate for students
• Challenge and support students, faculty and staff
• Cultivate learning and development opportunities
• Create a space for students to be heard, valued and validated
• Work to solve problems
• Work to ensure a safe and inclusive community for our students
• Protect the integrity of the University community

Dean of Students Office
Dempsey Hall, Room 125
800 Algoma Blvd.
wosh.edu/deanofstudents
(920) 424-3100

Student Advocacy
The Dean of Students Office strives to provide advocacy for students in need. Students encountering a problem who are not sure where to turn should come to the Dean of Students Office. Whether it is an issue in a class or a problem with a landlord, we can help with support and advocacy.

Student Care Team
The Student Care Team (SCT) is a network focused on prevention and early intervention for students experiencing distress. SCT meets on a weekly basis to coordinate care for students and provide the assistance necessary to ensure they are personally and academically successful.

Title IX
The Dean of Students Office manages student accommodations (i.e. change in class schedules, residence hall moves, no contact directives) relating to Title IX complaints, investigations or other related instances involving sexual assault, domestic violence, dating violence and stalking.

Bias Incident Report
UW Oshkosh is committed to fostering an inclusive environment where every member of our community is respected and valued. Whenever an instance of bias occurs, we encourage filing an online report so the situation can be addressed.

Late Withdrawal/Late Drop from Coursework
If a severe circumstance impedes a student’s ability to be academically successful, the Dean of Students Office processes late withdrawal/late drop coursework requests.

Out of Class Letters
When a student misses class due to a personal or medical circumstance, the Dean of Students Office sends faculty an email notifying them of the absence.

Accessibility Center
Refer to page 19 to learn more about accessibility resources on campus.

Student Conduct
The Dean of Students Office is responsible for the student conduct process at the University. Our process is grounded in education and development and practices fundamental fairness to all involved. Our philosophy is guided by the notion that mistakes made can be invaluable learning opportunities for students. Furthermore, it is our goal to cultivate a safe community for all students, staff, faculty and guests at UW Oshkosh.

Dempsey Hall, Room 125
800 Algoma Blvd.
wosh.edu/deanofstudents
(920) 424-3100
FINANCIAL

BILLING
Billing of tuition and fees is done electronically through TitanWeb with email notifications sent to a student’s UW Oshkosh email account. There are three billings for fall and spring semesters and two for summer. Initial billing is done three to four weeks prior to the start of the semester.

Payment is due in full on the first scheduled due date (after the 10th day of classes) unless the student has signed the electronic Partial Payment Plan found on TitanWeb. The Partial Payment Plan allows for three monthly installments versus paying in full on the first due date. With the payment plan, 10 percent of the total bill is due the first date and two 45-percent payments are due the following months. The amount due for a student will be shown on TitanWeb under the account balance summary section. If the payment plan has been signed, there is a 1-percent finance charge assessed the first business day of the month for any unpaid balance.

It is important to check TitanWeb regularly for new charges. Students will often charge books to their account or have Student Health Center charges throughout the semester.

Grant TitanWeb access for a family member(s) if a student wishes to allow another person to view their TitanWeb account for billing and academic purposes. By federal law, the University is not able to speak to anyone other than the student about their student account unless they grant permission to additional people through TitanWeb.

Payment can be made at the Cashier’s Office in Dempsey Hall, second floor, main hall, with cash or check. Payments can also be made online with an e-check or credit card. The e-check requires entering a bank routing and account number and costs $0.50. The credit card option comes with a 2.75% fee.

Late payments will result in a hold on the account. The hold will prevent adding classes, transcripts and future enrollment. Missing the first payment of the semester may result in being withdrawn from classes. If a payment plan has not been signed, there is a $75 late charge for non-payment by the due date.

Financial Aid is applied automatically to student accounts around the start of classes if aid has been accepted. Overages will be refunded via direct deposit, found on TitanWeb, or by check, which takes two weeks to process. Students with financial aid still need to check TitanWeb to ensure payments post to their account. Financial aid payments may be delayed if there are items on their to-do list found on TitanWeb.

Visit the Student Financial Services webpage at uwo.sh/student-finances for more information on tuition and fees, payment deadlines, the partial payment plan, direct deposit, 1098T form, drop dates and hours of operation. Refer to the FERPA section on page 46 of this guide for more information about how students can grant others, such as parents, access.

Quick Checklist for Financial Success

Plan for Success
☐ Plan for how you will pay.
   - Apply for Financial Aid.
   - Apply for scholarships.
   - Apply for private loans if needed.
   - Apply for a job on campus at uwosh.joinhandshake.com.

Get Started
☐ Log in to TitanWeb.
   - Sign up for the payment plan and avoid late fees.
   - Sign up for direct deposit to avoid waiting for paper refund checks.
   - Grant access to others who may need to assist you with your account.
   - Check your to-do list.
   - Verify and update your contact information if needed.

Pay Your Bill (mid to late August)
☐ Check your student email for billing notification mid-to late-August.

☐ Log in to TitanWeb.
   - Review your statement of account.
   - Review your charges.
   - Review your payments and scholarships.
   - Make a payment if payment is due.

Ongoing
☐ Log in to TitanWeb at least monthly.
   - Check your to-do list.
   - Check your student email.
   - Check your account after enrollment changes.
### EXAMPLE BILL

Below is an example bill for a typical first-year student living on campus. Official tuition rates are approved in July each year by the University of Wisconsin Board of Regents, and billing occurs shortly after. Once a billing notice is received via email, we suggest students view their statement of account in TitanWeb.

#### FALL 2020 | THE RATES BELOW ARE ESTIMATES AND ARE SUBJECT TO CHANGE.

If you have a 529 college savings plan, you can print the statement of account and most plans will accept that document for producing a check. Checks should have the student ID in the memo and be mailed to the UWO Cashier, 800 Algoma Blvd., Oshkosh, WI 54901.

---

### FINANCIAL

---

uwosh.edu 25
FINANCIAL AID

All correspondence from the Financial Aid Office is sent electronically via TitanWeb. In Titanweb students may allow their parent(s) the ability to view the bill, financial aid awards and items still needed. Please refer to the FERPA section for more information about how students can grant their parent(s) access.

