WELCOME, FUTURE GRADUATE

We are glad you chose to pursue your graduate studies at the University of Wisconsin Oshkosh! We are proud to welcome you into a university community that supports your pursuit of academic excellence, professional growth and personal well-being. Our graduate programs are designed to provide you with academic challenges along with the individualized attention and supportive environment to help you meet those challenges.

Here at UWO, we want you to succeed, grow and thrive. Thus, we are striving constantly to evolve and innovate as we create educational experiences to meet both the needs of the 21st century as well as your own. In turn, we are committed to creating a diverse community of learners. We also know that your success depends on more than academics alone, so we developed the Graduate UWO Guide to provide you with the information and resources that will help you to achieve success in a well-rounded way.

This publication is for all new graduate students. There are four sections in the UWO Guide: Learning at UWO, Life at UWO, Making Your Home at UWO and Things to Know at UWO. It includes some of the departments and services—and people, places and things—that will be useful in your university journey.

As you prepare for studies in your program, we encourage you to become familiar with the information and resources offered in this guide. It reflects the University’s commitment to serving the whole student, supporting your success and creating an inclusive, safe and respectful environment for everyone. UW Oshkosh graduate programs make this commitment a reality through offering exciting opportunities to apply new knowledge, grow leadership skills, become global citizens and contribute to local communities. Again, we welcome you at the start of your incredible journey, and we will be here for you every step of the way.

**CALENDARS**

Important financial and academic deadlines for the 2021-22 school year.

### FALL PAYMENT DEADLINES

#### FALL 2021
- **Sept. 23**: Minimum 10% of total balance due
- **Sept. 24**: $25 late fee assessed if at least 10% payment was not made
- **Oct. 1**: 1% finance charge on remaining account balance
- **Oct. 29**: Minimum 45% of total balance due, bringing total paid to at least 55% of account balance
- **Nov. 1**: 1% finance charge assessed on any remaining balance and $25 late fee assessed for those not making the second payment
- **Nov. 26**: Remaining balance due
- **Nov. 29**: $25 late fee for those not making third and final payment for the term
- **Dec. 1**: 1% finance charge on remaining account balance

#### J-TERM 2022
- **Jan. 14**: 100% of January Interim (J-Term) charges are due. Financial aid will not post for this term. Any balance will roll to spring term.

#### SPRING 2022
- **Feb. 16**: Minimum 10% of total balance due
- **Feb. 17**: $25 late fee assessed on those not making first payment
- **March 1**: 1% finance charge on remaining account balance
- **March 25**: Minimum 45% of total balance due, bringing total paid to at least 55% of account balance
- **March 28**: $25 late fee assessed for those not making second payment
- **April 1**: 1% finance charge on remaining account balance
- **April 29**: Remaining balance due
- **May 2**: 1% finance charge assessed on remaining balance and $25 late fee assessed for those not making final payment in full

#### MAY-TERM 2022
- **May 27**: 100% of May Interim (May-Term) charges are due. Financial aid will not post for this term. Any balance will roll to summer term and be billed with summer.

### ACADEMIC CALENDAR

#### FALL SEMESTER 2021
- **Wednesday**, **Sept. 8**: Begin first 7-week; 14-week term
- **Tuesday**, **Sept. 14**: Last day to drop first 7-week course for 100% tuition refund
- **Tuesday**, **Sept. 21**: Last day to drop first 7-week course for 100% tuition refund
- **Thursday**, **Sept. 23**: Last day to drop first 7-week course for 50% tuition refund
- **Thursday**, **Sept. 23**: Tuition payment due; see page 24 for details on payment options
- **Tuesday**, **Oct. 5**: Last day to drop 14-week course for 50% tuition refund
- **Saturday**, **Oct. 23**: Family Day and Homecoming
- **Tuesday**, **Oct. 26**: Last day to drop 14-week course without late drop or withdraw request
- **Wednesday**, **Oct. 27**: Begin second 7-week term
- **Tuesday**, **Nov. 2**: Last day to drop second 7-week course for 100% tuition refund
- **Tuesday**, **Nov. 9**: Last day to drop 10-week course for 100% tuition refund
- **Wednesday-Sunday**, **Nov. 24-28**: Thanksgiving recess
- **Friday**, **Nov. 9**: End second 7-week; 14-week term; official graduation date

#### J-TERM 2022 – CLASSES MEET ON JAN. 3-7, 10-14 AND 18-21
- **Monday***, **Jan. 3, 2022**: Begin 3-week J-Term
- **Monday**, **Jan. 17**: Legal holiday, Martin Luther King Jr. Day – No classes
- **Friday**, **Jan. 21**: End 3-week J-Term; official graduation date

#### SPRING SEMESTER 2022
- **Monday**, **Jan. 31**: Begin first 7-week; 14-week term
- **Sunday**, **Feb. 6**: Last day to drop first 7-week course for 100% tuition refund
- **Sunday**, **Feb. 13**: Last day to drop first 7-week course for 50% tuition refund
- **Sunday**, **Feb. 27**: Last day to drop 14-week course for 50% tuition refund
- **Sunday-Sunday**, **March 20-27**: Spring break
- **Monday**, **March 28**: Begin second 7-week term
- **Sunday**, **April 3**: Last day to drop second 7-week course for 100% tuition refund
- **Sunday**, **April 10**: Last day to drop second 7-week course for 50% tuition refund
- **Friday**, **May 13**: End 7-week; 14-week term; spring semester; official graduation date

#### MAY-TERM 2022 – CLASSES MEET ON MAY 16-20, 23-27, AND JUNE 1-3
- **Monday**, **May 16**: Begin 3-week May-Term
- **Monday**, **May 30**: Legal holiday, Memorial Day – No classes
- **Friday**, **June 3**: End 3-week May-Term; official graduation date

#### SUMMER SEMESTER 2022
- **Monday**, **June 13, 2022**: Begin first 4-week term; 8-week term
- **Monday**, **July 4**: Legal holiday, Independence Day – No classes
- **Friday**, **July 8**: End first 4-week term
- **Monday**, **July 11**: Begin second 4-week term
- **Friday**, **July 8**: End second 4-week; 8-week term; official graduation date
DEGREE TIME LIMITS
All academic requirements for your graduate degree (including work transferred) must be completed within a seven-year time period. Nursing degrees have a five-year time period, psychology degrees have a four-year time period and GAP/certificates have a four-year period. This time period begins with the start date of the first term in which course(s) were taken for your degree/GAP/certificate. Transfer credits are included in the time period calculation. If you experience extenuating circumstances in completing your degree, you can apply for an extension. Your program coordinator/adviser can provide important support as you determine whether an extension is needed.

APPLYING FOR GRADUATION
After finishing all classes and requirements for your program, you must apply to be conferred a degree or certificate. To be eligible to apply for graduation, you must have completed the Admission to Candidacy or Verification of Program Study step at some point in your program. If you are in a degree program, you will apply to graduate. If you are in a certificate or GAP program, you will apply to complete it. You can apply for graduation on TitanWeb via the self-service section of your student center.

COMMENCEMENT
Master's and doctoral students can celebrate their graduation at one of UW Oshkosh's two commencement ceremonies, one at the end of spring semester and the other at the end of fall semester. If you complete your graduate program at the end of the summer term, you can choose to attend either spring or fall commencement. Talk to your graduate adviser to learn when to apply for graduation as a summer-term graduate.