Students should check TitanWeb frequently to make sure there are no outstanding items on their to-do List and connect with the Financial Aid Office on social media for timely updates.

Student loans require additional steps for first-time borrowers. Students should follow the to-do list links on TitanWeb.

In order to continue receiving financial aid, students must meet Satisfactory Academic Progress (SAP) by maintaining at least a 2.0 GPA, completing 67 percent of coursework and completing programs within the maximum time frame. An email goes to every student receiving financial aid at the start of each enrollment period to monitor their SAP status. The Financial Aid Office offers free financial literacy to students to improve and strengthen their money management skills. This in turn provides positive benefits throughout the college years and beyond.

Financial Literacy
The GradReady program is a free financial literacy tool provided by UWO that promotes financial wellness and encourages students to take control of their finances early in their careers. It includes budgeting, managing student loan debt and helpful financial information and is available through the Financial Aid website.

The GradReady program has three sections:
• Path 1—Paying for College: It’s all about making a plan
• Path 2—Money Management: Budgeting your money
• Path 3—Real World Finance: Student loan repayment

For more information
Financial Aid Office
Dempsey Hall, Room 104
800 Algoma Blvd.
uwosh.edu/financialaid
(920) 424-3377
fao@uwosh.edu

TO CONTINUE RECEIVING YOUR FINANCIAL AID:

- Maintain at least a 2.0 GPA
- Successfully complete at least 67% of your credit load each semester
- Take no more than 180 credits to complete your bachelor’s degree

UWOFinancialAid
@UWOFinAid
STUDENT EMPLOYMENT

Many students seek part-time employment to help cover expenses during college. Use Handshake to search for on-campus employment opportunities. Students can log in to Handshake online at uwosh.joinhandshake.com.

UW CREDIT UNION

UW Credit Union is a nonprofit financial institution that offers convenient on-campus banking for UWO students, including a full range of services from checking and savings accounts and so much more.

With our friendly financial experts and easy online banking, you can confidently manage your money and make the most of college life.

We provide options to fit students’ individual needs, such as our Rewards Checking with overdraft protection and added discounts, our Clear account with no risk of overdraft and totally paperless, online banking.

Take advantage of all UW Credit Union has to offer:
• Visit our branch in Reeve Memorial Union.
• Find surcharge-free ATMs on campus.
• Download our best-in-class mobile app.
• Finance your education with affordable student loans.
• Build credit with low-limit VISA credit cards with no annual fee.
• Use your mobile wallet to pay on the go.

Open your account online at uwcu.org or stop by the UW Credit Union branch in Reeve Memorial Union to get started.

Federally insured by NCUA.

GETTING INVOLVED

ATHLETICS

A member of the Wisconsin Intercollegiate Athletic Conference (WIAC), UW Oshkosh competes at the Division III level of the National Collegiate Athletic Association (NCAA), where student-athletes compete without the benefit of athletic aid or scholarships.

During the 2018-19 academic year, 491 students represented the Titans in athletic competition. Of that total, many students participated in two or more of the 19 sports offered.

UW Oshkosh student-athletes are students first and athletes second. Each year, several UW Oshkosh student-athletes earn conference, regional and national academic honors for their outstanding performance in both the classroom and competitive arena. In 2018-19, 305 student-athletes—nearly 62 percent—achieved a 3.0 grade point average or higher. UW-Oshkosh’s 491 student-athletes combined for a 3.071 GPA during the 2018-19 school year to edge the school’s overall student population mark of 3.037.

Men’s basketball won the 2018-2019 NCAA National Championship, the first in the program’s history. This made UW-Oshkosh the owner of 47 national team championships, including 33 NCAA Division III titles. The Titans’ list of NCAA Division III championships is highlighted by nine in both women’s indoor and women’s outdoor track and field and four by both men’s and women’s cross country.

In the WIAC, UW Oshkosh has won 197 championships. The overall total is led by 29 in baseball, 16 in women’s cross country, 15 in women’s gymnastics, 13 in women’s indoor track and field, women’s volleyball, women’s basketball and men’s basketball.

UW Oshkosh students with a valid TitanCard receive free admission to all regular-season home sporting events. Titan Dollars are accepted at the concession stands. A shuttle bus transports UW Oshkosh students to all regular-season home football games at J. J. Keller Field at Titan Stadium.

LEADERSHIP AND INVOLVEMENT
& REEVE MEMORIAL UNION

Leadership and Involvement
Student leadership and involvement opportunities allow students to connect, learn and grow as contributing citizens. From volunteer opportunities and late-night programs to fraternity and sorority life and diversity and inclusion programs, there is something here for everyone. Students can also become part of UW Oshkosh campus traditions, including:

- **Titan Welcome**: A rich tradition at UW Oshkosh that is about building relationships with fellow classmates, connecting with faculty, staff and returning students, acclimating to campus life, celebrating Titan spirit and having fun.
- **Titan Nights**: Late-night events that take place the first Friday of every month during fall and spring semesters.
- **Hands on Oshkosh**: A semi-annual volunteer program where students volunteer and make a difference in the Oshkosh community.
- **Homecoming and Family Day**: One of the greatest traditions on campus — Homecoming is a full week of fun student competitions, ending with Family Day, which includes Titan Tailgate and a UWO football game on Saturday.
- **Alternative Break**: A trip in which a group of students engage in volunteer services over a University break period. Alternative Break trips challenge students to think critically and react to problems faced by members of the communities in which they are involved.
- **Winter Carnival**: An annual celebration of winter that has been a tradition of UW Oshkosh for more than 50 years. Events include ice sculpture carving, broomball, trivia night and rope pull.
- **Bye Gosh Fest**: This festival celebrates the end of the spring semester; it features live music, carnival games, food, henna, caricature artists and more.
GETTING INVOLVED

UW Oshkosh is proud to have more than 180 clubs and organizations on campus. If students are looking to get involved, all they need to know is what interests them. Organizations are categorized by service and volunteering, entertainment, fraternity and sorority life, arts and culture, sports and recreation, academic, government, environmental, religious, special interest and social.