Your diploma and official transcript voucher are mailed out four to six weeks after your official graduation date. The official conferral of your degree/GAP/certificate appears on your transcript approximately seven weeks after the end of the semester.
GRAD ADVISING / ASSISTANTSHIPS

ACADEMIC ADVISING
Meeting with an academic adviser early and often throughout your graduate school journey is a crucial part of achieving success in your program. Your academic adviser can provide guidance on the steps and courses needed to earn your degree in an efficient and effective manner. They also can play an important role in helping you make choices that support your interests, goals, and degree and graduation requirements.

If you experience any challenges that might impact your degree progression, your academic adviser can lend support and provide insight on how to best approach the challenge and continue moving toward completing your degree.

For most graduate programs at UWO, the program coordinator also serves as the academic adviser for students in the program. For certain programs with theses or dissertation requirements, once you choose your thesis/dissertation adviser, that person also may serve as your academic adviser. Because each graduate program is different, you should consult with your program to learn who serves as your academic adviser.

Visit uwosh.edu/grad-program-coordinators to learn who serves as the program coordinator for your degree.

GRADUATE ASSISTANTSHIPS
If you would you like to earn income while enhancing what you learn in the classroom, then consider applying for a Graduate Assistant (GA) position.

GAs work closely with faculty and other university professionals in their academic field or related areas.

Responsibilities vary by program and may include assisting faculty with research; tutoring; preparing laboratory experiments and assisting students during labs; assisting faculty with in-class simulations or discussions; or working with clinical programs. GAs work in many roles on campus but are not hired as teaching assistants.

GAs may work up to 20 hours per week, September through May. Assistants who work at least 13.5 hours per week qualify for in-state tuition and are eligible for insurance benefits through the University. Any full-time graduate student in good academic standing can apply to be a GA; financial need is not a consideration.

For more information and to apply, go to uwosh.edu/grad-assistant.

ACADEMIC AREAS

COLLEGE OF BUSINESS
Engagement, innovation, personal and professional development, and continuous improvement define the College of Business. UWO is the only business school in northeastern Wisconsin nationally accredited by the Association to Advance Collegiate Schools of Business (AACSB). With nine undergraduate majors covering every business function, three MBA delivery options, a Data Analytics Certificate, and four collaborative master’s programs (business administration, sustainability management, information technology and biotechnology), the College of Business provides students with a wealth of transformative educational opportunities.

Learn more → uwosh.edu/cob

COLLEGE OF EDUCATION AND HUMAN SERVICES
The College of Education and Human Services is long-recognized as a leader in education. The college prides itself in producing some of the best teachers in the state, boasting more than 200 alumni as Herb Kohl Teacher of the Year Award recipients. Quality courses and hands-on experience play an integral role in preparing students to become leading educators, human service professionals and counselors. The college offers six undergraduate majors, a variety of master's degrees and licensure programs and one doctoral program.

Learn more → uwosh.edu/coehs

COLLEGE OF LETTERS AND SCIENCE
The College of Letters and Science is the largest and most varied college at UW-Oshkosh with more than 40 undergraduate majors, a growing list of master’s programs, and hundreds of faculty and staff members across three campuses. Academic degrees span the sciences, arts, humanities and social sciences. Together, academic departments and faculty members have won more Board of Regents Teaching Excellence Awards than any other university in the UW System.

Learn more → uwosh.edu/cols/graduate-programs

COLLEGE OF NURSING
The College of Nursing provides undergraduate, graduate and doctoral nursing students with the expert knowledge, clinical practice skills and critical-thinking ability necessary for success in today’s healthcare industry. As the largest major on campus, the college is fully accredited by the Commission on Collegiate Nursing Education (CCNE) at both the undergraduate and graduate levels, ensuring students receive top-quality training and education. The Doctor of Nursing Practice–Nurse Anesthesia Emphasis is also accredited by the Council on Accreditation of Nurse Anesthesia Educational Programs. UWO nursing graduates consistently exceed the national pass rate for the National Licensure Examination for Registered Nurses (NCLEX-RN), a testament to the college’s excellence.

Learn more → uwosh.edu/con

ONLINE AND CONTINUING EDUCATION
The Division of Online and Continuing Education (OCE) offers quality, affordable and flexible online degrees and certificates to students who have differing needs than their peers in a traditional college setting. Accelerated, seven-week courses are taught 100% online by instructors who are experts in their fields, and tuition is set at $360 per credit to make budgeting more manageable. With no structured class times, students have the ability to set their own schedule around work and other life commitments.

Learn more → uwosh.edu/online
ACADEMIC SUPPORT OF INCLUSIVE EXCELLENCE

The Division of Academic Support of Inclusive Excellence offers an array of cultural, educational and social programs and activities, with specialized services to enhance students’ academic and personal development. We offer academic support; multicultural advising and guidance; educational forums, seminars and workshops; mentoring; and referrals to other resources both on and off campus.

We are committed to helping students achieve their fullest potential and prepare them for global leadership through an engaging co-curricular experience that embraces, affirms and transforms every student with respect for their varied backgrounds.

Learn more ▶ Center for Equity and Diversity | 717 W. Irving Ave. | (920) 424-3080 | asie@uwosh.edu | uwosh.edu/asie

MEN OF COLOR AND LATINO/A/HISPANIC INITIATIVES

Men of Color and Latino/a/Hispanic Initiatives (MCLHI) promote the academic and professional development of Latino/a/Hispanic students (including undocumented students) and underrepresented males at UWO. MCLHI collaborates with a broad range of campus entities to maintain an inclusive campus environment and ensure the retention, persistence and graduation of students.

Students benefit from:
• Bilingual services (Spanish/English)
• Help applying for internships and career opportunities
• Leadership and professional development
• One-on-one cultural support and mentoring
• Ties to a Latino/a community

Learn more ▶ uwosh.edu/mclhi | (920) 424-2245

INDEGENOUS STUDENT SUPPORT AND WELLNESS

Indigenous Student Support and Wellness (ISSW) provides academic support, cultural understanding, academic guidance and counseling referrals for Indigenous students. ISSW is responsible for providing programs and services that support persistence, retention and graduation for these students.

Students benefit from:
• Academic guidance and coaching
• Assistance finding scholarships, internships and grants
• Native American study tables
• One-on-one cultural support and mentoring
• Ties to Indigenous tribes in Wisconsin and beyond

Learn more ▶ uwosh.edu/issw

STUDENT ACHIEVEMENT SERVICES

Student Achievement Services (SAS) is dedicated to the academic success of diverse students through support services, collaborations and high-impact programs and practices that lead to greater student independence, personal growth and lifelong learning.

• Multicultural Retention Programs (MRP) provides academic and student support services to assist in the enrollment, retention and graduation of multicultural (African American, Asian, Hispanic/Latino, Hmong and Indigenous) and underserved/underrepresented (low-income, first-generation) students.

• Multicultural Education Center (MEC) is a multipurpose resource that brings people together to promote and celebrate diversity on campus and in the greater Oshkosh area. MEC sponsors enrichment programs and activities, serves as a resource for faculty, students and staff, and the community, and is the embassies for all multicultural and international students on campus.