For a complete list of student organizations and upcoming events, visit uwosh.edu/reeve/involvement.

Reeve Memorial Union
Reeve Union provides a lively environment with quality dining services and diverse experiences that foster learning, leadership, social interaction and healthy lifestyles for UW Oshkosh students and the community — bringing campus to life. From programming and special events to hangout, study and dining spaces, Reeve Union is the perfect place to visit and relax. Reeve Union is home to:

- Copy This!! copy services
- Corner Convenience Store
- Gail F. Steinhilber Art Gallery
- Student Involvement Desk
- Titan Central and TitanCard office
- Titan Underground
- University Books & More
- University Dining Office and meal plans
- UW Credit Union

LGBTQ+ RESOURCE CENTER

The mission of the LGBTQ+ Resource Center is to create a safe, inclusive and affirming campus climate that fosters academic success and personal growth for students, faculty and staff of all genders and sexualities through education, advocacy and support.

Resources
- Alumni and peer mentoring programs
- Gender Outfitters
- Inclusive Housing: Rainbow Floor
- Internships for credit
- LGBTQIA+ library media collection
- Online resources
- Outreach presentations
- Student advocacy

Programs are designed to increase awareness of LGBTQIA+ lives, foster personal growth and promote a shared responsibility for a campus climate that is safe for everyone. All programs are free and open to everyone, including the greater Fox Valley community.

WOMEN’S CENTER

Intersectional Innovation for Gender Equity

Part of the Division of Academic Support of Inclusive Excellence, the UW Oshkosh Women’s Center hosts programs and events to educate the campus community, provides resources for students, employees and community members, and actively seeks collaborations with campus and the surrounding community to promote gender equity.

We endeavor to help people of all genders work, play and live together in ways based on mutual respect by:
- Providing resources and education for all of campus
- Creating a welcoming space for people to build community
- Promoting an environment that values equity and diversity
- Engaging students, employees and the community to work toward solutions for intersectional gender issues

The Women’s Center provides a range of intersectional programming for professional, personal and academic development. The Women’s Center also is a physical space that is great for studying, hosting meetings, hanging out, enjoying a complimentary cup of coffee, tea or hot chocolate and/or playing video games. The Women’s Center has a PlayStation 4 with a growing collection of video games and 55-inch 4K TV, computer lab (five PCs, two Macs), a lactation room and two all-gender bathrooms. The Women’s Center is fully accessible.

Visit the Women’s Center website and social media and watch for email announcements for the most up-to-date information about programs, events and hours. Also keep the Women’s Center in mind when looking for volunteer opportunities and internships.

Students do NOT have to identify as a woman to visit the Women’s Center or attend Women’s Center events; people of all genders are welcome.

Resources
- Computer lab, TV and PlayStation 4
- Internships and field placements for credit
- Lactation lounge
- Book and media library
- Online resources
- Outreach presentations
- Safer sex and menstrual care products
- Student advocacy
- Craft corner

RESOURCE CENTERS

VETERANS RESOURCE CENTER

The Veterans Resource Center (VRC) provides a central location to explore available veteran education benefits and campus resources while connecting with other veterans, friends and VRC staff. The VRC provides support and guidance to current and prospective student veterans, guard members, reservists and their spouses and dependents.

The purpose of the VRC is to empower the military-affiliated community at UW Oshkosh with the tools necessary to achieve their academic goals. The VRC offers the following services:

• Veteran education benefits information and certification
• Student services information
• Veteran priority registration information and sign-up

HEALTHY LIVING

COUNSELING CENTER
The Counseling Center at UW Oshkosh provides a place of inspiration and guidance for the wellness of all students. Our approach includes a balance of treating mental illness concerns and strengthening the essential aspects of mental health. Our focus is for students to flourish, which includes feeling good and functioning well.

Services
The Counseling Center provides a variety of free and confidential services to students.

Individual counseling: Meet one-on-one with a counselor.

Group therapy: Join a therapy group that best addresses your goals and benefit from the support and wisdom of your peers and a counselor. Groups may include interpersonal process, skill building (how to manage distress and emotions, reduce anxiety, etc.), grief, trauma, LGBTQ+ support, restorative yoga, CALM yoga and more.

Wellness workshops: Students have the opportunity to choose an experiential activity designed to build skills that foster long-term happiness (examples include self-compassion, mindfulness, optimism, kindness, connection, gratitude, cultivating strengths and more).

Biofeedback: Learn how to achieve relaxation and better health through the awareness and training of your breathing through computer-based programs.

The Just Breathe Room: Enjoy a place of solitude for gentle exploration of mindfulness activities that help you to feel well.

The Rejuvenation Room: Enjoy our heated massage chair while listening to music along with aromatherapy. This room also is available for interfaith practices and lactating mothers.

The Flourish Group: Begin your path towards personal empowerment and wellness by learning specific skills to increase happiness and overall health.

Drop In and Breathe: 30-minute opportunity to engage in mindfulness and relaxation activities.

Animal-assisted therapy: Meet with our therapy dog, Leo, along with a counselor to relax and center yourself.

(920) 424-2061
The Student Health Center (SHC) at UW Oshkosh is a nationally accredited medical clinic and provides a full range of healthcare services to all registered students who pay segregated fees as a part of their tuition.

Our staff consists of experienced, board-certified, credentialed professionals comprising physicians, nurse practitioners, a mental health nurse practitioner, nurses, medical assistants and administrative professionals.

Most office visits are free. There are minimal charges for physicals, lab tests, procedures, injections and medications. Services can be paid using cash, check, the TitanCard, or billed to a student’s account.