Students benefit from:
• Academic guidance and coaching
• Financial aid and financial literacy information
• Leadership and professional development
• Mentorship opportunities
• Multicultural student organizations

Learn more ▶ uwosh.edu/student-achievement-services | (920) 424-3081

RESOURCE CENTERS

LGBTQ+ RESOURCE CENTER

Building a Safe, Inclusive and Empowered Community

The mission of the LGBTQ+ Resource Center is to create a safe, inclusive and affirming campus climate that fosters academic success and personal growth for students, faculty and staff of all genders and sexualities through education, advocacy and support.

Resources:
• Alumni mentoring program
• Gender Outfitters
• Identity discussion groups for students and employees
• Inclusive Housing: Rainbow Floor
• Internships for credit (undergraduate and graduate)
• LGBTQIA+ library media collection
• Online resources
• Outreach presentations
• SAFE/TSAFE trainings
• Student advocacy

Educational programs are designed to increase awareness of LGBTQIA+ lives and promote a shared responsibility for a campus climate that is safe for everyone. All programs are free and open to everyone, including the greater Fox Valley community.

For more information ▶ LGBTQ+ Resource Center
Campus Center for Equity and Diversity

WOMEN’S CENTER

Intersectional Innovation for Gender Equity

Part of the Division of Academic Support of Inclusive Excellence, the UW Oshkosh Women’s Center hosts programs and events to educate the campus community, provides resources for students, employees and community members, and actively seeks collaborations with campus and the surrounding community to promote gender equity.

We endeavor to help people of all genders work, play and live together in ways based on mutual respect by:
• Providing resources and education for all of campus
• Creating a welcoming space for people to build community

• Promoting an environment that values equity and diversity
• Engaging students, employees and the community to work towards solutions for intersectional gender issues

The Women’s Center provides a range of intersectional programming for professional, personal and academic development. The Women’s Center also is a physical space that is great for studying, hosting meetings, hanging out, enjoying a complimentary cup of coffee, tea or hot chocolate and/or playing video games. The Women’s Center has a PlayStation 4 with a growing collection of video games and 55-inch 4K TV, computer lab (five PCs, two Macs), a lactation lounge and two all-gender bathrooms. The Women’s Center is fully accessible.

Visit the Women’s Center website and social media and watch for email announcements for the most up-to-date information about programs and events. Also keep the Women’s Center in mind when looking for internships and field placements.

Individuals do NOT have to identify as a woman to visit the Women’s Center or attend Women’s Center events; people of all genders are welcome.

Resources:
• Internships and field placements for credit
• Lactation lounge
• Book and media library
• Online resources
• Outreach presentations
• Safer sex and menstrual care products
• Computer lab, TV and PlayStation 4
• Student advocacy
• Craft corner

INFORMATION TECHNOLOGY (IT)

Information Technology provides technical support to UW Oshkosh students, faculty and staff.

NetID

Your NetID is your gateway to UW Oshkosh services. Think Canvas, Office 365 (including Outlook), Housing Portal, MyUWO Portal, TitanWeb as well as a computer login for campus computer labs and Titan Wi-Fi.

Learn to set up your NetID at kb.uwosh.edu/100921.

Check out uwosh.edu/it/service-offering/netid for more information on how and when to use your NetID and about how to reset and change your password.

GET YOUR PRINT ON

Each spring spring and fall semester, students are allotted $10 for printing, covered by the Student Technology fee on campus. Students pay approximately $0.02 per black and white copy and $0.16 per color copy.

UWO uses Pharos to manage print queues, this means:

• Students can print directly from any computer lab, laptop or mobile device while they are on campus, using the appropriate software and/or app.

• Once a file is submitted to the print queue, students can scan their TitanCard or use their smartphone to scan the QR code on the printer to release the print job.

Need to print on the go? Jobs stay in the print queue for two hours, so you can send to the queue now, print later.

Learn more → uwosh.edu/it/service-offering/wireless-printing

Most printers on campus are black and white. Color printers are located in Polk 101 and the Student Technology Center (Polk 005).

COMPUTER LABS

UW Oshkosh’s general-access computer labs come equipped with all the software needed to get coursework done. Don’t want to travel so far? Ask the front desk of your residence hall where the closest computer lab is:

• Clow Lab – Clow C014
• Halsey Lab – Halsey 101
• Sage Lab – Sage 1208
• Swart Lab – Swart 229

HELP DESK

Can’t log in? Not sure how to connect to campus Wi-Fi? Come to the Help Desk in Dempsey 207, call us at (920) 424-3020 or email helpdesk@uwosh.edu.

STUDENT TECHNOLOGY CENTER

Want some one-on-one technical assistance? Need some cameras for your group project? Visit the Student Technology Center located in Polk 005.

CLOW TECHNOLOGY CENTER

Planning a presentation? Not sure how to use classroom technology? Just want some IT assistance? Let the Clow Technology Center help you out at Clow C010.

HELPFUL LINKS

NetID Password Reset
netid.uwosh.edu/changepassword

• Change your password without contacting IT
• Also used for first-time registration
• Sign up for self-service password reset in case you forget your password. More info here: uwosh.edu/it/service-offering/netid

Regarding your NetID account:

• Don’t share passwords or accounts
• You will need to reset your NetID password every 180 days
• Your NetID password can be reset at netid.uwosh.edu/changepassword
REGISTRAR’S OFFICE

WHAT DOES THE REGISTRAR’S OFFICE PROVIDE?

- Registration: Courses requiring department, instructor or advisor consent can be processed by filling out the form at uwo.sh/add-drop-assistance. To withdraw from all classes, visit uwo.sh/withdraw for additional information and online withdrawal form.
- Official transcript: Transcripts can be obtained online through Parchment. Fee information and hours are listed at uwosh.edu/registrar/transcripts.
- Veterans services provides support for active-duty veterans, guard members, reservists and dependents of veterans. The Veterans Resource Center can assist with federal and state education benefits as well as support services both on and off campus.

WHAT’S AVAILABLE ON TITANWEB?

- Enrollment appointment information: Registration dates and eligibility
- Account holds: May prevent enrollment and issuing of transcripts
- Class search: Search and filter courses based on specific criteria
- Course catalog: Individual course overviews and descriptions
- Enrollment verification: Printable certificate verifying current, past and future terms’ enrollment
- Grades: Final grades for all completed courses as well as grades for in-progress courses
- Graduation application: Apply for graduation

NEW TO-DO LIST ITEMS FOR FALL 2021

New students will have at least two To-Do List items in their TitanWeb Student Center.

The first item is the Financial Agreement from the Student Accounts Office. The Financial Agreement describes a student’s responsibility for their student account and finances. It also provides the option to make a payment plan each semester. All students will have a hold placed on their account until the Financial Agreement has been completed. Once complete, the hold will be removed. For questions regarding the Financial Agreement, contact the Student Accounts Office at sa@uwosh.edu or call (920) 424-1332.

The second To-Do List item is to verify a student’s Registration Information. This ensures the University has the most up-to-date contact and program information for all enrolled students. For questions regarding registration information, contact the Registrar’s Office at twregistration@uwosh.edu or call (920) 424-3454.

FOR MORE INFORMATION

UW Oshkosh Registrar’s Office
800 Algoma Blvd., Oshkosh WI
Dempsey Hall, Room 130
uwosh.edu/registrar | (920) 424-3454

GRANT TITANWEB ACCESS FOR FAMILY

Some students may wish to allow others to view their TitanWeb account for billing and academic purposes. See the FERPA section on page 34 to learn how to grant TitanWeb access to others. By federal law, the University is not able to speak to anyone other than the student about their student account unless they grant permission to additional people through TitanWeb.

PROBLEMS LOGGING IN TO TITANWEB?

Call the Help Desk at (920) 424-3020 | helpdesk@uwosh.edu Weekdays: 8 a.m. to 4:30 p.m.

TitanWeb Help > uwo.sh/titanweb
Registration Assistance > (920) 424-3454
DEAN OF STUDENTS

The Dean of Students Office supports students at UW Oshkosh through advocacy, care, guidance and support.

Our purpose is to:
- Fill the gaps in serving students
- Help students navigate UW Oshkosh
- Influence the student experience in a positive way
- Guide the institution on policies, laws and regulations affecting students

In fulfilling our purpose, we:
- Advocate for students
- Challenge and support students, faculty and staff
- Cultivate learning and development opportunities
- Create a space for students to be heard, valued and validated
- Work to solve problems
- Work to ensure a safe and inclusive community for our students
- Protect the integrity of the University community

- Student Advocacy
  The Dean of Students Office strives to provide advocacy for students in need. Students encountering a problem who are not sure where to turn should come to the Dean of Students Office. Whether it is an issue in a class or a problem with a landlord, we can help with support and advocacy.

- Student Care Team
  The Student Care Team (SCT) is a network focused on prevention and early intervention for students experiencing distress. SCT meets on a weekly basis to coordinate care for students and provide the assistance necessary to ensure they are personally and academically successful.

- Title IX
  The Dean of Students Office manages student accommodations (i.e. change in class schedules, residence hall moves, no contact directives) relating to Title IX complaints, investigations or other related instances involving sexual assault, domestic violence, dating violence and stalking.

ACCESSIBILITY CENTER

Resources for Academic Success

The Accessibility Center is committed to providing services and support for students with disabilities, ensuring equal opportunity to participate in all aspects of university programs, services and activities on all UWO campuses. The center coordinates reasonable accommodations, providing students the opportunity to reach their highest level of success and promoting independence and self-advocacy.

HOW DO I RECEIVE ACCOMMODATIONS?
1) Visit uwosh.edu/deanofstudents/accessibility-center
2) Submit an accommodation request form
3) Submit documentation from your provider
4) Schedule an initial interview with our accessibility coordinator

UNIVERSITY COMMUNITY
- Academic
- Dining
- Housing
- Parking

EXAMPLES OF ACADEMIC ACCOMMODATIONS
- Electronic textbooks and course materials
- Exam accommodations
- Proctors, scribes and readers for exams
- ASL interpreters
- Note-taking assistance
- Assistive technology

Please note: Students are not limited to the accommodation examples listed above.

ACCESSIBLE COMPUTER LABS
- The Access Lab is equipped with adaptive software, large-screen computers and document magnifiers.
- Many computer labs across campus are equipped with page magnifiers, high-resolution scanners and closed-circuit television (CCTV) magnifiers.
- All labs have a large-screen computer, ZoomText software and access to Kurzweil software.

UW Oshkosh Dean of Students
OFFICE OF INTERNATIONAL EDUCATION

Add adventure to your degree! The Office of International Education (OIE) offers short-term, semester, year-long and internship and volunteer programs in a variety of locations. Students earn academic credit while exploring the globe and immersing themselves in new cultures. The OIE also advises international students from around the world on U.S. student immigration regulations. Additionally, the OIE offers English language support and tutoring for nonnative English speakers.

English language support tutoring for nonnative English speakers helps to:
• Interpret course assignments
• Comprehend cultural backgrounds
• Increase confidence when giving presentations and participating in classroom discussions
• Identify campus resources for additional support
Learn more ➔ English Language Support els@uwosh.edu

STUDY ABROAD

Studying abroad allows students to gain independence, develop a global perspective, become fluent in another language and bolster resumes with unique skills and experiences. Graduate students have the following study abroad options:
• Travel on a group program with a faculty leader during J-Term or May-Term
• Travel individually to one of our partner institutions (year-round options)
• Complete a high-impact internship abroad

If a graduate course is not offered for group or individual programs, students may be able to work with their faculty adviser to create an independent study abroad program.

For more information ➔ Office of International Education Dempsey Hall, Room 202 | uwosh.edu/oie (920) 424-0775 | OIE@uwosh.edu

CAREER & PROFESSIONAL DEVELOPMENT

Welcome, Titans! The staff at Career & Professional Development are excited to help you with all your career-related needs through every step of your college experience. We assist with industry-specific advising, developing career readiness skills and helping you find part-time, full-time and internship opportunities. We encourage you to make an appointment with a career adviser early. Our goal is to help all Titans become equipped, confident and connected.

uwosh.edu/career
Graduate-level work requires using the best sources in the best ways. In addition to Polk’s selection of books, media titles and primary source collections on the shelves, students can request materials from across the UW System, including UW-Madison, which boasts one of the 10 largest academic library collections in the country. On top of that, Polk has an all-electronic journal collection of more than 118,000 titles. These advanced resources, written by specialists, are an essential part of graduate research. Polk also offers a growing streaming video collection for access to important documentaries and licensed educational video content.

Polk Library is a great place to work on your research papers and study. Polk is a home office, study hall and distraction-free zone with Wi-Fi and a variety of study environments. Find quiet study areas for solo work, bustling workspaces for group projects, or even private, tech-equipped study rooms for individual or group study. Students can use the library website to find available workstations and spaces before getting to the library. Polk Library’s professional academic librarians and staff members are available to help students navigate the world of college-level research. In addition to visiting classes for instructional sessions, staff members are available for students in person, via webchat, email, phone or one-on-one consultations.

For more information ➤ Polk Library 1801 Elmwood Ave. (920) 424-4333 ➤ infodesk@uwosh.libanswers.com

THE WRITING CENTER
The Writing Center helps students become better writers through free one-to-one sessions with writing coaches. Writing coaches are students who have been trained to work with individual students on any assignment or project in any major or subject area.
Meetings take place in person or virtually and last up to 50 minutes. Appointments are scheduled online. Students can schedule up to three appointments per week. The Writing Center also offers evening and weekend appointments.

For more information ➤ Writing Center 750 Elmwood Ave. | Student Success Center, Suite 102 (920) 424-1432 | oshtesting@uwosh.edu uwosh.edu/testing ➤ @UWOWritingCenter

PROJECT SUCCESS
Project Success is a remedial program for students attending UW Oshkosh who have learning disabilities in the areas of reading, writing or mathematics or have documented ADHD. The program serves approximately 300 students on campus.
Project Success focuses on teaching reading, spelling, written expression and organizational/executive function skills that foster success at the college level and beyond. Our goal is to assist students in developing the necessary language skills to read, write and spell effectively and efficiently to become academically independent. Project Success is one of few programs nationwide that serves as a remedial program rather than a tutorial assistance program.