**Services**
- Allergy injections
- Behavioral health diagnosis and treatment
- Evaluation, diagnosis and treatment by physicians and nurse practitioners
- Immunizations
- Laboratory testing
- Men’s health
- Physical exams
- Sexual health services; contraceptive care, STI testing
- Transgender health
- Triage nurse
- Women’s health

**Schedule an appointment**
shcportal.uwosh.edu

The Student Health Portal provides convenient, accessible healthcare, which allows patients to send and receive secure messages, view lab results, access certain medical records, schedule appointments and complete health forms online.

  Radford Hall
  777 Algoma Blvd.
  uwosh.edu/studenthealth
  studenthealth@uwosh.edu
  (920) 424-2424

**TOP 5 BENEFITS**
According to a student survey:

- Healthcare at a low cost
- Self-care education for treating illness
- Convenient appointment times
- Peace of mind regarding health
- No need to travel to receive care
HEALTH PROMOTION AND WELLNESS

HEALTH PROMOTION AND WELLNESS
The goal of Health Promotion and Wellness at UW Oshkosh is to create a culture of health and well-being that fosters personal and academic success. Guided by inclusion, respect and equity, Health Promotion and Wellness efforts provide holistic education, support and resources for students to create and sustain long-term, healthy behaviors.

Health promotion programs and events cover a variety of topics, including:
- Alcohol and drug abuse
- Body image and eating disorders
- Bystander intervention
- Violence prevention
- Nutrition and meal planning
- Sexual health and relationships
- Sleep hygiene
- Stress management and mental health

Peer Wellness Educators are Student Recreation and Wellness Center (SRWC) student employees trained to provide health education to the campus community. They develop and implement wellness initiatives focused on relevant health issues. Students can visit the Titan Well at the SRWC to chat with wellness educators and access a variety of free and for-purchase wellness supplies.

Will you be living in a residence hall?
Health Advocates (HAs) are residence hall student employees trained to handle minor health concerns, including colds and flu, first aid, substance use/abuse, sexual health, stress management, etc. They have supplies, such as bandages, ice packs, common over-the-counter medicines, thermometers, contraceptives, to handle health concerns. HAs serve as referral agents in addressing student health and wellness needs.

SEXUAL AND INTERPERSONAL VIOLENCE PREVENTION
UW Oshkosh is committed to providing the safest campus possible for our students, faculty and staff. Through programs and policies, we work year-round to support victims/survivors, prevent sexual and interpersonal violence, and communicate that violence is unacceptable.

Victim/Survivor Advocacy Services
Students have the right to report an incident of sexual or interpersonal violence to the University, law enforcement or both. They also have the right to not make a report.

The University provides advocacy services for victims/survivors of sexual assault, intimate partner violence and other interpersonal violence, including stalking and sexual harassment. These services are free and confidential and do not require a student to report.

Medical Advocacy
- Discuss medical options after a sexual or physical assault
- Discuss evidence collection options
- Accompany students to the hospital

Legal Advocacy
- Discuss legal options and rights
- Accompany students to file police reports or any court proceedings
- Assist students in obtaining restraining orders

University Advocacy
- Discuss the University’s responsibilities in responding to these incidents
- Assist students in filing a report with the University
- Coordinate with other University departments to support survivors (Residence Life, Dean of Students, Counseling, etc.)

Personal Advocacy
- Discuss students’ thoughts and feelings after these incidents
- Help students create safety plans
- Offer support to friends and family

For more information on programs and services, visit uwosh.edu/wellness or contact advocate@uwosh.edu.

OFF-CAMPUS SEXUAL ASSAULT HOTLINE
24/7 EMERGENCY LINE: (920) 722-8150
A wide variety of recreational opportunities are available for students at UW Oshkosh. First-rate facilities, intramural sports, sport clubs, the Outdoor Adventure Center (OAC), group exercise, massage, fitness assessments, weight room orientations, personal training and other group and individual programs and activities provide something for everyone.

**Facilities**

The Student Recreation and Wellness Center (SRWC) includes 104,000 square feet of recreational space, offering basketball courts, jogging and walking track, indoor multi-purpose gym, volleyball courts, climbing wall, golf simulator, strength training areas, 100+ pieces of cardio exercise equipment, two group exercise studios, cycling studio, TRX suspension training, and a lounge area for students to relax, study or watch television.

Other campus recreational facilities include Kolf Sports Center (basketball and volleyball courts) and Albee Hall (basketball and volleyball courts, three racquetball courts and an aquatics facility with a nine-lane lap pool and an adjoining diving well).

The Rec Plex is the home for intramural sports, sports clubs and drop-in recreation. The Rec Plex is a 4.35-acre recreational complex with lighted, multi-use synthetic turf, a 3000-square-foot support building and a seasonal dome to allow for year-round recreation.

**Programs and Activities**

**Aquatics** activities include open lap swim, aqua fitness classes and special events.

**Sport clubs** are student organizations that provide members with learning experiences, new skills and opportunities to practice and compete in their favorite sport. There are currently 16 active sport clubs: bowling, cheer and stunt, climbing, dance, fishing, men’s golf, hip-hop, ice hockey, karate, men’s lacrosse, racquetball, women’s rugby, men’s and women’s ultimate Frisbee, and men’s and women’s volleyball.

**Group exercise classes** are held daily in the SRWC studios. Personal trainers also are available for hire at discounted rates for students.

**Intramural sports** for varying skill levels feature a wide variety of recreational and competitive opportunities, including soccer, basketball, volleyball, dodgeball, floor hockey, tennis, ultimate Frisbee, racquetball, bags and flag football.

**The Outdoor Adventure Center (OAC)** is responsible for operating the climbing wall and bicycle repair shop at the SRWC. The OAC also offers a comprehensive supply of outdoor equipment available for rent, including short- and long-term bike rentals. OAC trip leaders offer numerous outdoor trips throughout the academic year.

SAFETY

UW OSHKOSH POLICE DEPARTMENT
The UW Oshkosh Police Department is dedicated to developing partnerships with the community we serve in order to support and enhance the mission of the University. As a team, we preserve a learning environment that supports inclusivity, excellence and quality of life across campus to provide a safe atmosphere for all students, faculty, staff and visitors of UW Oshkosh.