What support services are available?
- Academic accommodations
- Remedial coursework
- One-on-one organizational tutoring
- Writing and mathematics tutoring support
- Educational evaluations

QUICK CHECKLIST FOR FINANCIAL SUCCESS

Plan for Success
- Plan for how you will pay
  - Apply for financial aid
  - Apply for scholarships
  - Apply for private loans if needed
  - Apply for a job on campus at uwosh.joinhandshake.com

Pay Your Bill
- Log in to TitanWeb
  - Check your to-do list and complete your financial agreement
  - Sign up for direct deposit to avoid waiting for paper refund checks
  - Grant access to others who may need to assist you with your account
  - Verify and update your contact information if needed

Ongoing
- Log in to TitanWeb at least monthly
  - Check your to-do list
  - Check your account after enrollment changes
  - Check your student email regularly

For more information
- Student Accounts
  - 800 Algoma Blvd. | Dempsey Hall, Room 236
    - (920) 424-1332 | sa@uwosh.edu
- Cashier’s Office
  - 800 Algoma Blvd. | Dempsey Hall, 2nd Floor.
    - (920) 424-1111 | cashier@uwosh.edu

STUDENT ACCOUNTS

FINANCIAL
- Billing of tuition, fees and charges for housing, dining and other campus services is done electronically through TitanWeb with email notifications sent to a student’s UW Oshkosh email account. Paper bills are not mailed. There are three billings for fall and spring semesters and two for summer. Initial billing is done three to four weeks prior to the start of the semester, except for the J-Term and May-Term.

Students are required to sign a financial agreement to pay tuition and fees before they are able to register for classes. For each term, 10% of the total tuition bill is due by the first date, and two 45% payments are due the following months. The amount due for a student is shown on TitanWeb under the account balance summary section. There is a 1% finance charge assessed the first business day of the month for any unpaid balance. There is never any prepayment penalty — students may pay the balance in full at the start of the term to avoid any finance charges.

- Payment can be made at the Cashier’s Office in Dempsey Hall, second floor, main hall, with cash or check. To reduce person-to-person contact, envelopes are available near the cashier’s window along with a payment drop box. Payments also can be made online with an e-check or credit/debit card. The e-check requires entering a bank routing number and account number with a $0.50 service charge. The credit/debit card option has a 2.75% service fee.

- Late payments will result in a hold on a student’s account. The hold prevents a student from adding classes, requesting transcripts and enrolling in future terms. Missing the first payment of the semester may result in a student being withdrawn from classes.

It is important to check TitanWeb regularly for new charges. Students often charge textbooks to their account or have Student Health Center charges on their account throughout the semester.

If you have a 529 College Savings Plan, you can print or export the statement of account and most plans will accept that document for producing a check. Checks should have the student ID in the memo and be mailed to the UWO Cashier, 800 Algoma Blvd., Oshkosh, WI 54901.

Please be aware of DROP DATES!
- Academic drop dates | uwosh.edu/registrar/add-drop
- Financial drop dates | uwo.sh/payment-deadlines
FINANCIAL AID

Financial aid is applied automatically to student accounts around the start of classes if aid has been accepted. Overages will be refunded via direct deposit, found on TitanWeb, or by check, which takes two weeks to process. Students with financial aid still need to check TitanWeb to ensure payments post to their account. Financial aid payments may be delayed if there are items on a student’s to-do list found on TitanWeb.

All correspondence from the Financial Aid Office is sent electronically via TitanWeb. Students should check TitanWeb frequently to make sure there are no outstanding items on their to-do list. Federal student loans require additional steps for first-time borrowers. Steps will be outlined on a student’s TitanWeb to-do list.

In order to continue receiving financial aid, students must meet Satisfactory Academic Progress (SAP) by maintaining at least a 3.0 GPA, completing 67% of coursework and completing degree programs within the maximum time frame. A graduate student’s SAP status may be viewed in TitanWeb. SAP is evaluated and updated in TitanWeb prior to the start of each semester. SAP is only applicable to students who want to receive financial aid.

Visit uwosh.edu/student-financial-services for more information on tuition and fees, payment deadlines, the partial payment plan, direct deposit, 1098T form, drop dates and hours of operation. Please refer to the FERPA section on page 34 for more information about how students can grant TitanWeb access to other family members.

FINANCIAL LITERACY

The GradReady program is a free financial literacy tool provided by UWO that promotes financial wellness and encourages students to take control of their finances early in their careers. Available through the Financial Aid website, this program includes budgeting, managing student loan debt and other helpful financial information.

The GradReady program has three sections:
- Path 1 – Paying for College: It’s all about making a plan
- Path 2 – Money Management: Budgeting your money
- Path 3 – Real World Finance: Student loan repayment

For more information → Financial Aid Office
800 Algoma Blvd. | Dempsey Hall, Room 104
(920) 424-3377 | fao@uwosh.edu
uwosh.edu/financialaid

TO CONTINUE RECEIVING YOUR FINANCIAL AID
- Maintain at least a 3.0 GPA
- Successfully complete at least 67% of your credit load each semester
- Complete program within 150% of minimum required credits for degree

HANDSHAKE & UW CREDIT UNION

HANDSHAKE

Many students seek part-time employment to help cover expenses during college. Use Handshake to search for on-campus employment opportunities. Students can log in to Handshake online at uwosh.joinhandshake.com.

UW CREDIT UNION

UW Credit Union is a nonprofit bank alternative that offers convenient on-campus banking for UWO students, including our exclusive Titans debit card! With friendly financial experts and easy online banking, you can confidently manage your money and make the most of college life. We provide options to fit students’ individual needs, such as CLEAR checking, with no overdraft fees and no paper.

Take advantage of all UW Credit Union has to offer:
- Find surcharge-free ATMs on campus.
- Download our best-in-class mobile app.
- Finance your education with affordable student loans.
- Build credit with a low-limit credit card with no annual fee.
- Use your mobile wallet to pay on the go.

Open your account online at uwcu.org, or stop by the UW Credit Union branch in Reeve Memorial Union to get started.

Federally insured by NCUA.

COUNSELING CENTER

The Counseling Center at UW Oshkosh provides a place of inspiration and guidance for the wellness of all students. Our approach includes a balance of treating mental illness concerns and strengthening the essential aspects of mental health. Our focus is for students to flourish, which includes feeling good and functioning well.

SERVICES

- **Individual Counseling**
  
  Meet one-on-one with a counselor to work toward personal mental health and wellness goals.

- **Group Therapy**
  
  Join a therapy group that best addresses your goals and benefit from the support and wisdom of your peers and a counselor. Groups may include interpersonal process and skill building (how to manage distress and emotions, reduce anxiety etc.), self-compassion, grief, trauma, LGBTQ+ support, restorative yoga, CALM yoga and more.

- **Wellness Workshops**
  
  Students have the opportunity to choose an experiential activity designed to build skills that foster long-term happiness (examples include self-compassion, mindfulness, optimism, kindness, connection, gratitude, cultivating strength and more).

- **Biofeedback**
  
  Learn how to achieve relaxation and better health through the awareness and training of your breathing through computer-based programs.

- **The Just Breathe Room**
  
  Enjoy a place of solitude for gentle exploration of mindfulness activities that help you to feel well.