UWO Mobile App
The UWO mobile app is available for iPhone and Android phones. Instructions on how to download the app can be found on the UW Oshkosh Police Department website.

UWO Go
UWO Go is a non-emergency service that provides an on-demand safe ride for students and employees on and near the UW Oshkosh campus. UWO Go runs seven days a week when classes are in session at no cost for students currently enrolled at UW Oshkosh. This system operates like Uber or Lyft—however it’s free for UWO students and employees of the University. Learn more at uwosh.edu/police/uwogo.

Safewalks
Safewalks are available to students, employees and campus guests who wish to be escorted at night to and from areas close to campus. Use the UWO Mobile “Chat with a Dispatcher” feature or call the police department at (920) 424-1212 to request a walk. The Safewalk boundary is roughly five blocks from the edge of campus in any direction.

Medical Safety Policy
The safety of our campus community members always will be our top priority. This philosophy sets the foundation for how we respond to requests for assistance as it relates to alcohol and drug use and provides assurance to our community members that officers will place the health and well-being of our students ahead of legal penalties. Therefore, if a community member calls for assistance (e.g. police, EMS or residence hall staff) due to a level of their impairment or the impairment of a community member they’re with, police officers will not issue a citation to community members. Instead they will be referred to the Dean of Students Office for educational sanctions. However, this policy is not intended to provide relief from legal consequences or administrative discipline in relation to serious crimes, including—but not limited to—all forms of assault, theft, property damage and distribution of illicit substances.

Community Service Officer Program
Community Service Officers (CSOs) are student employees who provide additional safety and security on campus. They patrol the campus in pairs, work security stations within the residence halls during nighttime hours, offer the Safewalk, Saferide and Saferoute programs and provide additional resources for special events.

Titan Alerts
Titan Alert, a campuswide alerting system, is used to communicate important campus information directly to mobile phones, email and social media. Students, faculty and staff can sign up to receive these alerts by visiting uwosh.edu/emergency/titanalert.

Reporting Incidents
We have several different ways to connect with the police department to report incidents and information. The UWO mobile app has several reporting options. Our website also is available to report non-emergency incidents.
COMMERST STUDENTS

College life goes far beyond the classroom for UW Oshkosh commuter students. For many commuters, it takes extra effort to get involved in campus life. Students can visit their professors during office hours, volunteer to be the leader on a class project or join a student organization. Whether a student plays on an athletic team, attends plays and concerts or takes advantage of service-learning and career-building activities, it’s easy to get involved. Many of the activities on campus are free for students.

Involvement
- Hang out with other students in Reeve Memorial Union
- Join a student organization
- Use campus resources
- Ask for help from faculty, staff, counselors and advisers
- Find a job on campus through Handshake
- Visit the Student Recreation and Wellness Center
- Purchase a meal plan designed specifically for commuters
- Attend a Reeve Union Board (RUB) event: movies, live music, hypnotists and more

Commuter Lounge
First floor, Reeve Memorial Union, Student Involvement
- Comfortable furniture
- Microwave, fridge and computer
- Single-day and semester locker rentals
- Nearby television and study lounges

Parking
Commuter students should allow themselves 20-30 minutes to find a parking spot at the start of each semester.
- Parking permit information is located on page 43.
- Campus map with parking lot information is located on page 52.

Communication
- Inform your professors that you commute—especially if you live outside of Oshkosh—so in case of bad weather they know you might be late or absent. Email your instructors if you are not able to attend class.
- During potentially bad weather, call the weather line at (920) 424-0000 or visit uwosh.edu for weather-related closings or postponements. Before you leave home and head to campus, check your student email or Canvas to see if your professors have canceled class.

orientation@uwosh.edu

RESIDENCE LIFE

On Campus Housing
Residence Life strives to make the UW Oshkosh residence halls a clean, safe and inclusive environment for students. National trends continue to show students who live in residence halls are more likely to be successful academically, complete their education and develop greater interpersonal skills.

Housing Requirement
Most new students are required to live in the residence halls unless they live within a specified distance and commute from their parent or legal guardian’s permanent home within 45 miles of campus. Additionally, UWO will exempt anyone from the housing requirement if one or more of the following are true by the first day of a fall semester:
- They have successfully earned at least 48 credits.
- They are at least 21 years of age.
- They have lived in a residence hall for four semesters.
- They are married.
- They are a veteran.
Housing-exempt students must complete a commuter card on or before the first day of fall classes. The commuter card can be found at uwosh.edu/housing/go/commuter-card.

Room Assignments
Most students choose their residence hall through our online room sign-up. Information about our sign-up process—including important dates—can be found at uwosh.edu/housing.

Specific dates and time slots for room sign-up are based on the date the housing deposit is submitted through the housing application. Students must complete a housing application to participate in room sign-up. Students receive all information regarding room sign-up through their UW Oshkosh email account.

Roommates
New students should expect to share a room with a roommate. Students have the opportunity to request and confirm a roommate in advance of selecting a residence hall space. The deadline to confirm a roommate is included in the room sign-up “important dates.”

Residence Life staff support and encourage the development of civil, respectful roommate relationships in a variety of ways. All roommates will create a roommate agreement in the first weeks of the semester. Hall staff, including community advisers and residence hall directors, review all roommate agreements and act to assist students if other concerns arise.

Move-In
Residence Life staff work hard to create a move-in experience that is a positive, low-stress and exciting start to the academic year for students, parents and families. Students are encouraged to visit the move-in section of the Residence Life website for complete details and important updates at uwosh.edu/housing/go/move-in.

2020 Move-In Dates | Labor Day Weekend

Sunday, Sept. 6, 2020
New students move into the residence halls.

Monday, Sept. 7, 2020
Continuing students move into the residence halls.

Students approved for an early move-in due to involvement in fall athletics or select student organizations will receive direct communication from the Department of Residence Life in August. Any other student wishing to request an early move-in date must submit their request through the move-in application in the MyUWO Portal found on our website.
What to Expect
Move-in day can be busy with traffic, parking, luggage and people. By following the process and reviewing the online information page, students and their families can begin happily unpacking shortly after arriving on campus.