- **The Rejuvenation Room**
  
  Enjoy our heated massage chair while listening to music along with aromatherapy. This room also is available for interfaith practices and lactating mothers.

- **Self-Compassion Group**
  
  Connect with others and learn to be kinder and more compassionate toward yourself. This group helps you move beyond self-criticism toward self-acceptance.

- **Animal-Assisted Therapy**
  
  Meet with our therapy dog, Leo, along with a counselor to relax and center yourself.

- **Drop In and Breathe**
  
  30-minute opportunity to engage in mindfulness and relaxation activities.

HOW TO MAKE AN APPOINTMENT

Students can call the Counseling Center at (920) 424-2061 or walk in and request an appointment.

Should a mental health crisis occur outside of operating hours, please contact one of the following:

- National Crisis Hotline – (800) 273-8255
- Winnebago County Mental Health Crisis – (920) 233-7707
- Fond du Lac County Mental Health Crisis – (920) 929-3535
- Outagamie County Mental Health Crisis – (920) 832-4646
- Calumet County Mental Health Crisis – (920) 849-9317

STUDENT HEALTH CENTER

The Student Health Center (SHC) at UW Oshkosh is a nationally accredited medical clinic and provides a full range of healthcare services to all registered students who pay segregated fees as a part of their tuition. Our staff consists of experienced, board-certified, credentialed professionals comprising physicians, nurse practitioners, a mental health nurse practitioner, nurses, medical assistants and administrative professionals.

SERVICES
- Behavioral health diagnosis and treatment
- Evaluation, diagnosis and treatment by physicians and nurse practitioners
- Immunizations
- Laboratory testing
- Men’s health
- Physical exams
- Sexual health services; contraceptive care, STI testing
- Transgender health
- Triage care
- Women’s health

Most office visits are free. There are minimal charges for physicals, lab tests, procedures, injections and medications. Services can be paid using credit or debit card, TitanCard or billed to a student’s account.

HOW TO MAKE AN APPOINTMENT
To schedule an appointment, call the Student Health Center at (920) 424-2424.

STUDENT HEALTH PORTAL
The Student Health Portal provides convenient, accessible healthcare, which allows patients to send and receive secure messages, view lab results, access certain medical records, schedule appointments and complete health forms online.

TITAN WELL

HEALTH PROMOTION AND WELLNESS
The goal of health promotion and wellness at UW Oshkosh is to create a culture of health and well-being that fosters personal and academic success. Guided by inclusion, respect and equity, Health Promotion and Wellness efforts provide holistic education, support and resources for students to create and sustain long-term, healthy behaviors.

Health promotion programs and events cover a variety of topics, including:
- Alcohol and drug abuse
- Body image and eating disorders
- Bystander intervention
- Violence prevention
- Nutrition and meal planning
- Sexual health and relationships
- Sleep hygiene
- Stress management and mental health

Peer Wellness Educators and Violence Prevention Educators are Student Recreation and Wellness Center (SRWC) student employees trained to provide health education to the campus community. They develop and implement wellness initiatives focused on relevant health issues, lead and facilitate programs and serve on various campus-wide committees focused on health, wellness and violence prevention.

Visit the Titan Well at the Student Recreation and Wellness Center to chat with wellness and violence prevention educators and access free and for-purchase wellness supplies, such as first aid items, over-the-counter medications and contraceptives.

For more information > Titan Well
735 Pearl Ave. | Student Recreation and Wellness Center
wellness@uwosh.edu | uwosh.edu/wellness

DID YOU KNOW?
99% of UWO students recommend the Student Health Center and their SHC provider to a friend. (Patient Satisfaction Survey, 2019)

According to a student survey, these are the top 5 benefits:
- Healthcare at a low cost
- Self-care education for treating illness
- Avoid missing classes due to health
- Peace of mind regarding health
- No need to travel to receive care

SEXUAL AND INTERPERSONAL VIOLENCE PREVENTION
UW Oshkosh is committed to providing the safest campus possible for our students, faculty and staff. Through programs and policies, we work year-round to support victims/survivors, prevent sexual and interpersonal violence, and communicate that violence is unacceptable.

> Victim/Survivor Advocacy Services
Students have the right to report an incident of sexual or interpersonal violence to the University, law enforcement or both. They also have the right to not make a report.

The University provides advocacy services for victims/survivors of sexual assault, intimate partner violence and other interpersonal violence, including stalking and sexual harassment. These services are free and confidential and do not require a student to report.

> Medical Advocacy
- Discuss medical options after a sexual or physical assault
- Discuss evidence collection options
- Accompany students to the hospital

> Legal Advocacy
- Discuss legal options and rights
- Accompany students to file police reports or any court proceedings
- Assist students in obtaining restraining orders

> University Advocacy
- Discuss the University’s responsibilities in responding to these incidents
- Assist students in filing a report with the University
- Coordinate with other University departments to support survivors (Residence Life, Dean of Students, Counseling, etc.)

> Personal Advocacy
- Discuss students’ thoughts and feelings after these incidents
- Help students create safety plans
- Offer support to friends and family

STUDENT RECREATION

A wide variety of recreational opportunities are available for students at UW Oshkosh. First-rate facilities, intramural sports, sport clubs, the Outdoor Adventure Center (OAC), group exercise, fitness assessments, weight room orientations, personal training and other group and individual programs and activities provide something for everyone.

FACILITIES

The Student Recreation and Wellness Center (SRWC) includes 104,000 square feet of recreational space, offering basketball courts, jogging and walking track, indoor multipurpose gym, volleyball courts, climbing wall, golf simulator, strength training areas, 100+ pieces of cardio exercise equipment, two group exercise studios, cycling studio, TRX suspension training and a lounge area for students to relax, study or watch television.

Other campus recreational facilities include Kolf Sports Center (basketball and volleyball courts) and Albee Hall (basketball and volleyball courts, three racquetball courts and an aquatics facility with a nine-lane lap pool and an adjoining diving well).

The Rec Plex is the home for intramural sports, sport clubs and drop-in recreation. The Rec Plex is a 4.35-acre recreational complex with lighted, multiuse synthetic turf, a 3000-square-foot support building and a seasonal dome to allow for year-round recreation.

PROGRAMS AND ACTIVITIES

Aquatics activities include open lap swim and special events.

Sport clubs are student organizations that provide members with learning experiences, new skills and opportunities to practice and compete in their favorite sport. There are currently 16 active sport clubs: bowling, cheer and stunt, climbing, dance, fishing, men’s golf, hip-hop, ice hockey, men’s lacrosse, racquetball, women’s rugby, men’s and women’s ultimate Frisbee, and men’s and women’s volleyball.

Group exercise classes are held daily in the SRWC studios. Personal trainers are also available for hire at discounted rates for students.

Intramural sports for varying skill levels feature a wide variety of recreational and competitive opportunities, including soccer, basketball, volleyball, dodgeball, floor hockey, tennis, ultimate Frisbee, racquetball, bags and flag football.

The Outdoor Adventure Center (OAC) is responsible for operating the climbing wall and bicycle repair shop at the SRWC. The OAC also offers a comprehensive supply of outdoor equipment available for rent, including short- and long-term bike rentals. OAC trip leaders offer numerous outdoor trips throughout the academic year.