All students and their families will begin moving in at our drive-through check-in. Simply pull into the designated lot at the pre-selected time and provide photo ID to receive keys and unloading passes.

After following the designated route to an assigned hall, the vehicle(s) will pull into an unloading zone to drop off belongings. The driver then moves the vehicle to the appropriate parking lot while others from the student’s party begin moving items into the room.

Volunteers will be available at all halls to assist with unloading, provide directions for students and families, answer questions and ensure a positive move-in experience.

How to Pack
Join Residence Life in creating a sustainable move-in! Students are encouraged to use sturdy, reusable boxes or crates to keep items together. All containers should be labeled with the student’s name, residence hall and room number prior to arriving on campus. Volunteers will unload the vehicle(s) while keeping belongings together.

Bed Linen and Loft Programs
Residence Life has partnered with two vendors to help students with their loft and bed linen needs. Below is information on the companies and the services they provide.

- On Campus Marketing
  UW Oshkosh has been offering the Residence Hall linens program since 1993. When students reserve college bedding through this program, they ensure the right size linens for move-in. The selection is larger than what can be found anywhere else, at prices that are budget-friendly; every product is guaranteed to fit and guaranteed to last from move-in to graduation.

We recommend that families and students respond early to have the widest selection of college bedding to choose from. Visit rhl.org/wok to place an order.
RESIDENCE LIFE

• College Products
Students who elect to live in Donner, North Scott, South Gruenhagen, South Scott and Webster have the opportunity to rent a loft through College Products. After selecting their residence hall room, loft rental information will be sent to residents of these halls. Loft pricing, in-room delivery and set-up options can be found at collegeproducts.com/uwosh.

Students who live in Evans, Fletcher, Horizon, Stewart and Taylor aren’t able to rent lofts as the provided room furniture can be lofted.

Sending and receiving packages
Family and friends can send mail directly to residence hall addresses. Addresses for our residence halls can be found at uwosh.edu/housing/residence-halls. Packages will be accepted one week prior to move-in.

Students may bring additional items to create a comfortable living space in their room. These items may include bedding, bath supplies, laundry items, electronics, kitchen items and other small goods. For a full list of suggested items, visit uwosh.edu/housing/go/whattobring.

Certain items are prohibited in the residence halls at UW Oshkosh. The following items should not be brought to campus:

• Pets (other than fish)
• “Octopus plugs” and extension cords
• Candles and incense
• Various appliances, including:
  - Any with open coils
  - Toasters
  - George Foreman/electric grills
  - Pizza ovens

For additional items prohibited from the residence halls, visit uwosh.edu/housing/go/whattobring.

Move-In website:

WHAT IS INCLUDED IN A ROOM?

• Extra-long twin bed (33 X 80 inches)
• Closet
• Desk and chair
• Dresser
• Refrigerator/freezer/microwave unit
• Window coverings (drapes or blinds)
• Smoke detectors
• In-room cable TV connection port
• Ethernet port
• Wi-Fi connectivity
• Trash receptacle and recycling container
• Carpeting
Students can find delicious, convenient meals at a variety of locations across campus. Whether you live on or off campus, UW Oshkosh has options that cater to all preferences and dietary needs. We have dining locations in Blackhawk Commons, Scott Hall, Reeve Memorial Union, Sage Hall, Clow Hall and Halsey Science Center. Cash, credit cards, Titan Dollars, UWO gift cards and meals are accepted as forms of payment at most dining locations. Dining locations and menus can be found at uwosh.edu/dining.

Nutrition
University Dining staff know that food choices and dietary habits are important parts of our daily lives and are crucial for the health and well-being of students. Our responsibility is to provide nutritionally balanced food choices with accurate ingredient information so each individual can make the best dietary decisions for themselves on a daily basis. Please email us at diningdietitian@uwosh.edu to start the conversation surrounding dietary questions.

Meal Plans
UW Oshkosh offers flexible meal plans for both residential and off-campus students. Meal plans are a perfect blend of meals and Titan Dollars, allowing students the flexibility to choose when, where and what they eat. Learn more about specific meal plan options, criteria and cost by visiting uwosh.edu/reeve/dining/meal-plans.

Residential Meal Plans
Classic and All-Access
Residence hall students with fewer than 30 completed credits may choose from the Classic or All-Access meal plans. The Classic meal plan includes 14 regular meals per week and 20 bonus meals per semester. The All-Access meal plan allows students to have unlimited access to Blackhawk Commons during the week or Reeve Union Marketplace on weekends and 30 bonus meals per semester. Bonus meals may be used for guests or yourself at most campus dining locations. All meal plans also include Titan Dollars to be used at any food service locations on campus. Unused Titan Dollars roll over from fall to spring semester. Titan Dollars balances are forfeited after spring interim. All meal plans are priced for a full 17-week semester.

Ultimate Meal Plans
Residential students with more than 30 completed credits or who have lived in the UW Oshkosh residence halls for more than two semesters may select one of our ultimate plans. Ultimate plans include a block of meals to be used at any time in most campus dining locations. Ultimate plans also include Titan Dollars, allowing for ultimate flexibility. All ultimate meals must be used in the semester the meal plan is purchased.

Off Campus Student Meal Plans
Off-campus students may select from any of the residential meal plans or the ultimate bronze plan. These plans are designed to meet the unique needs of our commuter students who dine on campus. Our plans offer students the flexibility of using their meals any day, any time, at most campus dining locations. All plans are blended with Titan Dollars for the option of quick grab-and-go purchases.

dining@uwosh.edu
uwosh.edu/dining
Parking on the Oshkosh Campus is Digital
Permit holders will be assigned to a specific area of campus based on the permit they have purchased. No physical permit will be issued. A digital permit means your license plate number is your permit, and license plates will be monitored and enforced through License Plate Recognition. More than one plate number may be listed with a permit; however, only one vehicle can be on campus at a time if they’re listed on a single permit.