(920) 424-1245 | uwosh.edu/recreation

Safewalks

Safewalks are available to students, employees and campus guests who wish to be escorted at night. Safewalks are offered seven days a week when classes are in session at no charge. To request a walk, call the mobile “Chat with a Dispatcher” feature or dial (920) 424-1212.

UW OSHKOSH POLICE DEPARTMENT

The UW Oshkosh Police Department is dedicated to developing partnerships with the community we serve in order to support and enhance the mission of the University. As a team, we preserve a learning environment that supports inclusivity, excellence and quality of life across campus to provide a safe atmosphere for all students, faculty and visitors of UW Oshkosh.

UWO Mobile App

The UWO mobile app is available for iPhone and Android phones. Instructions on how to download the app can be found on the UW Oshkosh Police Department website.

UWO Go

UWO Go is a non-emergency service that provides an on-demand safe ride for students and employees on and near the UW Oshkosh campus. UWO Go runs seven days a week when classes are in session at no cost for students currently enrolled at UW Oshkosh. This system operates like Uber or Lyft—however it’s free for UWO students and employees of the University.

Learn more at uwosh.edu/police/uwogo.

FOR MORE INFORMATION

UW OSHKOSH POLICE DEPARTMENT

Community Service Officer Program

Community Service Officers (CSOs) are student employees who provide additional safety and security on campus. They patrol the campus in pairs, work security stations within the residence halls during night hours, offer the Safewalk, SafeRide and Safesroute programs and provide additional resources for special events.

Titan Alerts

Titan Alert, a campuswide alerting system, is used to communicate important campus information directly to mobile phones, email and social media. Students, faculty and staff can sign up to receive these alerts by visiting uwosh.edu/emergency/titanalert.

Reporting Incidents

We have several different ways to connect with the police department to report incidents and information. The UWO mobile app has several reporting options. Our website also is available to report non-emergency incidents.

CONNECT WITH US ONLINE

On our website, you can find detailed information about our core values, guiding principles, fair and impartial policing and how we train and manage our personnel. The website also features a “How Did We Do?” form that offers the opportunity to share feedback about your experience with our staff.

COMMUTER STUDENTS

We recognize that most graduate students participating in on-campus graduate programs commute to the Oshkosh campus. Below you will find helpful information for commuter students, including parking tips, where to find the Commuter Lounge and ways to get involved on campus.

IN INVOLVEMENT
• Hang out with other students in Reeve Memorial Union
• Join a student organization
• Use campus resources
• Find a job on campus through Handshake
• Visit the Student Recreation and Wellness Center
• Purchase a meal plan designed specifically for commuters
• Attend a Reeve Union Board event: movies, live music, hypnotists and more

COMMUNICATION
• Inform your professors that you commute—especially if you live outside of Oshkosh—so in case of bad weather they know you might be late or absent.
• Email your instructors if you are not able to attend class.
• During potentially bad weather, visit uwosh.edu for weather-related closings or postponements. Before you leave home and head to campus, check your student email or Canvas to see if your professors have canceled class.

COMMUTER LOUNGE
First floor, Reeve Memorial Union, Student Involvement
• Comfortable furniture
• Microwave, fridge and computer
• Single-day and semester locker rentals
• Nearby television and study lounges

PARKING
Commuter students should allow themselves 20-30 minutes to find a parking spot at the start of each semester.
• See page 31 for parking permit information
• Find campus maps with parking lot locations at uwosh.edu/maps

COMPUTER PARKING
• Parking on the Oshkosh campus is digital. Permit holders are assigned to park in a specific area of campus based on the permit they purchase. No physical permit will be issued. A digital permit means your license plate number is your permit. License plates are monitored and enforced through License Plate Recognition. More than one plate number may be listed with a permit; however, only one vehicle can be on campus at a time if they’re listed under a single permit.
• Commuter Student Parking
Log in to the UWO parking portal at uwo.sh/parking to view all permit options, see up-to-date pricing and purchase a permit. A variety of permit options are available to graduate students, including single-day, Monday/Wednesday/Friday, Tuesday/Thursday, evening-only or semester and annual passes.
Each permit type has a description that outlines the days/times and lot locations for which the permit is valid. All vehicles parked on campus must have a license plate that faces the traffic lane. Vehicles with front license plates have the option to pull through or back into a parking space.
Commuter lots are open from 6 a.m. to midnight with a valid permit. However, some commuter permits are only valid during specific time periods. Be sure to check your permit type to know when it is valid. Otherwise, your vehicle is subject to being ticketed.
• Short-Term Parking
Hourly parking is available via the AMP Park mobile app or aimsmobilepay.com. The Oshkosh campus no longer uses meters or pay stations for hourly parking. Hourly parking is handled entirely through the AMP Park mobile app or website.
We encourage all campus visitors to download the free AMP Park mobile app and create an account with vehicle information prior to arriving on campus. Learn more at uwosh.edu/parking/amppark.

FOR MORE INFORMATION
New Student and Family Programs
800 Algoma Blvd. | Dempsey Hall, Room 148
(920) 424-3269 | orientation@uwosh.edu

Residence Hall Student Parking
Students who have a housing contract with Residence Life are sent parking information in late June or early July to their student email. Resident permits are issued on the basis of class standing, and therefore graduate, students are the first to receive permits. Resident permit applications must be received by July 31 to be eligible for the upcoming academic year.
Parking and Transportation Services office hours are 7:45 a.m. to 4:30 p.m., Monday through Friday. Check with Parking Services about extended hours at the start of fall semester.

TITAN CENTRAL

TITANCARD AND TITAN DOLLARS
The TitanCard is the official identification card for every student, faculty, and staff member at UW Oshkosh. It offers a convenient, easy, and safe way to make purchases and use campus services. Beyond being a University ID card, students can use their TitanCard for their meal plan, to hold Titan Dollars for campus purchases, as a library card, a door access card and a pass for athletic events and the Student Recreation and Wellness Center.

What are Titan Dollars?
- Declining balance account
- Accepted as a form of payment at most retail and service locations on campus
- Carry over balance from fall to spring semester may be converted to a UW Oshkosh gift card
- Non-refundable while enrolled at UW Oshkosh
- Off-campus meal plans can be purchased and include additional Titan Dollars of various amounts

ONLINE CARD OFFICE
To manage Titan Dollars and TitanCard, visit uwosh.edu/onlinedeposit.
- Purchase Titan Dollars
- Check balances
- View account activity
- Deactivate ID if lost or stolen

To learn more about the benefits, policies, deposit options and FAQs for the TitanCard and its functions on campus, visit uwosh.edu/reeve/titancard or stop by Titan Central, located in Reeve Memorial Union.

TITAN CENTRAL
Titan Central is your one-stop shop on campus! Services include campus information, full-service United States Postal Service station, passport photos, lost and found, managing Titan Dollars and issuing student ID cards. Stop by on weekdays between 8 a.m. and 5 p.m.

UNIVERSITY BOOKS & MORE
- Textbooks and Course Materials
  The University Books & More textbook department is your official one-stop shop for all of your required course materials. We stock a selection of new, used and rental textbooks, as well as a variety of digital resources, eBooks and study aids. Students can view course material information on the bookstore’s website, and materials can be purchased either in store or online. Online orders may be shipped or picked up when students arrive on campus. Textbooks and course materials can be charged to a student’s account.
  Simply visit our website at uwosh.edu/bookstore and use your TitanWeb course schedule to locate the required textbooks and materials for your courses. All currently available format options for each individual title will be listed under each course (new, used, digital, etc.).
  At the end of each semester, including summer and interim terms, University Books & More offers textbook buyback. Students may receive up to half the new book price in cash—even if they purchased it from a different source. Buyback of individual titles is not guaranteed and is dependent on future course usage and supply. Rental books are due back to the store by the Monday following the end of term.
- Clothing and Gifts
  University Books & More has the largest authentic selection of UW Oshkosh clothing, including Champion, Nike, Under Armour and many other popular brands. Anyone may stop in to shop the full collection of clothing.
  Shop online at uwosh.edu/bookstore Use promo code UWOGUIDE21 to get 20% off an online clothing or gift order. Coupon expires Dec. 31, 2021.
  University Books & More also stocks a wide variety of imprinted gift items. Popular items include electronic accessories, fair trade gifts, Titan spirit gifts, home decor, art supplies, school and office supplies, general books and more.

  Sunday: 4 p.m. to 8 p.m.
- Corner Convenience Store
  Academic Year Store Hours:
  Monday-Friday: 7:30 a.m. to 9 p.m.
  Saturday: 11 a.m. to 8 p.m.
  Sunday: 11 a.m. to 8 p.m.

EMPLOYMENT OPPORTUNITIES
University Books & More and Corner Convenience Store offer opportunities for student employment with flexible hours, a convenient campus location and friendly staff. Applications are available online.
**FERPA**

**THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) ACCESS TO STUDENT RECORDS**

The Family Educational Rights and Privacy Act (FERPA) is a federal law that grants students the right to determine who will receive academic information about them. Students must authorize the release of records before any third party—including parents or guardians—can view them.

The University has made it easy for students to grant access to third parties/parents through our online system called TitanWeb. After logging into TitanWeb, students will see a link that is called “Grant Access to Others” on their Student Center page.

Choose third-party access for four types of information:
- View financial aid awards
- View student conduct
- View and pay tuition and fees
- View grades and term statistics

A confirmation email that shows the login and password for the new account needs to be forwarded to third parties/parents so they know how to log in. If parents don’t have Internet access, students can download the records and provide them.

This also allows the third parties/parents to contact the University to ask questions about this information.

Other records, such as mental health, physical health and faculty notes/records, are restricted by federal and state laws, University policy and professional standards. Students can release information from these records to a third party on a case-by-case basis through that particular office.

In most cases, the University will not contact family members or provide medical, academic or disciplinary information without the student’s consent. In an emergency where the student’s health is in jeopardy or there is a concern that the student poses a threat to themselves or to someone else, the University will contact family members. As a rule, if the student is able to communicate about the situation, they are expected to decide whether and how to discuss it with family members.

**QUESTIONS**

Questions about FERPA should be directed to the FERPA Coordinator at (920) 424-3407 or the Registrar’s Office at (920) 424-4077.

**ACADEMIC MISCONDUCT**

Students are responsible to be informed about what constitutes academic misconduct, how to avoid it, and what happens if they engage in it. Examples of academic misconduct include (but are not limited to):

- Plagiarism (turning in work of another person and not properly citing the work)
- Copying another student’s homework, paper or exam
- Cheating on an exam
- Allowing another student to copy your work
- Falsifying academic documents

**What happens if a student engages in academic misconduct?**

UW Oshkosh takes academic misconduct allegations very seriously. Professors will contact students if it is believed that they engaged in academic misconduct and may ask them to explain their work. If they still believe the student engaged in misconduct after meeting with them, they will decide on a sanction, which may include a zero on the assignment or exam, a lower grade in the course or failure in the course.

The Dean of Students Office is informed of academic misconduct. Repeated acts of academic misconduct may result in more serious actions, such as probation or suspension.

**How to avoid academic misconduct:**

- Avoid copying and pasting directly from the internet.
- Know how to cite sources in a paper, lab report or other assignments.
- Use the Writing Center for help with citations. They are experts in APA, MLA and other citation styles.
- Understand the expectations and limitations when working in groups (i.e., Is collaboration allowed on the project or written paper? Should the project or written paper be done alone?).

**What should students do if they know a classmate is cheating?**

If a student knows a classmate is cheating on an exam or other academic exercises, they should notify their professor or exam proctor. As a part of the University community, students are expected to uphold the standards of UW Oshkosh. Also, consider how a classmate’s dishonesty on the exam may affect the overall grading curve and other students’ grades in the class.

**How to avoid academic misconduct:**

- Avoid copying and pasting directly from the internet.
- Know how to cite sources in a paper, lab report or other assignments.
- Use the Writing Center for help with citations. They are experts in APA, MLA and other citation styles.
- Understand the expectations and limitations when working in groups (i.e., Is collaboration allowed on the project or written paper? Should the project or written paper be done alone?).

POLICIES AROUND TITLE IX AND SEXUAL MISCONDUCT AT UWO

What is Title IX?
Title IX is a federal civil rights law passed as part of the Education Amendments of 1972 that protects individuals from sex discrimination and sexual misconduct. Title IX states: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

What does Title IX have to do with sexual misconduct?
Sexual misconduct includes sexual assault, sexual harassment, sexual exploitation, dating violence, domestic violence and stalking. Because this abusive behavior causes significant harm to victims/survivors of the misconduct, it can have the effect of denying individuals equal access to, and benefit from, UWO programs and activities. All sexual misconduct is prohibited by Title IX federal law and UW Oshkosh policy.

What does Title IX mean for me as a student at UWO?
No one is alone at UWO. Sexual misconduct in any form can have a profound impact on a victim/survivor’s academic, social, working and personal life. It also can affect their friends and family, other students, co-workers and members of the University community. To combat this complex social problem, UWO is committed to preventing and promptly responding to reports of sexual misconduct, providing support to reporters (victims, witnesses), and a fair and impartial complaint process that will determine if a student is responsible for violations of sexual misconduct policy. You can help us with this goal by keeping an eye out for the safety and wellbeing of your friends and all students and speaking up or getting assistance when someone is vulnerable or behaving poorly. Anyone can report an issue or incident.

You can help make the UWO campuses and community a safe place for all Titans by being strong and healthy in your voice and actions!

If you have experienced sexual misconduct such as sexual assault, domestic violence, dating violence, sexual exploitation or stalking, the most important thing you can do is get to a safe place and find help and support. If you believe you or anyone else is in immediate danger, call 911 as soon as possible.

Please see the UWO confidential resources listed in this guide if you would like to talk over your decision to report or seek support services before reporting.

Most sexual misconduct is also a crime under Wisconsin state law. We encourage all students, faculty, staff and guests of UWO to seek support and report any incident of sexual misconduct to help collectively create and sustain a safe, equitable and inclusive campus. Please see uwosh.edu/titleix/report-it for more information on reporting.

FOR MORE INFORMATION
See the Title IX website for more information, to access support and confidential services, and/or to make a report: uwosh.edu/titleix