RESIDENCE HALL STUDENT PARKING
Students who have a housing contract with Residence Life will be sent parking information in late June or early July to their student email. If interested in obtaining a parking permit for the 2020-2021 academic year, a permit application must be received by the Parking Services office by July 31, 2020.

Resident permits will be assigned on the basis of class standing. Graduate students and seniors will receive permits first, then juniors, etc. Upperclassmen will be awarded prime resident parking. The first class that does not have enough permits available to cover every applicant, typically freshmen, will be placed in the lottery. Class standing will be determined by the number of credits a student has earned prior to the parking application deadline. The lottery drawing will be held at the beginning of August. Resident parking is limited; new students should make alternate plans for their vehicles. Late applications may not be accepted.

Students whose names are drawn will be notified of their digital permit and where the digital permit is valid. Permits are billed to the student accounts. All remaining applicants whose names were not drawn will be added to a permit waiting list in the order the applications were received. Alternative parking/transportation option will be provided.

If you do not receive parking information by July 15, 2020, contact Parking Services at parking@uwosh.edu or (920) 424-4455.

Parking fees for the 2020-2021 academic year:
Premium Permit • $450  |  Reserved Lot 23 • $450
Resident Permit • $325  |  Lot 37 Permit • $325
Lot 39 Permit • $225  |  FVTC Shuttle Lot Permit • $225
Motorcycle/moped • $50/annual  |  $25/one semester
Prices are subject to change.

Permits are expected to be ready for purchase in mid-August, but please check uwosh.edu/parking to confirm availability.

Parking and Transportation Office hours are 7:45 a.m.–4:30 p.m., Monday through Friday. Check with Parking Services about extended hours at the start of fall semester.

COMMUTER STUDENT PARKING

TITAN CARD AND TITAN DOLLARS

The TitanCard is the official identification card for every student, faculty and staff member at UW Oshkosh. It offers a convenient, easy and safe way to make purchases and use campus services. Beyond being a University ID card, students can use their TitanCard for their meal plan, to hold Titan Dollars for campus purchases, as a library card, a door access card and a pass for athletic events and the SRWC.

What are Titan Dollars?
• Declining balance account
• Accepted as a form of payment at most retail and service locations on campus
• Carry from fall to spring semester; remaining balance may be converted to a UW Oshkosh gift card
• Non-refundable while enrolled at UW Oshkosh

Please Note
• Residence hall students have $150 of Titan Dollars per semester as part of the Student Convenience Program.
• All meal plans include additional Titan Dollars of various amounts.

Online Card Office
• To manage Titan Dollars and TitanCard, visit uwo.sh/online-deposits

Students can:
• Purchase Titan Dollars
• Check balances
• View account activity
• Deactivate ID if lost or stolen

Parents/Family can:
• Add Titan Dollars

To learn more about the benefits, policies, deposit options and FAQs for the TitanCard and its functions on campus, visit uwosh.edu/reeve/titancard/ or stop by Titan Central, located in Reeve Memorial Union.
UNIVERSITY BOOKS & MORE
AND CORNER CONVENIENCE STORE

UNIVERSITY BOOKS & MORE

Textbooks
The University Books & More textbook department stocks new, used and rental textbooks, as well as a selection of digital resources. Students can view course material information on the bookstore’s website and materials can be purchased either in store or online. Online orders may be shipped or picked up when students arrive on campus. Textbooks and course materials can be charged to the student accounts.

Simply visit our website, uwosh.edu/bookstore, and use your course schedule to locate the required textbooks and materials for your courses. Not all courses have new, used and rental options. All options will be listed once you locate your textbooks.

At the end of each semester, including summer and interim terms, University Books & More offers textbook buyback. Students may receive up to half of the new book price in cash—even if they purchased it from a different source. Rental books are due back to the store the Monday following the end of the term.

Clothing and Gifts
University Books & More has the largest authentic selection of UW Oshkosh clothing, including Champion, Nike and many other popular clothing brands. Anyone may stop in to shop the full collection of clothing.

Select items are available online at uwosh.edu/bookstore! Use promo code: TAKEOFF20 to get 20% off an online clothing order. Coupon expires Aug. 31, 2020.

University Books & More also stocks a wide variety of imprinted gift items. Some popular items include electronic accessories, fair trade gifts and clothing, titan spirit giftware, posters, art supplies, school and office supplies, general books and more.

CORNER CONVENIENCE STORE

Located next to University Books & More in Reeve Memorial Union, the Corner Convenience Store offers the quickest and closest place on campus to shop for:

- Cold beverages and soft drinks
- Candy, snacks and chips
- Laundry and cleaning supplies
- Frozen pizzas
- Ready-to-eat sandwiches and single-serve meals
- Vegan and gluten-free options
- Health and beauty products

Location and Hours
Both stores are located inside Reeve Memorial Union on the main level.

University Books & More
Academic year store hours:
Monday–Friday 8 a.m.–6 p.m.
Saturday 11 a.m.–5 p.m.
Sunday 4:30–7 p.m.

Corner Convenience Store
Academic year store hours:
Monday–Friday 7:30 a.m.–9 p.m.
Saturday 11 a.m.–9 p.m.
Sunday Noon–9 p.m.

Employment Opportunities
University Books & More and Corner Convenience Store offer opportunities for student employment with flexible hours, a convenient campus location and friendly staff. Applications are available online.

ACCESS TO STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) is a federal law that grants students the right to determine who will receive academic information about them. Students must authorize the release of records before any third party—including parents or guardians—can view them.

The University has made it easy for students to grant access to third parties/parents through our online system called TitanWeb. After logging into TitanWeb, students will see a link that is called “Grant Access to Others” on their Student Center page.

Choose third party access for four types of information:

• View financial aid awards
• View student conduct

A confirmation email that shows the login and password for the new account needs to be forwarded to third parties/parents so they know how to log in. If parents don’t have internet access, students can download the records and provide them.

This also allows the third parties/parents to contact the University to ask questions about this information. Other records, such as mental health, physical health and faculty notes/records, are restricted by federal and state laws, University policy and professional standards. Students can release information from these records to a third party on a case-by-case basis through that particular office.

In most cases, the University will not contact parents or provide medical, academic or disciplinary information without the student’s consent. In an emergency where the student’s health is in jeopardy or there is a concern that the student poses a threat to themselves or to someone else, the University will contact parents. As a rule, if the student is able to communicate about the situation, they are expected to decide whether and how to discuss it with family members.

Questions about FERPA should be directed to the FERPA Coordinator at (920) 424-3407 or the Registrar’s Office at (920) 424-4077.

ACADEMIC MISCONDUCT

Students are responsible to be informed about what constitutes academic misconduct, how to avoid it, and what happens if they engage in it. Examples of academic misconduct include (but are not limited to):

- Plagiarism (turning in work of another person and not properly citing the work)
- Copying another student’s homework, paper or exam
- Cheating on an exam
- Allowing another student to copy your work
- Falsifying academic documents

What happens if a student engages in academic misconduct?
UW Oshkosh takes academic misconduct allegations very seriously. Professors will contact students if it is believed that they engaged in academic misconduct and may ask them to explain their work. If they still believe the student engaged in misconduct after meeting with them, they will decide on a sanction, which may include a zero on the assignment or exam, a lower grade in the course or failure in the course. The Dean of Students Office is informed of academic misconduct. Repeated acts of academic misconduct may result in more serious actions such as probation or suspension.

For more information, visit uwosh.edu/deanofstudents/student-conduct.

What should students do if they know a classmate is cheating?
If a student knows a classmate is cheating on an exam or other academic exercises, they should notify their professor or exam proctor. As a part of the University community, students are expected to uphold the standards of UW Oshkosh. Also, consider how a classmate’s dishonesty on the exam may affect the overall grading curve and other students’ grades in the class.

How to avoid academic misconduct
- Avoid copying and pasting directly from the internet.
- Know how to cite sources in a paper, lab report or other assignments.
- Use the Writing Center for help with citations. They are experts in APA, MLA and other citation styles.
- Understand the expectations and limitations when working in groups (i.e., Is collaboration allowed on the project or written paper? Should the project or written paper be done alone?).
UNDERSTANDING TITLE IX AT UWO

UW Oshkosh prohibits discrimination in employment and in all University programs and activities, including prohibitions against sex discrimination and sexual harassment.

These prohibitions are included in University policies and procedures; s. 36.12, Wisconsin Statutes, Titles VI and VII of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972, as amended; Section 504 of the Rehabilitation Act of 1973; and the Americans with Disabilities Act of 1990, as amended. A summary of the laws and policies implemented by the University can be found online at uwosh.edu/titleix.

Title IX prohibits discrimination on the basis of sex in any educational program or activity receiving federal financial assistance. Title IX requirements cover sex discrimination, sexual harassment, sexual misconduct and sexual violence.

In accordance with these requirements, UW Oshkosh is responsible for taking immediate and effective steps to respond to sexual misconduct and violence. Sexual violence may include physical sexual acts performed against a person’s will or when a person is incapable of giving consent. A number of acts fall into the category of sexual violence, including rape, sexual assault, sexual battery and sexual coercion.

TITLE IX COORDINATOR

UW Oshkosh and community resources are available to address questions concerning sex discrimination, sexual harassment, sexual misconduct and sexual violence.

Individuals with questions or concerns about sex discrimination, sexual harassment, sexual misconduct and sexual violence may contact the University's Title IX coordinator:

Shawna Kuether
Associate Vice Chancellor for Human Resources
Title IX Coordinator
kuethers@uwosh.edu

For more information, including reporting options and a list of the deputy Title IX coordinators, visit uwosh.edu/titleix.

UNDERSTANDING TITLE IX AT UWO
"The freedom to debate and discuss the merits of competing ideas does not mean that members of the University community may say whatever they wish, wherever they wish. Consistent with longstanding practice informed by law, institutions within the System may restrict expression that violates the law, that falsely defames a specific individual, that constitutes a genuine threat or discriminatory harassment, that unjustifiably invades substantial privacy or confidentiality interests, or that is otherwise directly incompatible with the functioning of the University. In addition, the institutions may reasonably regulate the time, place and manner of expression to ensure that it does not disrupt ordinary activities. But these are narrow exceptions to the general principle of freedom of expression, and it is vitally important that these exceptions never be used in a manner that is inconsistent with each institution’s commitment to a completely free and open discussion of ideas.

“These principles carry responsibilities. Academic freedom carries the responsibility for the faithful performance of professional duties and obligations. All members of the university community at each of the institutions in the University of Wisconsin System share in the responsibility for maintaining civility and a climate of mutual respect. Although members of the university community at each institution are free to criticize and contest the views expressed on campus, they may not obstruct or otherwise interfere with the freedom of others, including speakers who are invited to campus, to express views they reject or even loathe. Freedom of expression also carries the obligation to make clear that when speaking on matters of public interest or concern, one is speaking on behalf of oneself, not the institution.

“Each institution in the University of Wisconsin System has a solemn responsibility not only to promote lively and fearless exploration, deliberation and debate of ideas, but also to protect those freedoms when others attempt to restrict them. Exploration, deliberation and debate may not be suppressed because the ideas put forth are thought by some or even by most members of the University community (or those outside the community) to be offensive, unwise, immoral or wrong-headed. It is for the members of the University community, not for the institution itself, to make those judgments for themselves, and to act on those judgments not by seeking to suppress exploration of ideas or expression of speech, but by openly and vigorously contesting the ideas that they oppose. Indeed, fostering the ability of members of the University community to engage in such debate and deliberation in an effective and responsible manner is an essential part of each institution’s educational mission.”

(Policy Statement, Section 1, UW System Policy RPD 4-21)

A complete copy of the UW System Policy RPD 4-21 can be found online at: wisconsin.edu/regents/policies/commitment-to-academic-freedom-and-freedom-of-expression.
Parking regulations are enforced year-round, even when classes are not in session. Parking in any legal, non-reserved space is free from 4 p.m. Friday - 6 a.m. Monday.
